Sacralization Of A Social Order

Jacob K. Olupona, Sulayman S. Nyang

Sacralization Of A Social Order:

The Hindu Caste System: The sacralization of a social order Harold Alton Gould,1987 Rethinking Social Theory Roger Sibeon,2004-03-27 Identifies and explores unresolved controversies and ambiguities in present day sociological theorizing Explaining Evil J. Harold Ellens,2011-02-18 In this three volume set international scholars from across a broad spectrum of scholarly fields examine the concept of evil throughout history and world cultures from religious scientific psychological and political perspectives The manifestation of evil has provided a convenient theme for popular culture entertainment ranging from the classic film The Exorcist to almost all of Stephen King s horror novels to video games such as Resident Evil Unfortunately dealing with and attempting to overcome the forces of evil is a pervasive problem in the real world as well Explaining Evil addresses incidents of evil from ancient times to modern day around the globe Concepts of evil within the big three religions Christianity Judaism and Islam are examined as well as in Chinese philosophy and Native American beliefs The political or national expressions of evil are explored such as the axis of evil that culminated in World War II These volumes identify the causes and effects of evil and suggest possible remedies to humanity s inescapable flaw

The Power of the Sacred Hans Joas, 2021 In The Power of the Sacred Hans Joas develops a new sociological theory of religion by reconstructing existing scientific theories of religion from the eighteenth century to the present Through a critical reading and reasssessment of key texts Joas proposes an alternative to the narratives of disenchantment and secularization which have dominated debates on the topic He further offers the most thorough reconstruction of the meaning of this concept demonstrates how problematic it is for an appropriate understanding of religion in modernity and presents the basic features of an alternative <u>India's Silent Revolution</u> Christophe Jaffrelot, 2003 Jaffrelot argues that the trend towards lower caste representation in national politics constitutes a genuine democratization of India and that the social and economic effects of this silent revolution are bound to multiply in the years to come Sacralization and Secularization Roger Aubert.1969 Islam & Politics Afghanistan N Asta Olesen, 2013-01-11 The years 1978 and 1979 were dramatic throughout south and western Asia In Iran the Pahlavi dynasty was toppled by an Islamic revolution In Pakistan Zulfigar Ali Bhutto was hanged by the military regime that toppled him and which then proceeded to implement an Islamization programme Between the two lay Afghanistan whose Saur Revolution of April 1978 soon developed into a full scale civil war and Soviet intervention The military struggle that followed was largely influenced by Soviet US rivalry but the ideological struggle followed a dynamic of its own Drawing on a wide range of sources including such previously unused archival material as British Intelligence reports this is a detailed study of the Afghan debate on the role of Islam in politics from the formation of the modern Afghan state around 1800 to the present day

Islam and Politics in Afghanistan Asta Olesen, 1995 The years 1978 and 1979 were dramatic throughout south and western Asia In Iran the Pahlavi dynasty was toppled by an Islamic revolution In Pakistan Zulfigar Ali Bhutto was hanged by the military regime that toppled him and which then proceeded to

implement an Islamization programme Between the two lay Afghanistan whose Saur Revolution of April 1978 soon developed into a full scale civil war and Soviet intervention The military struggle that followed was largely influenced by Soviet US rivalry but the ideological struggle followed a dynamic of its own Drawing on a wide range of sources including such previously unused archival material as British Intelligence reports this is a detailed study of the Afghan debate on the role of Islam in politics from the formation of the modern Afghan state around 1800 to the present day **Moral Order and Social Disorder** Frank Hearn, 2017-09-29 Drawing upon both classical insights and more recent writings Hearn provides a compelling account of social breakdown in the United States The book examines the conditions most responsible for the deterioration of social institutions notably the family and of communitarian interdependencies such as those that support neighborhoods More specifically Hearn analyzes the defining forces of liberal modernity among them especially the market economy favored by the political right and the democratic welfare state endorsed by the political left whose steady expansion has diminished the social contexts that nurture trust mutuality and a robust sense of both personal responsibility and social obligation The originality of Hearn's book lies in the solutions he proposes which differ from those rooted in what Hearn calls the languages of modernity Hearn advocates modes that would serve instead to renew solidarity and reclaim social virtue a repertory of strategies that would answer Emile Durkheim's call for the creation of moral individualism He assesses various approaches to revitalizing the social settings the social institutions and communitarian structures within which people become moral individuals capable of care about and taking responsibility for the fates of others Readers of this book are invited to draw their own conclusions by relying in larger part on themselves as parents neighbors community members and citizen participants in a civil society in restoration As the American Journal of Sociology notes the book succeeds in its goals and it deserves to be widely read Frank Hearn was professor of sociology at the State University of New York College of Cortland and the author of Reason and Freedom in Sociological Thought and The Transformation of Industrial Organization

Aquinas, Natural Law, and Social Ontology Ana Marta González,2025-07-22 This volume explores the connections between Thomas Aquinas doctrine of natural law and contemporary social thought It aims to make explicit the basic notions of Thomas Aquinas social ontology and to show how key concepts from sociology economics and political science relate to his ethics and social thought Social ontology is a growing area of contemporary social theory Scholars in this area reflect on the ontological status of society and the various realities that make up the social realm However Aquinas scholars rarely use the term social ontology instead resorting to his natural law to examine social life This volume argues that the social thought of Thomas Aquinas including his natural law theory implies a social ontology Aquinas adopts a clear position on the ontological uniqueness of human beings the intentional structure of human action and the existence of informal social relations and institutional realities that shape human society This volume shows how these views can be reconstructed into a coherent social ontology Its chapters are divided into five thematic parts Part 1 offers conceptual elements to bridge the gap between

Aguinas and contemporary social theory Part 2 considers the metaphysics and theology implicit in Aguinas social ontology Part 3 focuses on the way this ontology is at work in his account of the common good and his approach to natural law Part 4 expands this reflection to economics Finally Part 5 addresses legal and political issues such as political polarization family law and the ethics of war Aguinas Natural Law and Social Ontology will appeal to scholars and graduate students interested in the thought of Thomas Aguinas social and political philosophy contemporary social theory Catholic theology and the social **Movement Or Moment?** Patrick Claffey, Joe Egan, 2009 This collection of essays was written to mark the sciences fortieth anniversary of the Second General Conference of Latin American Bishops which convened at Medell n Colombia in 1968 Inspired by the Second Vatican Council and seeking to implement its vision the bishops viewed the occasion as a decisive one for Latin America which they saw as standing on the threshold of a new epoch in the history of our continent It appears to have been a time full of zeal for emancipation of liberation from every form of servitude of personal maturity and of collective integration Forty years later however it is appropriate to remember the event and to review the significance of liberation theology in light of all that has happened during the intervening period The colloquium at the Milltown Institute Dublin which led to this book sought to do precisely that to establish where liberation theology now stands by questioning whether it really is a significant theological and ecclesial movement or merely a moment whose time has passed and to investigate its enduring legacy Art in the Social Order Preben Mortensen, 1997-01-01 Seeks to replace the dominant approaches to the question of the nature of art in contemporary English speaking analytic philosophy with a historicist approach that emphasizes localized cultural historical narratives Virtuosity, Charisma and Social Order Ilana Friedrich-Silber, 1995-04-28 This book is a comparative macrosociological study of the interaction between religious virtuosi and society in two civilizations traditional Theravada Buddhism and Medieval Catholicism Merging Weberian sociology with the Maussian tradition of gift analysis and criticizing the neglect of meaning in current comparative historical sociology the author also argues the need for a multidimensional approach capable of addressing the part played by religious orientations in shaping the institutional strength and ideological power of religious elites in the historical framework of the Great Order and Transcendence ,2021-12-06 The Ultimate Sacrifice Clayton Fordahl, 2020-03-05 This book Traditions presents an interpretive macro historical and sociological account of martyrdom Moving away from the notion of martyrdom as an object of individual behavior and seeing it instead as a significant cultural work performed by communities in the wake of a violent death it provides a novel interpretation of Western political and religious history In addition to thus redressing the disproportionate attention given to the concept's relationship to Islam the author offers a new perspective on two defining historical processes secularization and the rise of modern sovereignty in the form of the nation state An innovative analysis of the role of sacrifice in contemporary culture which constitutes a timely critique of long dominant theories of disenchantment and the privatization of religion The Ultimate Sacrifice will appeal to sociologists and social theorists with

interests in religion politics and the connection between the two **Emile Durkheim** Stephen Turner, 2003-09-02 International scholarship over the last twenty years has produced a new understanding of Emile Durkheim as a thinker It has contributed to reassembling what for Durkheim was always a whole a sociological selection on morals and moral activism This volume presents an overview of Durkheim's thought and is representative of the best of contemporary Durkheim Religious Plurality in Africa Jacob K. Olupona, Sulayman S. Nyang, 2013-03-01 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series The Culture of Secrecy in Japanese Religion Bernhard Scheid, Mark Teeuwen, 2015-04-22 The Japanese Middle Ages were a period when forms of secrecy dominated religious practice This fascinating collection traces out the secret characteristics and practices in Japanese religion as well as analyzing the decline of religious esotericism in Japan The essays in this impressive work refer to Esoteric Buddhism as the core of Japan's culture of secrecy Esoteric Buddhism developed in almost all Buddhist countries of Asia but it was of particular importance in Japan where its impact went far beyond the borders of Buddhism also affecting Shinto as well as non religious forms of discourse The contributors focus on the impact of Esoteric Buddhism on Japanese culture and also include comparative chapters on India and China Whilst concentrating on the Japanese medieval period this book will give readers familiar with present day Japan many explanations for the still visible remnants of Japan's medieval culture of secrecy

The Oxford Handbook of the Archaeology of Ritual and Religion Timothy Insoll,2011-10-28 The Oxford Handbook of the Archaeology of Ritual and Religion provides a comprehensive overview by period and region of the relevant archaeological material in relation to theory methodology definition and practice Although as the title indicates the focus is upon archaeological investigations of ritual and religion by necessity ideas and evidence from other disciplines are also included among them anthropology ethnography religious studies and history The Handbook covers a global span Africa Asia Australasia Europe and the Americas and reaches from the earliest prehistory the Lower and Middle Palaeolithic to modern times In addition chapters focus upon relevant themes ranging from landscape to death from taboo to water from gender to rites of passage from ritual to fasting and feasting Written by over sixty specialists renowned in their respective fields the Handbook presents the very best in current scholarship and will serve both as a comprehensive introduction to its subject and as a stimulus to further research

The Moral Neoliberal Andrea Muehlebach, 2012-05-25 Morality is often imagined to be at odds with capitalism and its focus on the bottom line but in The Moral Neoliberal morality is shown as the opposite

an indispensible tool for capitalist transformation Set within the shifting landscape of neoliberal welfare reform in the Lombardy region of Italy Andrea Muehlebach tracks the phenomenal rise of voluntarism in the wake of the state s withdrawal of social service programs Using anthropological tools she shows how socialist volunteers are interpreting their unwaged labor as an expression of social solidarity with Catholic volunteers thinking of theirs as an expression of charity and love Such interpretations pave the way for a mass mobilization of an ethical citizenry that is put to work by the state Visiting several sites across the region from Milanese high schools to the offices of state social workers to the homes of the needy Muehlebach mounts a powerful argument that the neoliberal state nurtures selflessness in order to cement some of its most controversial reforms At the same time she also shows how the insertion of such an anticapitalist narrative into the heart of neoliberalization can have unintended consequences

If you ally habit such a referred **Sacralization Of A Social Order** books that will have the funds for you worth, get the definitely best seller from us currently from several preferred authors. Sacralization Of A Social Order Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sacralization Of A Social Order PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sacralization Of A Social Order PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sacralization Of A Social Order free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
