The Hot Rod World of Robert Williams Robert Williams, Pete Chapouris, Mike LaVella, An illustrated autobiography putting Williams work in the context of his hot rod background and telling of the wild formative years behind one of America's biggest underground artists *Out of the Dark* Ella Mehn, 2025-08-25 Kathleen Thomas is a twelve year old girl living in occupied Denmark during World War II When she falls into a mysterious hole in the woods near her adopted aunt's house she loses her beloved Bible and meets a boy named Jack the first of many compelling strangers to stumble into her life A teenage Nazi a baker's apprentice with a tragic past and a little girl forced to hide in a closet all are connected but how When Jack's friend is captured by the Nazis Kathleen takes action and finds herself plunged into danger But light can be found in the darkest places and as friends emerge from the shadows Kathleen makes discoveries that change her forever loving one's enemies and embracing the family God grants us **The Toy Man**, *Keats* Lucasta Miller, 2022-04-19 A dazzling new look into the short but intense tragic life and remarkable work of John Keats one of the greatest lyric poets of the English language seen in a whole new light not as the mythologized Victorian guileless nature lover but as the subversive bawdy complex cynic whose life and poetry were lived and created on the edge In this brief life acclaimed biographer Lucasta Miller takes nine of Keats's best known poems *Endymion* *On First Looking into Chapman's Homer* *Ode to a Nightingale* *To Autumn* *Bright Star* among them and excavates how they came to be and what in Keats's life led to their creation She writes of aspects of Keats's life that have been overlooked and explores his imagination in the context of his world and experience paying tribute to the unique quality of his mind Miller through Keats's poetry brilliantly resurrects and brings vividly to life the man the poet in all his complexity and spirit living dangerously disdaining respectability and cultural norms and embracing subversive politics Keats was a lower middle class outsider from a tragic and fractured family whose

extraordinary energy and love of language allowed him to pummel his way into the heart of English literature a freethinker and a liberal at a time of repression who delighted in the sensation of the moment We see how Keats was regarded by his contemporaries his writing was seen as smutty and how the young poet's large and boisterous life a man of the metropolis who took drugs was sexually reckless and afflicted with syphilis went straight up against the Victorian moral grain and Miller makes clear why his writing considered marginal and avant garde in his own day retains its astonishing originality sensuousness and power two centuries on Mansfield park.
