Forthcoming Books Rose Arny,2002-04 *Parabola* ,1982 **The Way Into Jewish Mystical Tradition** Rabbi Lawrence A. Hoffman, PhD,2011-10-29 An accessible introduction to the concepts of Jewish mysticism their religious and spiritual significance and how they relate to our lives The Way Into Jewish Mystical Tradition allows us to experience and understand mysticism s inexpressible reverence before the awe and mystery of creation and celebrate this rich tradition s quest to transform our ordinary reality into holiness **Awakening to Kabbalah** Michael Laitman,2006-01-01 An awe filled introduction to an ancient wisdom tradition Provides you with a deeper understanding of the fundamental teachings of Kaballah and how you can use this wisdom the clarify your relationship with others and the world around you *The JGirls Guide* Penina Adelman, Ali Feldman, Dr. Shulamit Reinharz,2005-03-01 The Essential Survival Manual for Growing Up Jewish What does it mean to become a Jewish woman Did you ever think that Judaism had any advice on how to deal with pressure from your friends Arguing with your parents Feeling stressed out Well this book shows you that Judaism can help you deal with all these things and a whole lot more The JGirl s Guide is a first of its kind book of practical real world advice using Judaism as a compass for the journey through adolescence A fun survival guide for coming of age it explores the wisdom and experiences of rabbis athletes writers scholars musicians and great Jewish thinkers as well as lots of girls just like you girls who share your worries and concerns and your joys Here s a place to turn to for honest helpful discussion about the things that really matter to you Friendship Eating Health Sexuality Getting involved Dealing with authority Coping with stress Self esteem Communication Jewish Identity Now s the time when you are thinking Who am I What do I believe in Who will I become The JGirl s Guide provides Jewish writings traditions and advice that can help Jewish Spiritual Direction Rabbi Howard A. Addison, Barbara Eve Breitman,2011-10-06 The first comprehensive resource for spiritual direction in the Jewish tradition a vital resource for people involved in spiritual leadership The essential reference for people who are called to help others listen for God s voice not only through prayer and sacred texts but also through dance art and interactions with other people this groundbreaking volume draws on both Jewish tradition and the classical foundations of spiritual direction to provide invaluable guidance Offering insight into all aspects of spiritual direction including theology practice companionship group work and embodied spirituality the contributors to this guide are innovators in their fields and represent all four contemporary Jewish movements Topics explored include Jewish Theologies and Jewish Spiritual Direction The Vocabulary of Jewish Spiritual Direction Spiritual Direction as a Contemplative Practice Contemplation and Social Action Cultivating a Hearing Heart Spiritual Types Community for Spiritual Direction Spiritual Direction and the Cycle of Holy Time Spiritual Companionship and the Passages of Life Jewish Spiritual Direction and the Sacred Body Integrating Spiritual Direction and Visual Creativity and many more An exciting and practical addition to an emerging field this is the definitive guide for all who accompany Jewish seekers on their spiritual journeys **Judaism, Physics and God** Rabbi David W. Nelson,

PhD,2011-11-22 Hear the Voices of Ancient Wisdom in the Modern Language of Science Ancient traditions whose only claim to authenticity is that they are old run the risk of becoming old fashioned But if an ancient tradition can claim to be not only ancient but also timeless and contemporary it has a far greater chance of convincing each new young generation of its value Such a claim requires that each generation s retelling use the new metaphors of the new generation from Chapter 1 In our era we often feel that we can either speak about God or think scientifically about the world but never both at the same time But what if we reconciled the two How could the basic scientific truths of how the natural world came to be shape our understanding of our own spiritual search for meaning In this provocative fusion of religion and science Rabbi David Nelson examines the great theories of modern physics to find new ways for contemporary people to express their spiritual beliefs and thoughts Nelson explores cosmology quantum mechanics chaos theory relativity and string theory in clear non technical terms and recasts the traditional views of our ancestors in language that can be understood in a world in which space flight atom smashing and black holes are common features of our metaphorical landscape Judaism Physics and God reframes Judaism so that it is in harmony with the conquests of modern scientific thinking and introduces fascinating new ways to understand your relationship with God in context of some of the most exciting scientific ideas of the contemporary world

Traces of God Neil Gillman,2008-09 A Probing and Powerful Look at the Role You Play in Shaping Your Relationship with God No matter how hard we look the God of Israel cannot be seen Looking is not seeing and seeing God is not like seeing an apple It is much more like making a medical diagnosis on the basis of looking at a complex set of symptoms Each of the symptoms is a dot We can look at the dots and still miss the pattern from Part I The Torah is replete with references to hearing God but precious few references to seeing God Seeing is complicated What we look for and see are traces of God s presence in the world and in history but not God In order to identify those traces as reflections of divine presence we need to re examine how we see what we see and how we interpret that information In this challenging and inspiring look at the dynamics of the religious experience award winning author and theologian Neil Gillman guides you into a new way of seeing the complex patterns in the Bible history and everyday experiences and helps you interpret what those patterns mean to you and your relationship with God Examining faith and doubt revelation and law suffering and redemption Gillman candidly deconstructs familiar biblical moments in order to help you develop and refine your own spiritual vision so that you are able to discern the presence of God in unanticipated ways Self, Struggle & Change Norman J. Cohen,1996-11 How do I find greater wholeness in my life and in my family s life To appreciate the importance of the Bible and gain insight about ourselves from it both Jews and Christians can use the process of midrash The attempt to find contemporary meaning in the biblical text The term midrash comes from the Hebrew root darash which means to seek search or demand meaning from the biblical text The starting point of our search for personal meaning is the Bible itself Each generation each reader can approach the text anew and draw meaning from it from Self Struggle Change The stress of late 20th century living only

brings new variations to timeless personal struggles The people described by the biblical writers of Genesis were in situations and relationships very much like our own and their stories still speak to us because they are about the same basic problems we deal with every day Learning from Adam and Eve can we find the courage not only to face our other side but to draw strength from it Learning from Leah and Rachel can we stop competing with our loved ones and begin to accept them and find ourselves Sarah Hagar Lot Ishmael and Isaac Rebekkah Joseph and his brothers Jacob and Esau this vibrant cast of characters offers us new ways of understanding ourselves and our families and healing our lives A modern master of biblical interpretation brings us greater understanding of the ancient biblical text and of the insights its characters give us about ourselves and our families today By bringing the people in Genesis to life husbands and wives fathers and sons brothers and sisters Self Struggle Change shows us how to find wholeness in our lives The Enneagram and Kabbalah (2nd Edition)

Rabbi Howard A. Addison, 2012-01-09 An updated and expanded examination into the groundbreaking exploration and connection of two of the most powerful mystical traditions Patterns in our lives may escape us reasons for our behavior often confuse us To help us better understand the interplay of these dynamics Rabbi Howard A Addison combines two of the most powerful maps of consciousness known to humanity the Tree of Life the sefirot from the Jewish mystical tradition of Kabbalah and the nine pointed Enneagram that was developed over several generations by mystics of several spiritual traditions Individually each offers guidance and wisdom together they show the forces that propel us and shape our personalities and behavior Most important the two suggest how we can live more harmoniously with ourselves and with others minimize friction and tension and discover our own spiritual gateway to God In this updated and expanded edition of his pioneering book Rabbi Addison explores new understandings of the stages and pitfalls we experience along life s journey and the ways we can transcend the limits of our personalities in search of greater wholeness He shows that when brought together the Enneagram and Kabbalah may enhance understanding of humanity s deepest motivations both individually and collectively thus opening wider the gate to personal growth **Yom Kippur Readings**

Rabbi Dov Peretz Elkins, 2011-07-26 A powerful collection of writings about Yom Kippur that will add spiritual depth and holiness to your experience of the Day of Atonement As Rosh Hashanah ends and you look ahead to Yom Kippur what do you think about The familiar melody of Kol Nidre The long hours of fasting The days of self examination You know that the Day of Atonement is the holiest on the Jewish calendar but sometimes it just feels long tiresome and devoid of personal meaning The readings in this book are for anyone seeking a deeper level of personal reflection and spiritual intimacy and a clearer understanding of just what makes Yom Kippur so holy Drawn from a variety of sources ancient medieval modern Jewish and non Jewish this selection of readings prayers and insights explores the opportunities for inspiration and reflection inherent in the themes addressed on the Day of Atonement sin forgiveness repentance spiritual growth and being at one with self family community and God These readings enable you to enter into the spirit of Yom Kippur in a personal and powerful way while they uplift and inform They will add to the

benefits of your High Holy Day experience year after year **The Genesis of Leadership** Rabbi Nathan Laufer, 2011-10-22

The rich lessons of the Bible can be your leadership guidebook Successful leaders don't rely solely on natural charisma and organizational authority as their tickets to success Successful leadership is a learned art form and a developed discipline You can master the art of leadership by examining the pitfalls and achievements of past leaders and penetrating the stories of our cultural and religious heritage The Bible is the ultimate resource for learning by example its stories of family relationships political beginnings and even divine encounters provide valuable lessons about leading effectively In this empowering guidebook Nathan Laufer walks you through the stories at the very beginning of the Bible to examine the portraits of leadership success and failure they contain He reveals the life affirming values that the Bible uses to measure its leaders beginning in the Garden of Eden analyzes the ups and downs in Abraham's and later Joseph's leadership journeys and scrutinizes the many challenges faced by Moses and God in the books of Exodus and Numbers Laufer draws out from Bible stories the lessons we can use every day lessons not only of exemplary leadership but also of failing to lead leading with no direction and leading in the wrong direction or to a destructive destination Through Laufer's interpretive lenses these ancient stories come alive to inform and inspire our leadership today and offer us direction for the future Nathan Laufer helps us see the stories of the Bible in new ways he turns them into universal paradigms that relate to situations we all face every day and he distills his insights into practical and powerful guidelines There is no algorithm for leadership no cookbook recipe but it is hard to imagine a leader at any level of an enterprise whose capabilities will not be enhanced by studying this book from the Preface by Dr Michael Hammer Spiritual Community David A. Teutsch, 2005 Reimagine the Possibilities for Your Own Congregation We all share a deep human need for meaning in our lives a need to feel that we are part of something larger than ourselves Yet many of us have discovered that successful careers material affluence even loving families are not enough to satisfy this longing And too often the congregations and organizations in which we seek greater meaning are uninspiring or worse The answer lies in belonging to a strong spiritual community not just a collection of individuals but a dynamic integrated congregation linked by commitment and vision sustained by friendship and shared experience But how to build it Informative and encouraging wise and practical Spiritual Community looks at congregations and organizations what they are and what they might become and reveals the unique role they have the potential to play in refreshing our minds transforming our hearts and giving our lives meaning From establishing radiant centers to welcome people into the heart of the community to reclaiming the power of ritual to suggesting strategies for dealing with conflict Rabbi Teutsch offers practical solutions to challenges congregations commonly face making themselves into spiritual communities This is essential reading for every spiritual and lay leader for anyone who wants to transform their congregation or organization into a strong spiritual community **Witnesses to the One** Rabbi Joseph B. Meszler, 2011-03-02 An exploration of Judaism's most sacred statement and world changing idea Hear O Israel the Eternal is Our God the Eternal is

One There is arguably no more important statement in Judaism than the Sh ma Its words calling us to hear to listen to pay attention defy direct translation and have meant different things throughout history In a deeply personal exploration of this sacred proclamation command and prayer Rabbi Joseph B Meszler delves into the spiritual history of the Sh ma inspiring you to claim your own personal meaning in these enduring words By examining how the Sh ma has been commented upon by ancient sages and contemporary thinkers he opens the doors between each generation that has found a different dimension of truth in the Sh ma Each chapter focuses on a major historical figure and includes a sacred story an exploration into the story s many meanings and a suggestion for a new way of hearing the voice in the story Experience the Sh ma through the lives of w Moses Fighting Idolatry w Akiba ben Joseph The Sages Offer Their Lives w Saaida Gaon Proving the One w Moses Maimonides Nothing Like God w Haim Vital Communing with the One w Moses Haim Luzzatto Master of the Universe w Abraham Isaac Kook A Nation Reborn w Leo Baeck One Moral Standard w Abraham Joshua Heschel A Prophecy One World or No World *The Wisdom of Judaism* Rabbi Dov Peretz Elkins,2011-06-24 Discover the Talmud and its universal values for all people While the Hebrew Bible is the cornerstone of Judaism it is the Talmud that provides many central values for living The Talmud sets out specific guidelines and lyrical admonitions regarding many of life s ordinary events and offers profound words of advice for life s most intractable dilemmas This accessible introduction to the Talmud explores the essence of Judaism through reflections on the words of the rabbinic sages from one of American Judaism s foremost teachers and writers Rabbi Dov Peretz Elkins Dr Elkins provides fresh insight into ancient aphorisms and shows you how they can be applied to your life today Topics include Kindness through Giving Welcoming and Sharing Human Relationships Personal Values Family Values Teaching and Learning and Life s Puzzles Enlightening and inspiring the values of the Talmud can be appreciated not just by Jews but by anyone seeking a greater understanding of life and its mysteries **Yoga Journal** ,1997-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *Judaism for Two* Nancy Fuchs,Nancy Fuchs-Kreimer,Nancy H. Wiener,2005 An inspiring and practical guide to your life as a couple in the context of the Jewish holidays Creative exercises and guided discussions help you connect to tradition community and each other and find opportunities for spiritual and relational growth **Jeff Herman's Guide to Book Publishers, Editors & Literary Agents** Jeff Herman,2003 A guide to the names and specialities of American and Canadian publishers editors and literary agents includes information on the acquisition process and on choosing literary agents **Religious Books and Serials in Print** ,1982 **The Quest** ,2004
