The Bloomsbury Handbook of Early Childhood Transitions Research Aline-Wendy Dunlop, Sally Peters, Sharon Lynn Kagan, 2024-09-19 Research into early childhood transitions has become a field in its own right. It is increasingly understood that a positive start in any new setting can influence the child's engagement, sense of belonging, well-being, progression in learning, and agency, and may be dependent on the insight of educators and families. And yet, there is no research methodology or research methods book dedicated to this growing field of study. Including 27 chapters written by researchers from the UK, New Zealand, the USA, Sweden, Iceland, Australia, and Canada, this handbook presents an overview of the field, exploring its current debates, reflects on its history, and offers suggestions for the future of the field. This book is an essential reference point for anyone studying or undertaking research into transitions in early childhood.

Sporty Girls Sheryl Clark, 2021-03-01 This book engages with the ongoing question of why many girls stop doing sport and physical activity in their teenage years. Previous research has found that many girls' disengagement from sport takes place despite their childhood enjoyment, and that frequently these same women take up sport again as adults. Within these chapters, Sheryl Clark explores what it is about this period of time that persuades many girls to disengage from sports when their male peers continue to take part, why some girls continue to take part, and most importantly, how girls understand this participation. She suggests that girls' participation in sport should be viewed as part of their ongoing constructions of successful girlhood within a competitive schooling system and broader socioeconomic context.
