Photography: The Art of Deception ,2016-10-17 Photography is a lie Just think about it photographers create two dimensional images that sometimes even lack color and then expect everyone who views the image to believe that this is how the subject and scene appeared in front of the lens in real life What is truly amazing is that people fall for the visual trickery readily almost as if they want to be deceived It gets better people still believe that one can photograph only what is really there In this book Irakly Shanidze reveals the smoke and mirrors that the best photographers use to surprise entertain and inspire viewers He explains that the individual features of photographer s perception and technical limitations of his equipment make him do things that may eventually make a picture look very different from how a viewer would see the same scene with a naked eye and can lead to a ruined picture Conversely photographers who understand these phenomena can use the aforementioned constraints to deliberately adjust the level of truthfulness in their pictures In each beautifully illustrated chapter Shanidze discloses the photographic tools that enterprising photographers can use to create visual deception e g to create a sense of dimension create day for night effects establish mood simulate candid photographs and generally suspend disbelief without the time consuming post processing In doing so he describes the image objectives in other words defines the image concepts and introduces the tools needed to achieve them whether a lens of a certain focal length a light of a specific wattage or a given shutter speed He also deconstructs some of his favorite images to show readers how he was able to create a chiseled deception of his own Armed with this book photographers will learn to truly take the reins in their photographic pursuits and deliver supercharged iconic storytelling images

The Best Art in the World Noah Becker,Michael Maizels,2025-08-12 Founded in 2005 Whitehot

Magazine has become one of the leading channels for contemporary art criticism. Since its inception, Whitehot has published thousands of reviews covering art from the United States, East Asia, the Middle East, Africa, and South America, with key pieces authored by critical luminaries including Anthony Haden Guest, Donald Kuspit, and Phoebe Hoban. The magazine is also uniquely independent in its editorial voice. Unlike other large art world publications, Whitehot is owned and managed by its founding editor rather than by a media holding company. On the occasion of its upcoming 20th anniversary, founder Noah Becker and contributor Michael Maizels have compiled a critical anthology of the magazine's writings. The selected articles not only encapsulate the storied history of Whitehot but also provide a significant window into the evolution of art practice and art criticism since the turn of the Millennium.
