**Abolishing The Traditions Of Men In The Church** Aniekan A Okono,2023-02-01 This book is an exposition of some misunderstood Scriptural texts which have birthed presuppositions and traditions of men in the Church This book shows how the original Hebrews including the followers of Christ understood God s voice how they knew a Scriptural text was inspired and should be accepted It highlights issues which have arisen because in early Church history the original voice wasn t understood and followed properly Since the death of the last of the 12 Apostles traditions of men have taken over the Church and these have had negative effects on the world despite the Church putting so much effort into evangelism and winning souls This book shows how and why Christianity is not the fastest growing religion despite efforts in evangelism and soul winning This book goes further to provide more accurate interpretations of the events from the Garden of Eden down to the tree of life in the book of Revelation It uses principles of interpretation as provided by the Bible itself The book has pointed out traditions of men in the Church with respect to teachings on Hell Heaven who goes to Heaven what happens when we die binding the devil witches and wizards one is taken and one left pleading the blood of Jesus the Church as the bride of Christ times of the gentiles salvation brothers and sisters of mine repent or you ll burn in hell and many other daily teachings

Early Literacy in Preschool and Kindergarten Janice J. Beaty, Linda Pratt, 2003 For introductory courses in Early Childhood literacy To answer the question of what reading and writing activities are best for young children a well known early childhood author has joined forces with a literacy expert to explore the development of literacy in the preschool environment and its ongoing support through kindergarten The results is a pragmatic research based text whose paradigm shift focuses future teachers on the use of cultural characters from picture books as the keys to an entire curriculum of literacy activities Based on the latest theories of naturally emergent literacy this text examines ways to create a literacy friendly learning environment using music and art as natural languages and even strengthening finger muscles for writing through other hands on activities
