Place/No-Place in Urban Asian Religiosity Joanne Punzo Waghorne, 2016-07-15 This book discusses Asia s rapid pace of urbanization with a particular focus on new spaces created by and for everyday religiosity The essays in this volume covering topics from the global metropolises of Singapore Bangalore Seoul Beijing and Hong Kong to the regional centers of Gwalior Pune Jahazpur and sites like Wudang Mountain examine in detail the spaces created by new or changing religious organizations that range in scope from neighborhood based to consciously global The definition of spatial aspects includes direct place making projects such as the construction of new religious buildings temples halls and other meeting sites as well as less tangible religious endeavors such as the production of new mental spaces urged by spiritual leaders or the shift from terra firma to the strangely concrete effervesce of cyberspace With this in mind it explores how distinct and blurred and open and bounded communities generate and participate in diverse practices as they deliberately engage or disengage with physical landscapes cityscapes It highlights how through these religious organizations changing class and gender configurations ongoing political and economic transformations continue as significant factors shaping and affecting Asian urban lives In addition the books goes further by exploring new and often bittersweet improvements like metro rail lines new national highways widespread internet access that bulldoze both literally and figuratively religious places and force relocations and adjustments that are often innovative and unexpected Furthermore this volume explores personal experiences within the particularities of selected religious organizations and the ways that subjects interpret or actively construct urban spaces The essays show through ethnographically and historically grounded case studies the variety of ways

newly emerging religious communities or religious institutions understand value interact with or strive to ignore extreme urbanization and rapidly changing built environments *LONER 18 Navigating Life At Eighteen* Chitiz Sarki,2024-11-28 At 18 life can feel like both an exciting adventure and an overwhelming challenge You're standing at the crossroads of decisions that will shape your future career paths relationships and personal goals But with these opportunities come uncertainties self doubt and fear Navigating Life at 18 is your ultimate guide to facing this pivotal time in your life with confidence courage and clarity *Tantra, Mantra and Yantra of Sri Vidya* Vinita Rashinkar,2021-04-07 Sri Vidya begins where the current understanding of quantum physics ends say modern day scholars about this little known highly esoteric spiritual tradition that has been carefully kept under wraps by its secretive and serious practitioners The study of Sri Vidya is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find Tantra Mantra and Yantra of Sri Vidya is an endeavor to explore the Sri Vidya tradition and understand it as the unfolding of Shakti the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success Sri Vidya practice comprises tantra a technique or framework for worship whose two main elements are mantra sacred sound and yantra sacred geometry Tantra can be described in simple terms as the utilization of the mental faculty to pursue the objectives of worship using mantra and yantra Mantra is the use of sound energy to bring about oneness with the Divine while yantra is a geometric drawing that serves as a tool to reach the Divine The book delves into concepts such as Sankhya Yoga Karma and Kundalini in order to establish the context of how Sri Vidya is to be approached combining elements of knowledge devotion and ritual The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests presenting the information in a non dogmatic and practical manner thereby allowing everyone an opportunity to learn and experience the benefits of Sri Vidya This is the third book by the author in the Spirituality Series The first book was about the Sri Chakra Yantra and the second book had Chakras as its subject *Tantra: The Pathless Path* Vinita Rashinkar,2025-07-14 This book approaches the subject of Tantra by looking beyond its reputation of exotic curiosity and transgressive rebellion Divided into four sections the book opens with foundational teachings introducing readers to the diverse schools of Tantra its philosophical underpinnings and its integral relationship with the Vedas and Agamas The second section The Tantric Toolkit looks at the technologies that distinguish Tantric practice from the deities yantras and mantras to the transformative science of Kundalini chakras and mudras In Esoteric Practice and Initiation the third section the book explores misunderstood and concealed dimensions of Tantra including the Guru Shishya Parampara Panchamakara Maithuna and the role of secrecy and symbolic language The final section Integration and Application outlines rituals like Panchapuja Navavarana Puja and Sri Chakra Yantra meditation while also considering the role of manifestation in Tantra and exploring what it has in common with Quantum Physics Whether you are a beginner a seasoned sadhaka or just an observer of Eastern traditions this book offers an integrative introduction into the living tradition of Tantra *Becoming the Light* Vivianne Nantel,2024-10-15 Amazon

Best Seller in Spiritual Self Help it is a moving odyssey You can join the author as she walks the spiritual path with several enlightened masters such as Yogiraj Gurunath Siddhanath His Holiness Sri Sri Ravi Shankar His Holiness the Dalai Lama and Vasudev Sadhguru Jaggi Becoming the Light Realize Your True Enlightened Nature can be a gateway to unleashing your true and blissful nature Filled with wisdom and spiritual knowledge it is a narrative of duality and transcendence expressed in all its nuances Vivianne shares invaluable knowledge about the science of yoga consecration and mysticism the many forms of love transcendence in the pursuit of self realization Whether you are already on a journey for well being and enlightenment or just at its threshold may this book provide the insights inspiration and courage you need in order to find your way

Heal the Body Holistically Carolyn J. Williams, 2016-06-29 There is a transcendent awareness above the five senses that we relate to as common sense that is present and readily accessible to each and every one of us When we realize it we see it is the source of true peace good health happiness satisfaction courage and joy Weve got to feel connected to something bigger than ourselves Whether you call it god universal mind love presence divine spirit life energy there is a force that beats our hearts breathes our breaths keeps the sun shining The more we struggle to live the less we live Give up the notion that you must be sure of what you are doing Instead surrender to what is real within you by detoxifying meditating quieting the mind fasting and praying for that within is sure And yet we dont know how to access it we dont know how to bring it into our awareness We dont know how to manifest it or embody it

Singapore, Spirituality, and the Space of the State Joanne Punzo Waghorne, 2020-03-19 This book examines spirituality in Singapore showing how important the city state is for understanding contemporary global configurations of urban space religion and spirituality Joanne Punzo Waghorne highlights how the formal religious spaces temples churches and mosques have been confined to allotted sites on the map of Singapore whereas various spiritual organizations particularly of Hindu origins and headed by a guru still continue to operate as societies classified by the government with other clubs These unconventional religiosities are not confined but ironically make their own places meeting in ostensive secular venues high rise flats malls businesses and community centers thus existing in the overall space of religion commerce and the state The book argues that State of Singapore also operates between the secular and the religious constructing an overarching spatial regime that both accommodates and yet rivals the alternate spheres that spiritual movements construct under its umbrella Both spatial configurations challenge the presumed relationships between myth and reality religion and commerce the ethereal and the concrete the sacred and the secular on the levels of self community and polity Singapore now deemed a model for urban development in Asia also offers an understanding of a new post secularity and perhaps reveals where the urbanized world is headed

9 Months: From Involution to Evolution Dr. Pallavi kwatra, 2016-07-22 Nine months From involution to evolution is about a group of friends who get together from different parts of the world to try and find answers for questions that have been left unanswered for a long time Intense discussions were held for over nine months which brought forth the age old wisdom mixed with scientific

ingredients and garnished with the practicality of modern times This kaleidoscope of thoughts evolves into a perfect cocktail of scientific spiritualism This book is for all the dreamers and seekers of this world You are not alone in this journey *The Garden* Matthew Ingram,2025-04-08 The legendary countercultural growers who never stopped changing the world The Garden explores the transformative journey of the 1970s countercultural farmers and growers whose radical practices redefined how we grow and eat today Countercultural Roots Chronicles how a generation influenced by psychedelics Eastern philosophy and reactions to Vietnam the Oil Shocks and DDT sparked a deep interest in sustainable farming In depth Exploration of Influences Covers movements like the organic food revolution Permaculture back to the land initiatives radical ecology and the impact of thinkers like Rudolph Steiner on 1970s communities Impact on Today s Agriculture Through interviews with key figures The Garden reveals how these visionary growers often without farming backgrounds pioneered alternative agriculture and influenced modern sustainable practices A Legacy for the 2020s Highlights the enduring impact of these farmers providing inspiration for today s efforts to reconnect with nature and rethink sustainable living Perfect for readers interested in organic farming environmental history or the cultural legacy of the 1970s The Garden tells the untold story of how counterculture reimagined food and our relationship to the earth *The Light of Consciousness* Richard Dewey Mann,1984-01-01 Dis-Solving Conflict from Within Henry Yampolsky,2022-05-10 Dis Solving Conflict from Within presents a new paradigm for looking at conflict Written by a professional mediator and an occasional adventure motorcyclist this book presents a mindfulness based framework for understanding conflict and more importantly responding to conflict with strength clarity and ease as opposed to reacting to it with fear avoidance or aggression The first part of the book takes the reader step by step through the method drawing on famous teachings in both conflict resolution and mindfulness real life examples from the author s own practice and colorful anecdotes from his personal adventures which included riding a motorcycle across the Himalayas The rest of the book is a very practical application for how these teachings can transform the way we live our lives in conflicts ranging from arguments with your spouse and debates about current affairs at your dinner table to greater societal conflicts and existential challenges facing us At once spiritually based and yet also immensely practical this book is relevant not just for conflict resolution professionals but for anyone who wants to live more peacefully with the people around them In a signature style that is both educational and funny and always all his own Henry Yampolsky draws on his formal education his life experiences and his knowledge and acceptance that all people no matter their beliefs are infinitely connected Distilling conflict down to our most basic needs as human beings leads the reader to the inevitable conclusion that we are not so different after all While acknowledging the validity of the stories of conflicts created by humans Yampolsky gently but firmly guides the reader to the same conclusion he has come to that conflict can be transformed into an opportunity for growth connection and dialogue once we learn to turn within *Food Body (eBook)* Isha Foundation,2013-09-01 Food has gotten complicated in the twenty first century Choosing our food is no longer about fruits

vegetables grains and other such obvious ingredients We now have to contend with calories of two kinds no less empty and non empty fat and protein content protein also being of two kinds protein from plants as opposed to protein from animals confusing nutrition labels and precise serving quantities Added to this is the unruly flood of books TV shows and nutrition experts proffering advice on the best kind of diet for you Paleo diet Vegan diet Detox diet and so on so forth This book is not meant to contribute much to that flood Which is why it s just 33 pages with a lot of pictures so you don t have to do too much reading There are tips and guidelines and a few nutritional facts but the real essence of the book is epitomized by the title itself Food Body As Sadhguru says Food is about the body To eat intelligently means to understand and supply the kind of fuel the body is designed for so that it can function at its best Food Body is a first step for you to tune into your body and figure out for yourself what suits you best It opens up the opportunity to experience the true joy of eating and the possibility for our food to be something more than just a means of physical sustenance Interspersed with Sadhguru s wisdom the book looks at the kind of foods that the body is most comfortable with and explores the most appropriate ways of consuming such foods It also touches on the latest research which reveals some shocking truths about foods we commonly consume Look out for the Did You Know and Keep in Mind sections which offer tips and interesting facts about food and ingredients and be sure to try out the simple recipes at the end
