Long Live Disco:

Disco's Out...Murder's In! Heath Mattioli, David Spacone, 2015-10-19 Famous for its revolutionary aspects in musical political sexual identity and consumerist ideas punk rock also has its lesser known gangster ethos as well explained here by players in the various punk gangs The Los Angeles Orange County and South Bay punk scenes populated by blue collar kids who responded to the violence and aggression of punk songs and shows A number of them formed punk gangs that got into beatings drug dealing and murder Among them no gang was more notorious than La Mirada Punks or LMP Says LMP chieftain Frank the Shank after getting arrested by police for murder After having my hands in so much bloodshed over the years I most certainly had it coming I deserved whatever I got Unexpectedly Frank was bailed out from prison by his father's friend a mob gangster Too many people died at the hands of punk rock violence said Frank I got lucky some didn't As an ultra violent punk rock gangster I admit my part in ruining the scene L A punk was a magical moment of youth expression like no other And the gangs ruined punk rock I still have people telling me today that they quit punk because of LMP I dig graves at a small cemetery just outside Los Angeles What else would you expect for Frank the Shank Cover illustration by the renowned Raymond Pettibon

Time of My Life Myf Warhurst, 2022-09-28 We all have a soundtrack to our lives songs that as soon as we hear them we're transported to a moment in time As the youngest child and only girl in a family of creative types Myf Warhurst grew up with the music in her Whether she was watching Daryl Braithwaite on TV on a Sunday night or listening to the crackle of the needle across vinyl as Agnetha and Anni-Frid took her from rural Victoria to Eurovision music has always shaped Myf's life Later her love of music and the realisation that a professional pianist gig wasn't part of the plan would shape her career But music isn't just about memories It's a safe place for people who feel different Songs and lyrics helped Myf make sense of the world and deal with heartbreak and uncertainty Music steered her hopes and fashion choices cemented friendships and bonded family In *Time of My Life* she shares funny fabulous and occasionally fraught tales about growing up in a small country town with an unhealthy obsession with Countdown then working in Australian radio and her experiences on the much loved music quiz show *Spicks and Specks* She spills the backstage beans on work fame feminism failure love and success Like a sommelier matches food with wine Myf matches hits with memory and in the process reminds us all that as Louis Armstrong said Music is life itself A captivating and joyous memoir of wisdom humour and heart that unleashes the music within us all
