The Peel Sessions Ken Garner, 2010-12-15 This is a story of teenage dreams which as any Peel fan knows are hard to beat Between 1967 and 2004 John Peel picked over 2000 bands to come and record over 4000 sessions to be played on his radio show Many were young and had never been in a recording studio before for some it was the start of an illustrious career for others it was the only recognition their musical talent ever got For over 35 years the cream of British musical talent made the journey to the BBC's studio in Maida Vale from Pink Floyd to Pulp the Small Faces to the Smiths And because John Peel was so respected his sessions took on a legendary status they were a rite of passage that every new band wanted to go through Unfettered by commercial pressure the Peel Sessions were a unique British institution an archive of music that reflects one man's passion for finding and encouraging new music Includes a full sessionography listing songs band members and broadcast dates Jarvis Cocker writing about his first Peel Session aged 18 Wayne the drummer was 15 We travelled down to Maida Vale in a van driven by a very strange man we'd contacted via a card pinned to the Virgin record shop noticeboard We'd had to borrow lots of equipment from a band called The Naughtiest Girl Was a Monitor cause we didn't have enough stuff of our own The session was to be produced by Dale Griffin who used to be the drummer in Mott the Hoople I seem to remember that he was wearing cowboy boots I think the crisis point came when Wayne was attempting to get a home made synth drum to work that a friend of his at school had made out of a rubber burglar alarm mat and an old electronic calculator Dale Griffin looked at this 15 year old kid crouching on the floor bashing what looked like a doormat with some wires coming out of it and just put his head in his hands But to his credit the session did get finished and after it everything else started for me

Swing It! John Sforza, 2021-10-21 In the years before and after World War II there were no bigger voices than those of the Andrews Sisters Maxene LaVerne and Patty charted more top ten Billboard hits than Elvis or the Beatles and went on to become the top selling female vocal group of all time selling approximately 100 million records They recorded such instant hits as Beer Barrel Polka Boogie Woogie Bugle Boy Don't Fence Me In and I Can Dream Can't I They dominated the music scene for fifteen years with some 600 recordings appearances in seventeen films cabaret performances and countless radio and television appearances *Swing It* is the first published biography of this incredibly popular trio The book includes many rarely published photos and features extensive career data including a detailed discography filmography and listing of their radio and television appearances between 1938 and 1967 The Andrews Sisters had their big break with the 1937 release of the Yiddish tune *Bei Mir Bist Du Schon* Means that You're Grand which sold 350 000 copies in one month and established the trio as successful recording artists The sisters are now probably best remembered for their work entertaining troops in World War II They traveled across the U.S. and to Italy and Africa and their recording of *Boogie Woogie Bugle Boy* for the film *Buck Privates* became synonymous with the war effort Part of the reason for the success of the Andrews Sisters was their ability to perform so many different types of music They repeatedly achieved major hits with melodies derived from many different countries becoming the first and most prominent artists of their time to bring ethnic influenced music to the forefront of America's hit parade The Andrews Sisters separated for two years in the 1950s as the strain of constantly living working and playing together for over four decades took its toll They reunited in 1956 and continued to perform together until LaVerne's death from cancer in 1967 The Andrews Sisters remain the most successful and enduring female vocal group in the history of show business Theirs are the voices that defined an era

Rockin' the Classics and Classicizin' the Rock: Janell R. Duxbury, 2001-02-05 Rock music of all varieties has been

influenced by classical music and vice versa both in the form of direct quotes and in the form of borrowings of style composition and instrumentation The average listener may be unaware of the many links between rock music and the classics One might remember a few examples such as Walter Murphy's chart topping A Fifth of Beethoven or Eric Carmen's All by Myself but pass them off as interesting anomalies However the influence of the classics on rock music is pervasive and grows from a long line of precedents This second supplement to Janell R Duxbury's original 1985 discography Rockin the Classics and Classicizin the Rock brings the earlier work and first supplement up to date with hundreds of new entries documenting recently released or newly discovered examples of the interconnection between these musical genres Duxbury details nearly 700 new examples of recorded rock instrumentals and songs that borrow musical themes from the classics Variations range from contemporary renditions of complete classical works to brief classical quotes or phrases subtly incorporated into rock compositions Duxbury also gives additional examples of recorded orchestral versions of songs originally composed and or written by rock artists In these examples the musical style varies from strict classical interpretations to pop style orchestral renditions The second supplement then expands Duxbury's original compilation of sound recordings and live performances of rock groups performing with established orchestras and choruses selected samples of recorded rock music that simulate baroque or classical sound structure examples of the manifest influence of rock on classical music and instances of rock artists and classical artists switching roles Lastly this discography updates the 1985 version and the first supplement with new information expanded details and minor corrections to the earlier works An extended list of selected non rock background examples is included in several new appendixes The Preface is updated A general index includes the names of classical composers rock artists and groups orchestras choruses orchestra conductors sound recording producers and song or instrumental titles With its incomparable scope and content this supplement together with Duxbury's previous discography and its first supplement will be appreciated by students researchers record collectors trivia buffs music industry employees and fans of rock music and the classics

Spy, 1989-12 Smart Funny Fearless It's pretty safe to say that Spy was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump

American-Soviet Cultural Diplomacy Cadra Peterson McDaniel, 2014-11-18 American Soviet Cultural Diplomacy The Bolshoi Ballet's American Premiere is the first full length examination of a Soviet cultural diplomatic effort Following the signing of an American Soviet cultural exchange agreement in the late 1950s Soviet officials resolved to utilize the Bolshoi Ballet's planned 1959 American tour to awe audiences with Soviet choreographers great accomplishments and Soviet performers superb abilities Relying on extensive research Cadra Peterson McDaniel examines whether the objectives behind Soviet cultural exchange and the specific aims of

the Bolshoi Ballet's 1959 American tour provided evidence of a thaw in American Soviet relations. Interwoven throughout this study is an examination of the Soviets' competing efforts to create ballets encapsulating Communist ideas while simultaneously reinterpreting pre-revolutionary ballets so that these works were ideologically acceptable. McDaniel investigates the rationale behind the creation of the Bolshoi's repertoire and the Soviet leadership's objectives and interpretation of the tour's success as well as American response to the tour. The repertoire included the four ballets *Romeo and Juliet*, *Swan Lake*, *Giselle*, and *The Stone Flower* and two Highlights Programs which included excerpts from various pre and post-revolutionary ballets, operas, and dance suites. How the Americans and the Soviets understood the Bolshoi's success provides insight into how each side conceptualized the role of the arts in society and in political transformation. American Soviet Cultural Diplomacy: The Bolshoi Ballet's American Premiere demonstrates the ballet's role in Soviet foreign policy, a shift to artful warfare, and thus emphasizes the significance of studying cultural exchange as a key aspect of Soviet foreign policy and analyzes the continued importance of the arts in twenty-first century Russian politics.
