Copyright Office,1975 How to Make Love All Night (And Drive a Woman Wild) Lance Candella,2015-12-27 Daniel and Allison have been making love on a rainy Sunday morning and they are both totally turned on It started in the shower with a slow massage and moved to the bedroom where they have been having intercourse for the past ten minutes Daniel knows that Allison needs at least another five minutes of intercourse before she can climax Here's the problem Daniel doesn't think he has five minutes left in him If Daniel continues having intercourse the way he has for the past ten minutes it may be only a matter of seconds before he has an orgasm He thinks about slowing down or stopping but to break the rhythm now would only make it more difficult for Allison to climax He knows that Allison is at that stage where any kind of change in his movement would only frustrate her Besides if he tried to stop or to change the rhythm Daniel could lose strength in his erection which would complicate matters even further This dilemma is making the whole experience a lot less pleasurable for Daniel The first few minutes of sex were pure excitement but now he is worried and conflicted It is hard to enjoy sex when

you're fighting your own body. Truth is you really can't enjoy sex when you're fighting your own body. And neither can your partner. What Daniel does not yet know is that he has another option: male multiple orgasm. The multi-orgasmic man has staying power. He doesn't have to hold back. He doesn't have to fight his own body and deny himself his own pleasure. He can enjoy all of the erotic sensations of intercourse, have a full orgasm and keep going. If he wishes, he can have a second orgasm and keep going. He can last as long as his partner wishes, experience all of the excitement and release and keep going. For the multi-orgasmic man, the sky is truly the limit. Daniel is not the only man who has this exciting option. Today, techniques have been perfected to make male multiple orgasm an option for almost every man. Age doesn't matter. Previous experience doesn't matter.
