journey both deeply personal and strikingly universal One of Israel's leading cultural figures Dov Elbaum grew up in an ultra Orthodox Jerusalem family and was a prodigy who seemed destined for greatness in the world of Talmud study But in his late teens he abruptly broke away and set off into secular Israeli society In this fascinating courageous and compelling autobiography Elbaum seeks to understand his decision and its consequences With the structure of Kabbalah as his road map Elbaum journeys into the deep recesses of his self and his soul The ultimate goal of his journey is the Void a Kabbalistic space that precedes God's creation of the world and a psychological state that precedes our formation as individuals It is a space of great vulnerability but also of hope for rebirth and renewal This is an intimate honest revealing work both deeply personal and strikingly universal The Hebrew edition was a bestseller and sold over 50 000 copies **Society and the Holy in Late Antiquity** Peter Brown,1989-10-25 With the blend of art and learning that is the hallmark of his work Peter Brown here examines how the sacred impinged upon the profane during the first Christian millennium *Contemplative Prayer* David Foster,2015-05-07 A study of contemplative prayer in the context of contemporary discussions of religious experience and mysticism David Foster author of the bestselling *Reading with God* and *Deep Calls to Deep* Bloomsbury extends their discussion of contemplative prayer in terms of its philosophical framework Contrasting a traditional framework with one based on continental philosophy Foster explores a number of metaphysical and epistemological questions as well as the place of silence in a philosophy of language He defends traditional insights of the mystical tradition including its underlying metaphysical realism religious experience as awareness of God and the role of apophatic discourse in mysticism arguing that the sense of God's absence can be a threshold of prayer *Thorns and Thistles* Mark A. Escobar,2013-05 With the onslaught of reflections and other biblical materials available online I have thought it best to welcome the challenge of putting into writing my homilies for each Sunday celebration Hence as a form of sharing these written homilies are meant to help us appreciate our sense of discipleship Like the seemingly endless footsteps of Christ in our lives the gift of the Spirit leads us to be united in one faith that captures the sense of transformation as implied in gospel reflections It is like a personal diary that attempts to lift the weight of Christ's message within the richness of human experiences As discipleship demands new perspectives and priorities these homilies articulate relationships in a variety of settings images and lifestyles of being in the world with others Though they help us understand the presence of God in our lives living with our own mystery and spirituality becomes like a dependable compass that is always there to guide us It is our road map as we walk by faith and not by sight alone Jesus' life teaching and ministry in a particular place time and culture have great significance to our journey as far as our mission is concerned He identifies himself with the people across cultures and he enters into solidarity with those in need God Is Not a Boy's Name Lyn Brakeman,2016-03-02 Lyn Brakeman was among the first women to enter the ordination process in the Episcopal Church just after the General Convention voted in 1976 that women could be priests The bishop of her diocese had voted against ordaining women priests and hospitality towards female aspirants was

guarded at best So why would a forty year old institutional naif suburban housewife and mother of four enter such unfriendly territory to seek priestly ordination at a time when her personal life was in chaos Things would have been easier had she been a man and had she not read Betty Friedan not been headed for divorce and not engaged in sins beginning with a How did she manage to stay this course Brakeman offers no easy answers but tackles difficult issues addiction death and grief divorce the nature of priesthood church politics Christian feminism and Jesus the Christ with candor Her story is held together by her spiritual connection to the voice of God from within and her growing conviction that the nature of divinity is gender free hence theological language in sanctuary and classroom must reflect this truth in a balanced way **Honey from the Rock** Lawrence Kushner,2000 Quite simply the easiest introduction to Jewish mysticism you can read An insightful and absorbing introduction to the ten gates of Jewish mysticism and how it applies to daily life Redeeming Our Sacred Story Mary C. Boys,2013 Stories of Jesus passion and death lie at the core of Christian identity They offer an encounter with his experience of the human condition betrayals by those closest to him his own fear of death uncertainty about God s will and the endurance of terrible suffering and an ignominious death From generation to generation these stories have functioned in sacred and saving ways for Christians Yet misinterpretations of the passion narratives have rationalized hostility to and violence against Jews as Christ killers This sacrilegious telling cries out for redemption Redeeming Christianity s sacred story requires respect even awe for its power demands rigorous examination of the history between Jews and Christians and the ethical obligation to be altered by this history and entails pursuing solid biblical scholarship principles for reinterpreting troubling texts and incorporation into Christian spirituality Redeeming Our Sacred Story challenges us to forge more just relations between Jews and Christians It witnesses to the world that reconciliation is possible Back cover *The Living Church* ,1998 *A View of Some Divine Truths, which are Either Practically Exemplified in Jesus Christ, Set Forth in the Gospel, Or May be Reasonably Deduced from Thence ... Reprinted from the Edition of 1678* Edward Polhill,1844 **Christ the Ideal of the Monk** Columba Marmion,1926 **Precious Faith Considered in Its Nature, Working, and Growth** Edward Polhill,1849 **Realizing Our Deepest Desires** Bernie Owens,2022-04-01 From his Jesuit background Bernie Owens has written a twenty first century version of Teresa of Avila s sixteenth century classic *The Interior Castle* He writes in an experiential easy to read style with numerous contemporary stories taken from North American and African cultures to illustrate the seven stages of spiritual growth Teresa describes His book is a map for those seeking guidance on how to grow into praying and living contemplatively and dispose themselves for entering the deeper stages of the spiritual journey Finally he names issues that frequently emerge during the spiritual journey describes the way for becoming a Beloved Disciple of Jesus as a proven path for living intimately with Christ and the Triune God and lastly presents the kind of God Teresa knew and fiercely loved **Emotions and Spirituality in Religions and Spiritual Movements** Erika Wilson,2012-07-23 Applying recent psychological and neuropsychological studies of emotions Erika

Wilson explores the role of emotions in major Eastern Western and primal religions as well as in some contemporary spiritual movements The book tries to answer the following questions What kinds of emotions and spiritual experiences arise in individuals and groups during prayer conversions rituals meditations and other spiritual practices Which positive emotions are valued most in a particular religion or spiritual movement How do these attitudes relate to their respective historical context And finally how does each religious or spiritual teaching recommend handling negative emotions
