Peterson,2012 What were the possibilities and limits of vision in the early modern world Drawing upon experiences forged in Europe Asia Africa and the Americas Seeing Across Cultures shows how distinctive ways of habituating the eyes in the early modern period had profound implications in the realm of politics daily practice and the imaginary Beyond their interest in visual culture the essays here expand our understanding of transcultural encounters and the history of vision **Refuge in Crestone** Aaron Thomas Raverty,2014-06-18 As globalization proceeds at an ever increasing and more unrelenting pace relations among the world s religions are taking on both a new visibility and a new urgency Christian theologians and others intent on innovative formulations in the theology of religions are making interreligious dialogue with non Christians a priority One way to promote creative scholarship in this quest is to tap into interdisciplinary resources and the author of this volume is uniquely qualified to do so since he holds graduate degrees in both theology and cultural anthropology Aaron Thomas Raverty s Refuge in Crestone A Sanctuary for Interreligious Dialogue elucidates how the praxis of interreligious dialogue as outlined in key Vatican documents in the Catholic Church could be better served by attending to the qualitative ethnographic methods of sociocultural anthropology Because the material behavioral and cognitive aspects of dialogue as revealed in daily

life common social and political action religious experience and theological exchange are embedded in culture they are amenable to ethnographic analysis Using the unique multi religious Colorado site of Crestone and its environs as a fieldwork laboratory and self described Refuge for World Truths the ethnographic data gleaned from this project exemplify the creative interdisciplinary contributions of anthropology to theologizing It seeks to demonstrate using an empirical multi religious community as its focus how anthropology can support interreligious dialogue The results of such dialogue could not only assist the scholarly community by helping theologians arrive at new formulations in the burgeoning area of the theology of religions but might also serve the more practical goal of promoting peace as an alternative to violence in today s complex and sorely troubled world

Seven Sins for a Life Worth Living Roger Housden, 2005-12-06 Conventional wisdom says Roger Housden tells us that nobody goes to heaven for having a good time Seven Sins for a Life Worth Living then is a refreshing liberating and decidedly welcome dose of unconventional wisdom that awakens us to the simple delights and transformative joys of the world around us With elegance gentle humor and remarkable openness Housden takes us along as he recalls his personal journey toward an appreciation of what he calls the Seven Pleasures The Pleasure of All Five Senses The Pleasure of Being Foolish The Pleasure of Not Knowing The Pleasure of Not Being Perfect The Pleasure of Doing Nothing Useful The Pleasure of Being Ordinary and The Pleasure of Coming Home Housden writes for instance of submitting to the ultimate folly of falling in love of celebrating our imperfections of coming to understand the virtues of the Slow Food movement while enjoying an all afternoon lunch in a small French village and of discovering in a Saharan cave that however extraordinary our surroundings we are human a glorious nothing much to speak of and learning to be at peace with the notion Such pleasures may be suspect in today s achievement driven tightly scheduled relent lessly self improving conspicuously consumptive culture but surely the greater sin lies in letting them slip away moment by precious moment The purpose of this book says Housden is to inspire you to lighten up and fall in love with the world and all that is in it Reading it is a pleasure indeed When you die God and the angels will hold you accountable for all the pleasures you were allowed in life that you denied yourself Roger Housden author of the bestselling Ten Poems series presents a joyously affirmative warmly personal and spiritually illuminating meditation on the virtues of opening ourselves up to pleasures like being foolish not being perfect and doing nothing useful the pleasure of not knowing and even would you believe it the pleasure of being ordinary

Tourism and Embodiment Catherine Palmer, Hazel Andrews, 2019-07-23 The role

of the body and the concept of embodiment have largely been neglected in anthropological studies of tourism This book explores the notion of the tourist body and develops understanding of how touristic practice is embodied practice not only for tourists but also for those who work in tourism This book provides a more holistic understanding of the role of the body in making and re making self and world by engaging with tourism This collection brings together scholars whose work intersects with the anthropology of tourism who each draw upon ethnographically informed research based on international case studies that include India Turkey Australia and Tasmania Denmark the United States Nepal France Italy South Africa and Spain The case studies focus on a variety of themes including human and nonhuman bodies The range of case studies gives the book an international appeal that makes it valuable to academic researchers and students in the disciplines of social anthropology cultural geography sociology philosophy and the field of tourism studies itself

Domestic Tourism in Asia Shalini Singh,2009 Many countries have a rich tradition of domestic travel and holidaying which not only predates but exceeds mass international travel This is particularly the case in Asia where recent economic prosperity and trends in globalization have not merely spurred but continue to shape traditions in domestic tourism This book is the first to address specifically the continuities and changes in domestic tourism in Asia It explores the ethos of domestic travel and holiday making in order to understand the distinctive common strands that underlie conventional and contemporary tourism practices against the local and global backdrop A considerable range of countries is covered in the case studies including those with patrimonial histories namely China and India the economically developed nation state of Japan and the microstates of Taiwan Singapore Macao and Hong Kong besides the coastal countries of Malaysia Philippines Laos and Vietnam as well as the land locked countries of Kyrgyzstan and Mongolia The book presents some of the many interfaces of Asian cultural and natural heritages with tourism while giving due considerations to today s political and economic realities

Religious Tourism and Pilgrimage Management, 2nd Edition Razaq Raj, Kevin A Griffin,2015-09-24 Within the past 10 years Religious Tourism has seen both economic and education sector growth on a global scale This book addresses the central role of religious tourism and interrelationships with other aspects of pilgrimage management It provides practical applications models and illustrations and looks at secular and sacred spaces on a global stage The second edition sees the introduction of a new structure and the addition of new international case studies It is an invaluable reference for academics students and practitioners and is a timely text on the future of faith based tourism and pilgrimage

Intersecting Journeys Ellen Badone, Sharon R. Roseman,2010-10-01 The appeal of sacred sites remains undiminished at the start of the twenty first century as unprecedented numbers of visitors travel to Lourdes Rome Jerusalem Santiago de Compostela and even Star Trek conventions Ethnographic analysis of the conflicts over resources and meanings associated with such sites as well as the sense of community they inspire provides compelling evidence re emphasizing the links between pilgrimage and tourism As the papers in this collection demonstrate studies of these forms of journeying are at the forefront of postmodern

debates about movement and centers global flows social identities and the negotiation of meanings *The Routledge Handbook of Religious and Spiritual Tourism* Daniel H. Olsen, Dallen J. Timothy, 2021-07-29 The Routledge Handbook of Religious and Spiritual Tourism provides a robust and comprehensive state of the art review of the literature in this growing sub field of tourism This handbook is split into five distinct sections The first section covers past and present debates regarding definitions theories and concepts related to religious and spiritual tourism Subsequent sections focus on the supply and demand aspects of religious and spiritual tourism markets and examine issues related to the management side of these markets around the world Areas under examination include religious theme parks the UNESCO branding of religious heritage gender and performance popular culture pilgrimage environmental impacts and fear and terrorism among many others The final section explores emerging and future directions in religious and spiritual tourism and proposes an agenda for further research Interdisciplinary in coverage and international in scope through its authorship and content this will be essential reading for all students researchers and academics interested in Tourism Religion Cultural Studies and Heritage Studies New Every Morning D. Gordon Rohman, 2012-02-14 In this autobiography D Gordon Rohman a child of the Thirties brings to life in loving detail the world of the small town in which he grew up He begins his story when he was age three with a mysterious kairos moment in which he was awakened to himself by his mothers singing Ever since he has cherished the intuition that he has been on a sacred journey touched by God and renewed every morning as he awakened to ever larger life Raised a Baptist his faith journey led him to seek God in the self when he discovered Emerson and Thoreau in college In his 50s he was awakened to a breathtaking cosmic vision of God and Christianity by the works of C S Lewis The author fills his journey with stories of the many families who he says made me possible I built my life on the rock of two families he writes the one I was born into and the one my wife Pam and I created in which we raised seven children But I have been nurtured by many other families of my hometown of ancestors of in laws of comradeship of vocation of avocation and of faith My story the author writes runs like a two way street filled with the traffic of active and passive verbs giving and being given serving and being served helping and being helped teaching and being taught loving and being loved Readers of this heartfelt and insightful autobiography will discover one mans road to Heaven filled with love of ideas friends work soul mates stories families and God *Pilgrims* Darius Liutikas, 2020-11-20 Values rich journeys can be described as pilgrimage spiritual travel personal heritage tourism holistic tourism and valuistic journeys There are many motivations for undertaking these journeys the most important being personal values life experience personal and social identity lifestyle social and cultural influence This book presents contributions that address pilgrim motivation identity and values as they are shaped by the broader sociological psychological cultural and environmental perspectives The focus of the book is the travellers themselves and their inner world through the lens of their pilgrimage The research presented focuses on the typology of pilgrim journeys as ways in which identity and values are presented to a post modern consumer society providing interesting

and challenging perspectives on the identity of pilgrims in the 21st century **Contemporary Muslim Travel Cultures** C. Michael Hall, Siamak Seyfi, S. Mostafa Rasoolimanesh, 2022-07-26 This timely volume brings together various issues in Muslim consumer cultures and provides a comprehensive account of Muslim tourism and tourist behaviour Islam is a major international religion and Muslims are a majority of the population in many countries in Asia the Middle East and North Africa The growth of a substantial middle class the development of Islamic consumer cultures rising Muslim market consumption in non Muslim majority destinations and the growing significance of intra Muslim traffic and rising outbound tourism expenditure in emerging Muslim markets have all contributed to substantial interest in Muslim tourism However travel by Muslims is about far more than the Hajj and Umrah as important as they are as acts of devotion Instead although often portrayed in the West as a monolithic religion Muslim travel and leisure behaviour is very diverse with different traditions and cultures leading to a range of expressions of tourism related consumption culture and practices Drawing on a range of empirical studies undertaken in different social and economic contexts and countries this book provides a well balanced portrayal of the Muslim tourism experience and practices This book makes a substantial contribution to an improved understanding of Muslim travel culture and will be required reading for anyone interested in this fast growing market
