Vanderkam,2019-05-09      *Picturing the Apocalypse* Natasha O'Hear,Anthony O'Hear,2015-06-26 The book of Revelation has been a source of continual fascination for nearly two thousand years Concepts such as The Lamb of God the Four Horsemen the Seventh Seal the Beasts and Antichrist the Whore of Babylon Armageddon the Millennium the Last Judgement the New Jerusalem and the ubiquitous Angel of the Apocalypse have captured the popular imagination One can hardly open a newspaper or click on a news web site without reading about

impending financial or climate change Armageddon while the concept of the Four Horsemen pervades popular music gaming and satire Yet few people know much about either the basic meaning or original context of these concepts or the multiplicity of different ways in which they have been interpreted by visual artists in particular The visual history of this most widely illustrated of all the biblical books deserves greater attention This book fills these gaps in a striking and original way by means of ten concise thematic chapters which explain the origins of these concepts from the book of Revelation in an accessible way These explanations are augmented and developed via a carefully selected sample of the ways in which the concepts have been treated by artists through the centuries The 120 visual examples are drawn from a wide range of time periods and media including the ninth century Trier Apocalypse thirteenth century Anglo Norman Apocalypse Manuscripts such as the Lambeth and Trinity Apocalypses the fourteenth century Angers Apocalypse Tapestry fifteenth century Apocalypse altarpieces by Van Eyck and Memling D rer and Cranach s sixteenth century Apocalypse woodcuts and more recently a range of works by William Blake J M W Turner Max Beckmann as well as film posters and stills cartoons and children s book illustrations The final chapter demonstrates the continuing resonance of all the themes in contemporary religious political and popular thinking while throughout the book a contrast will be drawn between those readers of Revelation who have seen it in terms of earthly revolutions in the here and now and those who have adopted a more spiritual otherworldly approach

[A Pentecostal Commentary on Revelation](#) Jon K. Newton, 2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn t mean in this case This is a serious commentary based on the Greek text and includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many

available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation     *The Story of Ireland* Alexander Martin Sullivan,1867     **Story of Ireland** Alexander Martin Sullivan,1909     An American Anthology, 1787-1900 Edmund Clarence Stedman,1900     Universal Horrors Tom Weaver,Michael Brunas,John Brunas,2011-12-20 Revised and updated since its first publication in 1990 this acclaimed critical survey covers the classic chillers produced by Universal Studios during the golden age of hollywood horror 1931 through 1946 Trekking boldly through haunts and horrors from The Frankenstein Monster The Wolf Man Count Dracula nd The Invisible Man to The Mummy Paula the Ape Woman The Creeper and The Inner Sanctum the authors offer a definitive study of the 86 films produced during this era and present a general overview of the period Coverage of the films includes complete cast lists credits storyline behind the scenes information production history critical analysis and commentary from the cast and crew much of it drawn from interviews by Tom Weaver whom USA Today calls the king of the monster hunters Unique to this edition are a new selection of photographs and poster reproductions and an appendix listing additional films of interest     *Golden Horrors* Bryan Senn,2015-09-03 From the grindhouse oddities to major studio releases this work details 46 horror films released during the genre s golden era Each entry includes cast and credits a plot synopsis in depth critical analysis contemporary reviews time of release brief biographies of the principal cast and crew and a production history Apart from the 46 main entries 71 additional borderline horrors are examined and critiqued in an appendix     **To Begin Again** Naomi Levy,1999-09-07 Words that come from the heart enter the heart an ancient rabbinic proverb instructs us The words in this book come from the heart mine and the hearts of others I pray that you will find within them a spark that will ignite the flame of hope and the passion for healing that lies within us all Naomi Levy was a spirited fifteen year old when her father was murdered in a senseless holdup that destroyed not only his life but her trust in a loving God Healing took a long time yet from her struggles with grief anger and depression she forged the wisdom that made her at twenty six a beloved rabbi and now makes her book a miracle of honesty recovery and compassion Where do we find the strength to meet tragedy Can we rekindle hope Innocence Faith The answers illustrated with many moving true stories drawn from Rabbi Levy s experience and the lives of her congregants provide sanity peace and a safe harbor where we can heal and grow Remember Death is a great tragedy But to die while we are still living that is the greatest tragedy of all
