Long Patrol:

The Long Patrol Brian Jacques, 2004-09-09 Barradum Barradum Barrabubbitybubbityboom Tamello De Fformelo
Tussock wants more than anything to join the Long Patrol those staunch and stalwart hare warriors who make their home at the top of Salamandastron Mountain But Tammo as he is called is too young and inexperienced Or is he Guided by the nomad squirrel Russa Tammo makes his way to Redwall where the Long Patrol has gathered to protect their beloved Abbey from the great rat Rapsallions And as the mighty rats rear their ugly heads and ancient Redwall warriors fall young Tammo learns what life death and honor really mean as a new generation of Redwall heroes comes to the fore to save their home from evil

The Long Patrol Michael Kozlowski, 2013-04-30 After a patrol lasting 139 years the Confederate States Submarine H L Hunley has returned home The Long Patrol describes how the world's first operational submarine was designed and built As this part of the story is methodically unveiled the characters of Horace Lawson Hunley and the Confederate military officers who backed him come to life and step off the pages of the book On another level this book is an indispensable social history of the Confederacy during its slow death It concludes with a description of the burial of the crew of the H L Hunley In his discussion of the likely causes for the loss of the Hunley Mike Kozlowski's description of exhaustion exposure cold ever decreasing oxygen levels and the multiplying factors of ill health concussion and long term malnutrition all strike a resonant chord His is the most likely and well substantiated explanation for the loss of the Hunley and one that fits well with information gained during the recovery of the sunken submarine

The Long Patrol Roy Bainton, 2011-10-14 When the Allies occupied Germany at the end of the Second World War there were two million men present to witness the devastating end of the Third Reich Few of them could have imagined just how long this occupation was going to last right up to the fall of the Berlin Wall in 1989 and well into its aftermath Today some 17 000 British troops remain in Germany But over the past four and a half decades tens of thousands of British men and women have lived and worked in British Zone as members of the British Army of the Rhine BAOR some for relatively short periods many for much longer Long enough though for the experience to have a profound effect on their lives and on their attitudes THE LONG PATROL reveals what life has been like in the British Zone for those men and women and their families As the post war worlds of Britain and Germany had little in common they had to find their own identity often suspended between the two And what did the Germans make of the British How did they react when whole streets sometimes whole districts were requisitioned and occupied What were the psychological effects of a foreign army taking over the barracks of what had been until so recently the homes of the warriors of the 1 000 Year Reich Eventually the British became more and more insulated against the culture around them building their own camps their own cinemas In major centres like Berlin they lived a separate life whilst all around them Germany got on with the massive task of reconstruction In the background there lurked the ever present spectre of a possible Third World War Based largely on interviews and information culled from personal diaries and letters THE LONG PATROL is primarily an

oral history of the British in Germany It also analyses and interprets experiences in an attempt to begin to make sense of an unusual and still significant part of British history in the twentieth century Funny tragic bizarre and poignant in equal parts THE LONG PATROL is an important contribution to the social history of post war Britain and Germ **The Long Patrol** Brian Jacques,1997-07 The Long Range Desert Group in Action 1940-1943 Brendan O'Carroll,2020-12-30 This first pictorial history of the LRDG covers all aspects of its work and the vehicles and weapons they used in their devastating raids Beating Tsundoku The Long Range Desert Group has a strong claim to the first Special Forces unit in the British Army This superb illustrated history follows the LRDG from its July 1940 formation as the Long Range Patrol in North Africa tasked with intelligence gathering mapping and reconnaissance deep behind enemy lines Manned initially by New Zealanders in 1940 the unit became the LRDG with members drawn from British Guards and Yeomanry regiments and Rhodesians So successful were the LRDG patrols that when the Special Air Service was formed it often relied on their navigational and tactical skills to achieve their missions After victory in North Africa the LRDG relocated to Lebanon before being sent on the ill fated mission to the Dodecanese Islands in the Aegean Serving independently when the Germans overwhelmed and captured the British garrisons many LRDG personnel escaped using their well honed skills Many images in this the first pictorial history of the LRDG were taken unofficially by serving members The result is a superb record of the LRDG s achievements the personalities their weapons and vehicles which will delight laymen and specialists alike Well written The photographs brought together here are a stunning selection despite the various quality as it shows the men and machines living the war they fought in Armorama A must read page turner Richard Gough military author and historian Informative and full of exciting detailed accounts of operations that occurred throughout the LRDG s reign of terror on the Axis forces during the war AMPS **The Long Patrol** Brian Jacques,1997 Tammo a daring young hare hungry for adventure is sent with Russa Nodrey the wandering red squirrel to join the Long Patrol and defend Salamandastron against the Rapsallion horde Guadalcanal Campaign ,

the Allies rallied and drove back the Germans in a series of successful offensives On 4 November 1918 the Austro Hungarian empire agreed to an armistice and Germany which had its own trouble with revolutionaries agreed to an armistice on 11 November 1918 ending the war in victory for the Allies By the end of the war the German Empire Russian Empire Austro Hungarian Empire and the Ottoman Empire had ceased to exist National borders were redrawn with several independent nations restored or created and Germany's colonies were parceled out among the winners During the Paris Peace Conference of 1919 the Big Four Britain France the United States and Italy imposed their terms in a series of treaties The League of Nations was formed with the aim of preventing any repetition of such a conflict This however failed with economic depression renewed European nationalism weakened member states and the German feeling of humiliation contributing to the rise of Nazism These conditions eventually contributed to World War II *The Trident Deception* Rick

An Analytical Guide to Television's Battlestar Galactica John Kenneth Muir, 2015-09-15 When the space drama Battlestar Galactica debuted on ABC in 1978 it was expected to be the most popular new program of the year Instead it was attacked as a Star Wars rip off and canceled after a mere 17 stories The author acknowledges the show was full of dramatic cliches and scientific inaccuracies but despite these shortcomings Battlestar Galactica was a dramatically resonant series full of unique and individual characters such as Commander Adama Lorne Greene and ace warrior Captain Apollo Richard Hatch The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences The brilliant work of artist John Dykstra brought a new world of special effects to network television Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology which added a layer of depth and maturity to the weekly drama **Combat Training of the Individual**
