School Of English Murder:

The School of English Murder Ruth Dudley Edwards,1992 *Murder in a Cathedral* Ruth Dudley Edwards,2024-04-02

This blithe series puts itself on the side of the angels by merrily and staunchly subverting every tenet of political correctness. The Independent For many years Westonbury Cathedral has been dominated by a clique of High Church gays so when Norman Cooper an austere intolerant happy clappy evangelist is appointed dean there is shock outrage and fear David Elworthy the gentle and politically innocent new bishop is distraught at the prospect of warfare between the factions. Contentious issues include the camp lady chapel and the gay memorial under construction in the deanery garden. Desperate for help Elworthy cries on the shoulder of his old friend the redoubtable Baroness Troutbeck who forces her unofficial troubleshooter Robert Amiss to move into the bishop's palace. Amiss Troutbeck and the cat Plutarch address themselves in their various ways to the bishop's problems which very soon include a clerical corpse in the cathedral. Is it suicide? Or is it murder? And who is likely to be next? *Sequels* Janet G. Husband,Jonathan F. Husband,2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series.

Newspapermen Ruth Dudley Edwards,2013-01-31 They were Cudlipp and Mr King when they met in 1935. At 21 gregarious extrovert and irreverent Hugh Cudlipp had many years of journalistic experience at 34 shy introspective and solemn Cecil Harmsworth King haunted by the ghost of Uncle Alfred Lord Northcliffe the great press magnate and bitter towards Uncle Harold Lord Rothermere of the Daily Mail was fighting his way up in the family business. Opposites in most respects they were complementary in talents and had in common a deep concern for the underdog. Cudlipp the journalistic genius and King the formidable intellect were to become in Cudlipp's words the Barnum and Bailey of Fleet Street. Together on the foundation of the populist Daily Mirror they created the biggest publishing empire in the world. Yet their relationship foundered sensationally in 1968 when as King tried to topple the Prime Minister Cudlipp toppled King. Through the story of two extraordinary men Ruth Dudley Edwards gives us a riveting portrait of Fleet Street in its heyday. **Two Irelands** Rebecca Pelan,2005-06-27 The very different histories of the North and South are reflected in their literature. While women in the Republic of Ireland have tended to write about social issuessexism crime unemployment and domestic violencewomen in Northern Ireland focused on their society's historical tension and primarily nationalist and unionist politics. However Pelan maintains that feminist ideology has provided contemporary Irish women with an alternate political stance that incorporates gender and nationality ethnicity and allows them to move beyond the usual binaries of politics history and languageIrish and English. In an analysis enriched by a sophisticated but accessible engagement with contemporary feminist and gender theory Pelan concludes that Irish women's writing whether at the community or mainstream levelNorth or Southconsistently articulates political issues of direct relevance to the lives of Irish women today. As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing

social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologiesnationalist unionist imperialist and capitalistwithout forfeiting their own sense of gender and national or ethnic identity The book s significance lies in its placement of women s writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this periodmuch of it long out of printcontinues to exist as sociological as well as literary records It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing feminism and literary history The Blackout Murders Neil R. Storey,2023-02-16 Nostalgic recollections of wartime Britain often forget that when the blackout was enforced at night in an attempt to foil Nazi bombers a crime wave cloaked by the inky black darkness ensued on many of our streets There were petty crimes robberies sexual assaults and as *The Blackout Murders* reveals some horrific murders took place on our home front during the Second World War Some of them still rank among the most shocking crimes in modern British history Some of the murders recounted within the pages of this book remain infamous others are almost forgotten and some remain unsolved to this day Several cases have new light shed on them from recently released archives and records uncovered by the author Every case has been carefully selected for its reflection of wartime conditions and each one has a powerful poignant and tragic story to tell Readers will gain insights into the darker narrative of our home front and learn about some of the men and women who strove to maintain law and order under the most challenging circumstances Others innovated and developed ground breaking forensic techniques to identify bodies recognize if foul play had occurred and as a direct result brought murderers to justice who may otherwise have gone undetected and unpunished Anyone reading *The Blackout Murders* will never look at Britain s Home Front during the Second World War in the same way again *Victims Or Villains* Malcolm J. Turnbull,1998 At the same time the author analyses the reevaluation of Jewish stereotyping after 1930 both as a result of the natural development of the crime novel and more immediately in light of the rise of Hitler World War II and the Holocaust BOOK JACKET **Carnage on the Committee** Ruth Dudley Edwards,2010-01-31 When the chairperson of the prestigious Knapper Warburton Literary Prize dies in suspicious circumstances Robert Amiss the token sane member of the judging panel wastes no time in summoning Baroness Jack Troutbeck to step into the chair Speculation that a killer may be targeting the judges does not worry the baroness in the slightest it s the prospect of immersing herself in modern literature that fills her with dread But noblesse must oblige even when it means joining the ranks of the superciliati sitting in judgment of the literati With the baroness at the helm the judges resume the task of whittling away at the shortlist But the killer too has resumed work and is whittling away at the judges one by one Corridors of Death Ruth Dudley Edwards,2024-04-02 Battered to death with a piece of abstract sculpture titled Reconciliation Whitehall departmental head Sir Nicholas Clark is claimed by his colleagues to have been a fine and respected public servant cut off in his prime Bewildered by the labyrinthine bureaucracy of Whitehall Scotland Yard s Superintendent Jim Milton recognizes a potential ally in Clark s young Private

Secretary Robert Amiss Milton soon learns from Amiss how Whitehall works that it can be Machiavellian and potentially homicidal that Sir Nicholas was obnoxious and widely loathed that he had spent the weeks before his murder upsetting and antagonizing family and associates and that his last morning on earth had been spent gleefully observing the success of his plan to embarrass his minister and his department publicly And they still need to discover who wielded the blunt instrument This is the first of Ruth Dudley Edwards witty iconoclastic but warm hearted satires about the British Establishment
