**Sacrifice in the Old Testament** George Buchanan Gray,1925      *Sacrifice in the Old Testament* George Buchanan Gray,1971      *Sacrifice in the Old Testament* George Buchanan,1925      **Messianic Revelation in the Old Testament** Gerard Van Groningen,1997-07-16 Books by evangelical scholars on messianism in the Old Testament are either outdated too brief or lack balance observes the author Messianic Revelation in the Old Testament represents the most thorough conservative analysis of the century Van Groningen traces the messianic expectation as it is progressively revealed in the Hebrew Scriptures He first introduces the messianic concept defining its terms and uncovering its source He finds these messianic presentations rooted in and shaped by divine revelation The major part of this volume explores messianism s philological historical and theological aspects The result of this study writes the author reveals that the messianic concept refers to a royal priestly prophetic person and his work Passages that deal with these messianic motifs have been selected for close scrutiny and evaluation The author believes that a correct understanding of messianism in the Old Testament requires a balanced hermeneutical approach from exegeting the relevant texts and studying their historical context to interpreting prophecy and organizing its theological truths In the words of the author To omit one element is to do injustice to the Old Testament Van Groningen has included an extensive bibliography of both books and articles for those wishing to pursue additional study A Scripture index helps one to locate the author s exegetical insights on various passages An index of persons concludes the work      Sacrifice in the Bible Roger T. Beckwith,Martin J. Selman,2004-04-20 The study of the theme of sacrifice is seen by many as peripheral not to say superfluous to the theological task The papers in this volume however given by members of the Biblical Theology study group of Tyndale Fellowship for Biblical and Theological Research bear witness to the centrality of the idea and practice of sacrifice in biblical religion Contributions cover the whole spectrum of the biblical treatment of the subject as well as survey its contemporary cultural and religious contexts whether Babylonian and Canaanite or Graeco Roman and Jewish The underlying goal of Sacrifice in the Bible is to ascertain how far the developed idea of sacrifice both as the pattern of human life and as the way of divine salvation in Christ is implicit in the ceremonial practice from which it arose      A Genealogy of Violence and Religion James Bernard Murphy,2018-04-11 Why are religious rituals symbols and rhetoric so full of images of blood sacrifice and death Why does religious fervor so often lead to Holy War Crusade and Jihad No wonder many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923 2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent

conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girards provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory     The Social Meanings of Sacrifice in the Hebrew Bible David Janzen,2012-08-09 This work uses anthropological theory and field studies to investigate the social function and meaning of sacrifice All rituals including sacrifice communicate social beliefs and morality but these cannot be determined outside of a study of the social context Thus there is no single explanation for sacrifice such as those advanced by Ren Girard or Walter Burkert or late 19th and early 20th century scholars The book then examines four different writings in the Hebrew Bible the Priestly Writing the Deuteronomistic History Ezra Nehemiah and Chronicles to demonstrate how different social origins result in different social meanings of sacrifice     **Theology and the First Theory of Sacrifice** Ivan Strenski,2003-01-01 Strenski argues that public discourse about religious notions like sacrifice cannot be theological in our modern societies Theological notions of sacrifice and theological approaches to it should be replaced by those like that developed by the Durkheimians because theological discourse cannot but help being religiously biased     *Sacrifice, Cult, and Atonement in Early Judaism and Christianity* Henrietta L. Wiley,Christian A. Eberhart,2017-09-28 Critical and creative studies that offer fresh perspectives on ancient ideas and practices The contributions to this volume deal in various ways with the cult at the Jerusalem Temple that epitomized the religious cultural and socio political identity of Judaism for many centuries Some essays examine ancient constitutive practices and concepts such as purification rituals sacrifices atonement or sacred authorities at the temple with the goal of interpreting their meanings for modern readers Other essays explore alternatives to ancient cultic meaning and practice Essays critique established traditions attempt to renegotiate them or use metaphor and spiritualization to expand the potential of these phenomena to serve as terminological and ideological resources Thus they examine and affirm the continuing relevance of ancient Jewish cultic notions long after the destruction of the Second Temple in 70 CE An international group of scholars representing different fields and diverse religious backgrounds A thorough examination of traditions as through the lens of contemporaneous interpretive traditions such as Jewish prophecy the Dead Sea Scrolls and Early Christian literature Examination of topics such as purification sacrifice and atonement and the depiction and development of sacred authority throughout the Bible     *Systematic Theology, Volume 2, Second Edition* James Leo Garrett Jr.,2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced

judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *Systematic Theology, Volume 2, Second Edition* James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and

in the study Robert H Culpepper Southern Baptist Theological Seminary *Magic and Divination in the Old Testament* Solomon Nigosian,2008-07-25 Explores the practices and rituals associated with magic and divination among the ancient Israelites as documented in the Old Testament **Jesus and the Last Supper** Brant Pitre,2017-06-21 Who did Jesus of Nazareth claim to be What was his relationship with early Judaism When and how did he expect the kingdom to come What were his intentions Though these key questions have been addressed in studies of the historical Jesus Brant Pitre argues that they cannot be fully answered apart from a careful historical analysis of the Last Supper accounts In this book Pitre offers a rigorous up to date study of the historical Jesus and the Last Supper filling a significant gap in current Jesus research Situating the Last Supper in the triple contexts of ancient Judaism the life of Jesus and early Christianity Pitre brings to light crucial insights into major issues driving the quest for Jesus His Jesus and the Last Supper is sure to ignite discussion and debate The Nation ,1926 **A concise dictionary of the Bible** sir William Smith,1865 Cult and Character Roy Gane,2005-06-30 Through the swirling smoke of Aaron s incense and of scholarly theories the present volume steps toward the meaning enacted on the Day of Purgation commonly known as Yom Kippur or the Day of Atonement By treating moral evil both as relational legal breach and as pollution the Israelite system of purification offerings so called sin offerings addresses both the standing and state of YHWH s people This system shows the way not only to freedom from condemnation but also to healing of character which is defined in terms of loyalty to YHWH Freedom and healing come together on the Day of Purgation when purification rituals benefit those who show themselves loyal to YHWH by affirming the freedom from condemnation that they have previously received The effects of purification rituals on YHWH s sanctuary and community profile harmony between justice and kindness in the character of YHWH as he deals with imperfect people of various kinds of character by pardoning and clearing the loyal but condemning the disloyal Thus Gane ultimately affirms Milgrom s seminal insight that theodicy is foundational to the Israelite expiatory system Gane s conclusions are derived from exegetical study of Hebrew ritual texts informed by controls to ritual analysis developed in the course of prior research through critical examination of existing ritual theories and by adapting a systems theory approach to human activity systems The American Journal of Semitic Languages and Literatures ,1926 **Cain, Abel, and the Politics of God** Julián Andrés González Holguín,2017-07-06 Utilising Giorgio Agamben s concepts of homo sacer and drawing from political theory philosophy and psychoanalysis this book creates a theoretical framework from which to analyse interpretations of Genesis 4 1 16 and to propose an alternative reading of the Biblical text that incorporates other texts inside and outside the Biblical canon **A Concise Dictionary of the Bible for the Use of Families and Students** William Smith,1865 *Ritual* Andrew Strathern,2017-05-15 This volume consists of a number of carefully selected readings that represent a wide range of discussions and theorizing about ritual The selection encompasses definitional questions issues of interpretation meaning and function and a roster of ethnographic and analytical topics covering classic themes such as ancestor worship and
