Shades Of Murder A Mitchell And Markby Mystery:

Shades of Murder Ann Granger, 2007-04-01 Since the end of the nineteenth century the Oakley family of Bamford England has lived in the shadow of tragedy In 1889 Cora Oakley died by inhaling a poisonous gas in her sleep and her husband William was put on trial for the murder Although the case was dismissed Oakley's reputation was ruined and he fled the country never to be heard from again Over a hundred years later the only remaining members of the Oakley family are two elderly sisters living in Bamford who exist in poverty in their rambling ancestral home Fourways Unable to maintain their mansion the sisters have decided to sell the house and live comfortably on the proceeds But a young Polish man named Jan appears claiming to be William Oakley's great grandson and brandishing what he alleges is Oakley's will which entitles him to half the profits from the sale The sisters panic knowing that although Jan's claims don't stand up a court case could drag on for years and time is not on their side When Jan is found dead poisoned by the same substance used to kill his great grandmother so many years ago it seems that murder has returned to haunt the Oakley family once again and Superintendent Markby must unravel two mysteries one from a hundred years ago to find the killer In *Shades of Murder* Ann Granger has crafted another tough case for Mitchell and Markby *Deadly Company (Mitchell & Markby 16)* Ann Granger, 2022-07-21 No one feels safe when there's a murderer in their midst Ann Granger returns to her fan favourite series with the gripping sixteenth Mitchell and Markby novel featuring her trademark strong and appealing characters gentle wit and engrossing intrigue Superintendent Alan Markby and his wife Meredith have retired for the night when they are disturbed by a visitor It's not the first time someone has called at the Old Vicarage in search of a priest but in this case having just found a dead body in the churchyard Callum Henderson needs the police Accompanying Callum to the graveyard Alan declares that this has all the hallmarks of a murder scene News of the incident travels fast in the market town of Bamford but no one seems willing to admit to knowing the dead man or how he ended up in the cemetery As Alan and his team search for clues Meredith becomes convinced that something must have been overlooked Meanwhile despite Alan's warnings Callum appears to be in cahoots with the team's latest recruit DS Beth Santos While every lead points to yet more foul play nothing can prepare Meredith and Markby for the shocking truth behind this mystery *Death on the Prowl* Ann Granger, 2024-12-05 The eighth Campbell and Carter mystery from much loved crime writer Ann Granger is sure to appeal to fans of her Mitchell and Markby mysteries as well as to fans of Richard Osman's *The Thursday Murder Club* series When Jerry Harrison receives an unwelcome visitor at his remote Cotswold cottage one winter's night the last thing he expects is to end up dead But next morning his cleaners find him fatally stabbed and the police have a murder inquiry on their hands At first Inspector Jess Campbell and Superintendent Ian Carter aren't sure of the victim's identity but it's not long before a neighbour Eleanor Holder comes forward with her opinions on the deceased Jerry Harrison was not a popular man in the village of Weston St Ambrose his aunt's tragic death led to him inheriting her cottage and many of the locals still see him as

an outsider With no witnesses coming forward and very little evidence to go on Jess and Ian must dig deep to find the answers to this baffling case But not before another villager is attacked and left for dead Praise for Ann Granger's crime novels Characterisation as ever with Granger is sharp and astringent The Times Her usual impeccable plotting is fully in place Good Book Guide A clever and lively book Margaret Yorke This engrossing story looks like the start of a highly enjoyable series Scotsman

A Restless Evil Ann Granger, 2002-12-04 Legendary Stovey Woods has always seemed threatening but for decades the danger has remained dormant Now it appears a long dead murder case is being reopened as another victim appears with remarkable similarities Bricks and Mortality (Campbell & Carter Mystery 3) Ann Granger, 2013-06-06 BRICKS AND MORTALITY is the third Cotswold village mystery by Ann Granger featuring Inspector Jess Campbell and Superintendent Ian Carter It is sure to appeal to fans of Midsomer Murders In the cold light of dawn a dead body is found entombed in the smouldering remains of a burnt out Cotswold manor Key House has stood empty for years but its owner Gervase Crown is rumoured to have been seen in Weston St Ambrose prior to the blaze Could he be responsible for the fire and the tragic death that followed or was he in fact the intended target As Inspector Jess Campbell and Superintendent Ian Carter begin their investigation it becomes clear that Gervase wasn't the most popular and his return reawakens old memories not all of which are good

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first
