The Letters of Robert Duncan and Denise Levertov Robert Edward Duncan, Robert J. Bertholf, Albert Gelpi, 2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so lively and productive But what gives the exchange its special personal and literary resonance is the sense of spiritual affinity and shared conviction about the power of the visionary imagination Duncan and Levertov explore these matters in rich detail until under the stress of dealing with the Vietnam War in poetry they discover deep seated differences in the religious and ethical convictions underlying their politics and poetic stance The issues that drew them together and those that drove them apart create a powerful personal drama with far reaching historical and cultural significance The editors have provided a critical Introduction full notes a chronology and a glossary of names

D. H. Lawrence's Non-Fiction David Ellis, Howard Mills, 1988-06-09 This is the first book devoted entirely to Lawrence's nonfictional writings It focuses on a selection of representative texts each of which is placed in an appropriate literary or historical context These include the Study of Thomas Hardy the two books about the Unconscious the travel writing primarily *Twilight in Italy* and *Sea and Sardinia* the largely autobiographical Introduction to *Memoirs of the Foreign Legion* by M M and the late thoughts in verse called *Pansies* David Ellis and Howard Mills challenge the automatic relegation to secondary status suffered by these works in the past and suggest a radical reassessment of Lawrence's literary profile of how his writings relate to one another and of where his greatest power and originality lie

Reading, writing and the influence of Harold Bloom Alan Rawes, Jonathon Shears, 2024-07-30 Reading writing and the influence of Harold Bloom takes the work of the world's best known living literary critic and discovers what it is like to read with against and beyond his ideas The editors Alan Rawes and Jonathon Shears introduce the collection by assessing the impact of Bloom

s brand of agonistic criticism on literary critics and its ongoing relevance to a discipline attempting to redefine and settle on its collective goals. Firmly grounded in though not confined to Bloom's first specialism of Romantic Studies, the volume contains essays that examine Bloom's debts to high Romanticism, his quarrels with feminism, his resistance to historicism, the tensions with the Yale School, and his recent work on Shakespeare and genius. Crucially, chapters are also devoted to putting Bloom's anxiety-themed ratios into practice on the poetry of Wordsworth, Shelley, Keats, and D. H. Lawrence, amongst others. The Harold Bloom that emerges from this collection is by turns divisive and unifying, marginalised and central, radical and conservative.

Modern Heroism Roger Sale, 2021-01-08. In these three studies hinging on an unusual theme, Roger Sale examines three very different writers: an impassioned novelist, a wry and witty literary critic, and a donnish teller of apparently old-fashioned romances that have achieved a cult following today. Many people assume that heroism is dead because the heroic styles of past ages no longer exist. Roger Sale contends that this assumption is accompanied by other beliefs that are part of what he calls the Myth of Lost Unity, a variation on the myth of the Golden Age, a sense that the world was once whole but in recent centuries has gradually disintegrated, a feeling that the human condition is now lost or alienated or drifting, and a conviction that the proper response to life is resignation, cynicism, or despair. Sale reminds us that Lawrence, Empson, and Tolkien all came to believe in the major features of the Myth of Lost Unity. Each, however, replied to what seemed his and our fate and defied the implications of the myth, achieving a community as a badge of that defiance. Sale's exploration of their separate merits reveals how their heroism made them alike. The strength of *Modern Heroism* lies in the formidable critical powers Sale exercises in his three variations on its theme. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1973.

First World War Poetry Jon Silkin, 1997-02-01. A selection of poetry written during World War I. In the introduction, Jon Silkin traces the changing mood of the poets from patriotism through anger and compassion to an active desire for social change. The book includes work by Sassoon, Owen, Blunden, Rosenberg, Hardy, and Lawrence.

Acts of Attention Sandra M. Gilbert, 1990. In the Preface to this second edition of her first book, Sandra M. Gilbert addresses the inevitable question: How can you be a feminist and a Lawrentian? The answer is intellectually satisfying and historically revealing as she traces an array of early twentieth-century women of letters, some of them proto-feminists who revered Lawrence despite his countless statements that would today be condemned as sexist. H. D. regarded him as one of her initiators whose words flamed alive blue serpents on the page. Anais Nin insisted that he had a complete realization of the feelings of women. By focusing on Lawrence's own definition of a poem as an act of attention, Gilbert demonstrates how he developed the mature style of *Birds, Beasts, and Flowers*, his finest collection of poetry. She discusses this volume at length, examines many of his later poems in detail.

including the hymns from *The Plumed Serpent* *Pansies Nettles* and *More Pansies* and ends with a close look at *Last Poems*. Her detailed examination provides a clearer image of Lawrence as an artist whose poetry complements his novels and whose fiction enriches but does not outshine his poetry. **D. H. Lawrence** Keith M.
