Hall Young, 2014-08-04 IN the summer of 1879 I was stationed at Fort Wrangell in southeastern Alaska very green and very fresh to do what I could towards establishing the white man s civilization among the Thlinget Indians I had very many things to learn and many more to unlearn Thither came by the monthly mail steamboat in July to aid and counsel me in my work three men of national reputation Dr Henry Kendall of New York Dr Aaron L Lindsley of Portland Oregon and Dr Sheldon Jackson of Denver and the West Standing a little apart from them as the steamboat drew to the dock his peering blue eyes already eagerly scanning the islands and mountains was a lean sinewy man of forty with waving reddish brown hair and beard and shoulders slightly stooped He wore a Scotch cap and a long gray tweed ulster which I have always since associated with him and which seemed the same garment unsoiled and unchanged that he wore later on his northern trips He was introduced as Professor Muir the Naturalist John of the Mountains John Muir, 1979 John Muir America s pioneer conservationist and father of the national park system was a man of considerable literary talent As he explored the wilderness of the western part of the United States for decades he carried notebooks with him narrating his wanderings describing what he saw and recording his scientific researches This reprint of his journals edited by Linnie Marsh Wolfe in 1938 and long out of print offers an intimate picture of Muir and his activities during a long and productive period of his life The sixty extant journals and numerous notes in this volume were written from 1867 to 1911 They start seven years after the time covered in The Story of My Boyhood and Youth Muir s uncompleted autobiography The earlier journals capture the essence of the Sierra Nevada and Alaska landscapes The changing appearance of the Sierras from Sequoia north and beyond the Yosemite enthralled Muir and the first four years of the journals reveal his dominating concern with glacial action The later notebooks reflect his changes over the years showing a mellowing of spirit and a deep concern for human rights Like all his writings the journals concentrate on his observations in the wilderness His devotion to his family his many warm friendships and his many sided public life are hardly mentioned Very little is said about the quarter century battle for national parks and forest reserves The notebooks record in language fuller and freer than his more formal writings the depth of his love and transcendental feeling for the wilderness The rich heritage of his native Scotland and the unconscious music of the poetry of Burns Milton and the King James Bible permeate the language of his poetic fancy In his later life Muir attempted to sort out these journals and at the request of friends published a few extracts A year after his death in 1914 his literary executor and biographer William Frederick Bad also published episodes from the journals Linnie Marsh Wolfe set out to salvage the best of his writings still left unpublished in 1938 and has thus added to our understanding of the life and thought of a complex and fascinating American figure Call of the Mountains Ann Olander, Farley Olander, 2005 Although Southern California s mountain ranges are only partially wilderness

they bring wonder into our daily lives even from a distance I wrote this book to remind us of this wonder to champion the mountains beauty and inspire their protection In addition I wrote this book for people around the world to know a seldom heralded dimension of Southern California Several years ago I couldn t find such a book to show Swiss friends Also I ve always wanted to show our mountains beauty to friends and relatives across the country to come and visit them vicariously Call of the Mountains is for you who can t get to the mountains but glimpse them from afar and feel their wonder Last I wrote this book for you who already know these streams canyons and peaks For you the following pages will jog memories of special places and occasions that are yours alone My Story and the stories of people I met takes us along trails to historic areas sparkling waterfalls pristine meadows and the highest peaks John Muir Sally M. Summer in the Sierra, Picturesque California, The Mountains of California, The Yosemite & Our National Parks (Illustrated) John Muir, 2024-01-09 In John Muir's California Collection readers are invited into the majestic landscapes of California through Muir's evocative prose and keen observations. This compilation features his seminal works including *My First Summer in the Sierra* where Muir meticulously describes his transformative experiences in the Sierra Nevada. His lyrical style, often interspersed with rich illustrations, reflects the Romantic literary tradition, emphasizing nature's beauty and spiritual significance. Muir's writing is not only a celebration of the natural world but also a call to conserve it, providing critical insights into the environmental ethos emerging in 19th-century America. John Muir, a Scottish American naturalist and advocate for the preservation of wilderness, became a pivotal figure in the environmental movement. Growing up in the rugged landscapes of Scotland instilled in him a deep appreciation for nature. His experiences in California catalyzed his mission to promote the preservation of its natural wonders, leading to the establishment of national parks. This collection showcases Muir's profound relationship with the land, reflecting his belief that nature is essential for the human spirit. This anthology is a vital read for anyone interested in environmentalism, literary nature writing, or the history of American conservation. Muir's poetic exploration of California's diverse landscapes not only captures their beauty but also serves as a poignant reminder of the necessity to protect them for future generations.

John Muir's Incredible Travel Memoirs: A Thousand-Mile Walk to the Gulf, My First Summer in the Sierra, The Mountains of California, Travels in Alaska, Steep Trails... (Illustrated) John Muir, 2024-01-09 In John Muir's *Incredible Travel Memoirs*, readers embark on an evocative journey through the natural landscapes of America as revealed by one of its most revered naturalists. This compilation features Muir's eloquent and vivid prose, characterized by rich descriptions and acute observations that encapsulate the splendor of the wilderness. Spanning his extensive travels from the Sierra Nevada to the rugged terrains of Alaska, the book situates Muir's reflections within the context of late 19th-century American environmentalism, revealing both the beauty of nature and its fragility amid industrial expansion. John Muir (1838-1914), known as the Father of the National Parks, has been a pivotal figure in American environmentalism. His experiences both as an immigrant and a naturalist deeply influenced his writing and his advocacy for wilderness preservation. Muir's life was marked by a strong interplay between scientific curiosity and spiritual reverence for nature, which he portrays masterfully in these memoirs, capturing the essence of his lifelong commitment to exploring and protecting the natural world. This collection is a must-read for anyone interested in nature writing, environmental advocacy, or the history of America's wilderness. Muir's insights are as relevant today as they were over a century ago, encouraging readers to reconnect with the outdoors and consider their role in its stewardship.
