Summary of Eugene H. Peterson's A Long Obedience in the Same Direction Everest Media, 2022-04-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The world is a difficult place for Christians to navigate We are constantly being bombarded with temptations that come from the flesh the world and the devil 2 The world's way of life is difficult for a pastor to deal with Everyone is in a hurry They want shortcuts and they are impatient for results A pastor is not a tour guide 3 The fifteen psalms that make up the Songs of Ascents were most likely sung by Hebrew pilgrims as they went up to Jerusalem to the great worship festivals They were a way for the people to express the amazing grace and

to quiet their anxious fears 4 The Songs of Ascents are a collection of psalms that were used by the multitudes who said Come let s climb God s mountain go to the House of the God of Jacob He ll show us the way he works so we can live the way we re made

Nehemiah: The Power of a Godly Vision Gregory Lund, 2012-10 God has a vision for His people The vision God has for us is far bigger than we could ever have for ourselves That s because God s vision for us is based upon His full knowledge of His unlimited power and resources In this study we discover how Nehemiah sought God for a vision and then fulfilled that vision in God s power and using God s resources These outlined preaching manuscripts of Nehemiah were written and delivered by Gregory Lund The approach is solidly biblical and the sermons expositional in nature This book may be used as a commentary for sermon preparation or for group or individual Bible study

The Parables Douglas D. Webster, 2021-03-30 A comprehensive study of Jesus s parables that emphasizes personal reflection and application Jesus s parables used familiar situations to convey deep spiritual truths in ways that are provocative and subversive of the status quo Prayerfulness was pictured by a persistent widow The joy of salvation in the homecoming of a lost son Love of neighbor by a marginalized Samaritan If we re not careful we can easily miss details in the parables that reveal their subtle meanings as well as their contemporary relevance Drawing on scholarship on the parables as well as theological pastoral and practical insights Douglas Webster guides the reader through each of Jesus s parables pointing out the important nuances that allow us to understand them and be transformed by them Reflection questions at the end of each chapter can be used for personal or group study and an appendix for pastors provides guidance for preaching the parables Pastors Bible teachers and serious students of Scripture will find this tour through Jesus s parabolic teaching to be a feast for both the mind and the soul

[Bread for the Journey](#) Thomas W. Currie, 2015-08-31 Preparing for ministry involves more than the acquisition of certain skills The shape of a disciple s soul as he or she embarks on this journey is as important if not more so than learning how to exegete a text or engage in pastoral care Ministry is not easy and the preparation for this form of Christian discipleship is open to a variety of temptations not least of which is a kind

of despair over the paucity of one's own resources or worse the illusion that one is better off relying on one's own talents and virtues. What is needed is bread for this journey, not necessarily exhortations to work harder but words of encouragement and grace that bear witness to the surprising reality that ministry is in fact a joyful gift. These notes from a dean who sought to help his students discover that joy in their study and preparation bear witness to the One whose life provides bread for every journey, especially for the journey of pastoral ministry.

Breaking Free Beth Moore, 2007-04-01 Do you want to know God and really believe Him? Do you want to find satisfaction in God, experience His peace and enjoy His presence? Do you want to make the freedom Christ promised a reality in your daily life? In *Breaking Free*, Beth Moore embarks on a study of selected passages from the book of Isaiah, drawing several parallels between the captive Israelites and today's Christians in order to show how to make freedom in Christ a daily reality. Moore teaches readers to remove obstacles that hinder freedom by identifying spiritual strongholds in their lives and overcoming them through the truth of God's Word, truth that will set us free.

Abba's Whisper Alan Davey, Elizabeth Davey, 2017-01-18 There is a longstanding tradition that God whispers in our ears. He does not shout. It is in the holy whisper, writes the Quaker mystic, that we hear Abba's voice, not in the noise of clamoring crowds or the incessant barrage of social media. To hear the voice of God is an awesome thing: to know his thoughts, to intuit his love, to participate in his good pleasure. It is both a gift to be received and an art to be cultivated. It can call to us when we least expect it, but we can train ourselves to become receptive listeners. We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba, barely audible. Since our wordy world masks the quiet, respectful voice of God, we need to recognize the primary ways that Abba communicates with his creation. We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing. From our deep Christian past, we hear the voice of St. Augustine murmur, "Whisper in my heart, I am here to save you. I shall hear your voice and make haste to clasp you to myself."

Scripture Commentary Sampler Dave Martin, 2019-07-29 This book provides a brief introduction to the literature of Bible commentaries. Its purpose is to present some of the best thoughts from Bible scholars and inspire readers to further explore this rich genre. This Sampler aims to whet the appetite of people who may not have seminary degrees but who nevertheless desire a deep dive into God's Word.

The Will of God Michael Phillips, 2017-08-29 The author of *Make Me Like Jesus* shares a personal and thought-provoking inquiry into the practical mechanics of knowing God's will in our lives. One of the greatest mysteries of the Christian faith is how we can understand the Will of God. The difficulty is underscored by Scripture's repeated use of the word "unknowable" in connection with the Almighty. How can we possibly grasp that which is unknowable? Yet God commands us to know him. He also commands us to search diligently to find wisdom. We are therefore called upon to make the attempt to understand something we will never be capable of knowing. In *Will of God*, Michael Phillips discusses how we can best approach this challenge with gusto as well as humility.
