Space Oddities Stefan L. Brandt, Michael Fuchs, 2018 Space Oddities Difference and Identity in the American City approaches a space and place central to the American imagination the city In particular this volume discusses the paradoxes of American cities and American urban life In this way the book critically engages with the paradoxes of the American identity embodied by cultural practices in and cultural representations of urban life in the United States Series American Studies in Austria Vol 16 Subject Sociology American Studies Cultural Studies Urban Studies **Created Equal** Michael Nava, Robert Dawidoff, 1994 The authors argue that the movement for gay equality is central to the continuing defense of individual liberty Dawidoff and Nava emphasize that what is at stake is not the fate of the gay community but the future of constitutional principle and the rights of free individuals in American society American Jewish Fiction Josh Lambert, 2010-01-01 This new volume in the JPS Guides series is a fiction reader s dream a guide to 125 remarkable works of fiction The selection includes a wide range of classic American Jewish novels and story collections from 1867 to the present selected by the author in consultation with a panel of literary scholars and book industry professionals Roth Mailer Kellerman Chabon Ozick Heller and dozens of other celebrated writers are here with their most notable works Each entry includes a book summary with historical context and background on the author Suggestions for further reading point to other books that match readers interests and favorite writers And the introduction is a fascinating exploration of the history of and important themes in American Jewish Fiction illustrating how Jewish writing in the U S has been in constant dialogue with popular entertainment and intellectual life Included in this guide are lists of book award winners recommended anthologies title author and subject indexes and more **Intimate Companions** David Leddick, 2015-11-24 Leddick makes a strong case for why his subjects remain vital and important American artists Publishers Weekly Photographer George Platt Lynes painter Paul Cadmus and critic Lincoln Kirstein played a major role in creating the institutions of the American art world from the late 1920s to the early 1950s. The three created a remarkable world of gay aesthetics and desire in art with the help of their overlapping circle of friends lovers and collaborators Through hours of conversation with surviving members of their circle and unprecedented access to papers journals and previously unreleased photos David Leddick has resurrected the influences of this now vanished art world along with the lives and loves of all three artists in this groundbreaking biography

Out of the Ordinary Noelle Howey, Ellen Samuels, 2000-08-10 Out of the Ordinary is a groundbreaking collection of essays by teen and adult children of gay lesbian bisexual and transgender parents. The essays range from humorous to poignant and provide insight into numerous topics on dealing with a parent's sexuality while figuring out one's own 100.

photos AIDS and American Apocalypticism Thomas Lawrence Long, 2012-02-01 Since public discourse about AIDS began in 1981 it has characterized AIDS as an apocalyptic plague a punishment for sin and a sign of the end of the world Christian fundamentalists had already configured the gay male population most visibly affected by AIDS as apocalyptic signifiers or signs of the end times Their discourse grew out of a centuries old American apocalypticism that included images of crisis destruction and ultimate renewal In this book Thomas L Long examines the ways in which gay and AIDS activists artists writers scientists and journalists appropriated this apocalyptic rhetoric in order to mobilize attention to the medical crisis prevent the spread of the disease and treat the HIV infected Using the analytical tools of literary analysis cultural studies performance theory and social semiotics AIDS and American Apocalypticism examines many kinds of discourse including fiction drama performance art demonstration graphics and brochures biomedical publications and journalism and shows that while initially useful the effects of apocalyptic rhetoric in the long term are dangerous Among the important figures in AIDS activism and the arts discussed are David Drake Tim Miller Sarah Schulman and Tony Kushner as well as the organizations ACT UP and Lesbian Avengers The Venice Adriana Ethan Mordden, 1999-08-20 An American writer sent to Venice to do the autobiography of a famous Greek American opera singer's scandalous life discovers instead his own My Fathers Scar Michael Cart, 1998-02-15 As he enters his first gay relationship Andy recalls key passions men and music incidents in his life Gay Widowers Michael Shernoff, 2013-10-18 A recent gay widower may find that once the shock and initial confusion of losing his partner is overcome there are still many hard lonely and overwhelming stages of grief to be worked through Often the bereaved feels isolated and looking around for comfort realizes that he doesn't have many resources to turn to but Gay Widowers Life After the Death of a Partner is a start By offering first person accounts of becoming a widower this book the first of its kind allows others who are about to lose or already have lost a partner to find support validation recognition and fellowship Its editor and contributors hope that by sharing their stories of loss pain and bewilderment they will help others in mourning as well as make one more step forward in their own healing Men of different ages and ethnic religious geographic and economic backgrounds join together in Gay Widowers to remind other gay widowers that they are not alone and that their feelings of pain anger and emptiness are normal and legitimate Not solely a book about life after the loss of a partner to AIDS this book is about rebuilding life as a bereaved gay man regardless of the cause of your partner's death You will find encouragement for moving your life forward without shutting your memories away as you read about how homophobia can complicate a gay widower's grieving and mourning handling financial and legal matters before and after death specific mental health issues of gay widowers dating again similarities among gay widowers responses to their partners deaths making time for your feelings rather than avoiding them finding love after or during bereavement trauma theory s applications to gay widowers By bringing forth these stories Gay Widowers offers bereaved gay men psychologists counselors and social workers in a society where the mourning process is generally a heterosexual social

construct a clinical overview of the psychodynamic issues relevant and perhaps unique to the mourning process of gay men Walt Whitman, 2013-10-08 A fully unexpurgated collection that restores the sexual vitality and subversive flair suppressed by Whitman himself in later editions of Leaves of Grass A century after his death Whitman is still celebrated as America's greatest poet In this startling new edition of his work Whitman biographer Gary Schmidgall presents over 200 poems in their original pristing form in the chronological order in which they were written with Whitman's original punctuation Included in this volume are facsimiles of Whitman's original manuscripts contemporary and generally blistering reviews of Whitman's poetry not surprisingly Henry James hated it and early pre Leaves of Grass poems that return us to the physical Whitman rejoicing sometimes graphically in homoerotic love Unlike the many other available editions all drawn from the final authorized or deathbed Leaves of Grass this collection focuses on the exuberant poems Whitman wrote during the creative and sexual prime of his life roughly between 1853 and 1860 These poems are faithfully presented as Whitman first gave them to the world fearless explicit and uncompromised before he transformed himself into America's respectable mainstream Good Gray Poet through 30 years of revision self censorship and suppression Whitman admitted that his later poetry lacked the ecstasy of statement of his early verse Revealing that ecstasy for the first time this edition makes possible a major reappraisal of our nation first great poet Call Me P-P Hartnett, 2014-09-23 Call Me by P P Hartnett When Liam decides to begin answering the personal ads of London's gay papers he is at first bemused and fascinated After all it is simply a way to entertain himself and pass the time What Liam doesn t bargain for however is his growing reliance on the ads and the men who answer them What at first was a form of distraction is quickly becoming an obsession and Liam is discovering just who finds him so alluring The Necessary Hunger Nina Revoyr,1998-03-15 Basketball player Nancy Takahiro s life changes as her father and the mother of the All State shooting guard move in together Rivalry becomes intense friendship as the girls prepare to leave their inner city neighborhood to face future that is no longer easily defined Glove Puppet Neal Drinnan, 1999-10-12 Vaslav is a boy with a sordid past and tenuous future Born Johnny to a drug addicted prostitute Johnny becomes Vaslav when at age seven his mother dies of a drug overdose and a passing stranger befriends him and brings him to Australia to pass as his own recently deceased son As Vaslav he lives a comfortable life as the well loved son of a prominent gay man but when he becomes a teenager he realizes that Johnny still lurks inside him With the seeds of his own destruction sown deep within Vaslav initiates a forbidden love affair one that threatens to destroy him and all that he loves Glove Puppet is a brilliant novel where love and transgression sex and manipulation collapse upon each other and where the The Violet Hour David Bergman, 2004 The members of the literary circle known as best intentions yield the worst results the Violet Quill Andrew Holleran Felice Picano Edmund White Christopher Cox Michael Grumley Robert Ferro and George Whitmore collectively represent the aspirations and the achievement of gay writing during and after the gay liberation movement David Bergman's social history shows how the works of these authors reflected advanced and criticized the values

principles and prejudices of the culture of gay liberation In spinning many of the most important stories gay men told of themselves in the short period between the 1969 Stonewall Riots and the devastation of the AIDS epidemic during the 1980s the Violet Quill exerted an enormous influence on gay culture The death toll of the AIDS epidemic including four of the Violet Quill s seven members has made putting such recent events into a historical context all the more important and difficult The work of the Violet Quill expresses the joy suffering grief hope activism and caregiving of their generation The Violet Hour meets the urgent need for a history of the men who bore witness not only to the birth but also to the decimation of a culture

Jewish Life and American Culture Sylvia Barack Fishman, 2012-02-01 Jews in the United States are uniquely American in their connections to Jewish religion and ethnicity Sylvia Barack Fishman in her groundbreaking book Jewish Life and American Culture shows that contemporary Jews have created a hybrid new form of Judaism merging American values and behaviors with those from historical Jewish traditions Fishman introduces a new concept called coalescence an adaptation technique through which Jews merge American and Jewish elements Analyzing the increasingly permeable boundaries in the ethnic identity construction of Jewish and non Jewish Americans she suggests that during the process of coalescence Jews combine the texts of American and Jewish cultures losing track of their dissonance and perceiving them as a unified Jewish whole The author generates data from diverse sources in the social sciences and humanities including the 1990 National Jewish Population Survey and other statistical studies interviews and focus groups popular and material culture literature and film to demonstrate the pervasiveness of coalescence The book pays special attention to gender issues and the relationship of women to their Jewish and American identities A blend of lively narrative and scholarly detail this book includes useful tables accessible figures and models and fascinating illustrations which present the educational occupational and behavioral patterns of American Jews organizational profiles family formation religious observance and the impact of Lavender Mansions Irene Zahava, 2019-03-11 George Stambolian Terri de la Pe a Audre Lorde Paul **Tewish education** Monette Edmund White and Jaime Manrique are just six of the writers represented in this collection of forty contemporary lesbian and gay short stories Gathered together for the first time in one volume are writings by both lesbians and gay men who represent a multiplicity of ethnic and racial backgrounds Irene Zahava has compiled a unique and necessary collection selecting stories for their artistic power and for their treatment of topics that are significant in lesbian and gay life and politics today An alternative thematic table of contents allows the reader to understand lesbian and gay life according to its most culturally and politically significant themes childhood growing up coming out finding community families oppression resistance bisexuality relationships friendships AIDS and aging dying Everybody Loves You Ethan Mordden, 2016-06-28 A gay ghost a talking dog and a street kid who thinks he s an elf child join our narrator Bud best friend Dennis Savage eternally young Little Kiwi devastating hunk Carlo and the other characters from I ve a Feeling We re Not in Kansas Anymore and Buddies in this final volume in Mordden's trilogy on gay life in the big city And there's trouble in paradise Dennis Savage is

suffering midlife crisisl his lover little Kiwi who uses sex as a weapon threatens to tear apart the delicate fabric of this gay family of buddies lovers and brothers and the AIDS crisis may bring an end to this whole world An Arrow's Flight Mark Merlis, 1999-09-24 In this tour de force the author of the award winning American Studies tells the story of the Trojan War and Pyrrhus the son of the fallen Achilles now working as a go go boy and hustler in the big city **AIDS Narratives Steven** F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual s bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it

Sacred Lips Of The Bronx Introduction

In todays digital age, the availability of Sacred Lips Of The Bronx books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sacred Lips Of The Bronx books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sacred Lips Of The Bronx books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sacred Lips Of The Bronx versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sacred Lips Of The Bronx books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sacred Lips Of The Bronx books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sacred Lips Of The Bronx books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of

Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sacred Lips Of The Bronx books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
