**Final Freedom** Michael Vorenberg,2001-05-21 This book examines emancipation after the Emancipation Proclamation of 1863 Focusing on the making and meaning of the Thirteenth Amendment *Final Freedom* looks at the struggle among legal thinkers politicians and ordinary Americans in the North and the border states to find a way to abolish slavery that would overcome the inadequacies of the Emancipation Proclamation The book tells the dramatic story of the creation of a constitutional amendment and reveals an unprecedented transformation in American race relations politics and constitutional thought Using a wide array of archival and published sources Professor Vorenberg argues that the crucial consideration of emancipation occurred after not before the Emancipation Proclamation that the debate over final freedom was shaped by a

level of volatility in party politics underestimated by prior historians and that the abolition of slavery by constitutional amendment represented a novel method of reform that transformed attitudes toward the Constitution

**Glory, Passion, and Principle** Melissa Lukeman Bohrer, 2007-11-01 Much has been written of the brave deeds acts of heroism and intellectual prowess of the men who drafted the Declaration of Independence over two hundred years ago yet almost no attention has been paid to the extraordinary women of that time women who helped found our nation with courage sacrifice and intellect equal to any of the famed male politicians of 1776 *Glory Passion and Principle* tells the story of eight incredible women each deprived of formal education world travel or equal status and yet all managed to flourish against incredible odds Whether advising such men as John Adams Thomas Jefferson or Benjamin Franklin on political theory publishing poems and plays that would rouse a nation to independent furor helping negotiate treaties acting as spies or fighting alongside men in the military these women broke the limiting definitions imposed upon them much as America was doing for itself and helped form and found the country that is America today Each chapter is dedicated to a different woman starting with Abigail Adams political confidante and wife of John Adams Using her intellect to influence her husband's position in the Continental Congress she earned the distinction of being the only person to put Thomas Jefferson in his place Nancy Ward the brave and diplomatic leader of the Cherokee tribe matured from a young widow to bold warrior risking her life and those of her people when she warned the Patriots of imminent attack by Native American tribes She became a strong voice when the Treaty of Hopewell was signed in 1785 Yet another bright light was Sybil Ludington a seventeen year old who took it upon herself to alert her town's militia that the British were coming and survived a ride twice as long as Paul Revere's And where Revere got caught Ludington did not Alongside Ludington Adams and Ward the five other chapters chronicle the lives of Deborah Sampson Lydia Darragh Mercy Otis Warren Phillis Wheatley and Molly Hays Filled with unimaginable heartbreak personal sacrifice and cunning survival skills *Glory Passion and Principle* is an inspiring testament to the women who undoubtedly made a considerable dent in our great nation's history

**Ethnic American Literature** Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind this volume

celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature. This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American, Asian American, Latino, and Native American literary traditions among others. The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non-European descent and highlighting the ethnic diversity of works from the colonial era to the present. The work features engaging topics like the civil rights movement, bilingualism, assimilation, and border narratives. Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison, Maxine Hong Kingston, Maya Angelou, Sherman Alexie, *A Raisin in the Sun*, *American Born Chinese*, and *The House on Mango Street*. The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel, African American young adult literature, Mexican American autobiography, and Cuban American poetry.

[The Fire of Freedom](#) David S. Cecelski, 2012. Examines the life of a former slave who became a radical abolitionist and Union spy recruiting black soldiers for the North, fighting racism within the Union Army and much more.

**Difficult Freedom and Radical Evil in Kant** Joel Madore, 2011-11-03. To speak of evil is to speak of a gap between what is and what should be. If classical approaches to this problem often relied on a religious or metaphysical framework to structure their response, Kant's answer is typically modern in that it places within the subject the means of its own moral regeneration. And yet, from his first essays on ethics to later, more rigorous writings on the issue, Kant also admits an undeniable fallibility and inherent weakness to humanity. This book explores this neglected existential side of Kant's work. It presents radical evil as vacillating between tragic and freedom at the threshold of humanity. Through its careful exegesis of the Kantian corpus, in gauging contemporary responses from both philosophical traditions and by drawing from concrete examples of evil, the book offers a novel and accessible account of what is widely considered to be an intricate yet urgent problem of philosophy.
