## **Look Whos Watching:**

**Look Who's Watching, Revised Edition** Fen Osler Hampson, Eric Jardine, 2017-11-08 The Internet ecosystem is held together by a surprisingly intangible glue trust To meet its full potential users need to trust that the Internet works reliably and efficiently when providing them with the information they are seeking while also being secure private and safe When trust in the Internet wanes the network's stock of digital social capital falls and users begin to alter their online behaviour These often subtle changes in behaviour tend to be collectively highly maladaptive hindering the economic developmental and innovative potential of the globe spanning network of networks Look Who's Watching Surveillance Treachery and Trust Online confirms in vivid detail that the trust placed by users in the Internet is increasingly misplaced Edward Snowden's revelations that the United States National Security Agency and other government agencies are spying on Internet users the proliferation of cybercrime and the growing commodification of user data and regulatory changes which threaten to fragment the system are all rapidly eroding the confidence users have in the Internet ecosystem Based on a combination of illustrative anecdotal evidence and analysis of new survey data Look Who's Watching clearly demonstrates why trust matters how it is being eroded and how with care and deliberate policy action the essential glue of the Internet can be restored What does

"Flipflops" have to do with a "Wedgie"? John Angus Jacobs, **Look Who's Morphing** Tom Cho, 2009-03-01 Tom Cho's collection of fictions and fantasies is all about morphing and transformation Through the shape shifting we follow the narrator on his surreal adventures which include dirty dancing with Johnny Castle a rambunctious encounter with TV's Dr Phil a job as Whitney Houston's bodyguard and another as a Muppet a period in service with the von Trapp family in The Sound of Music a totally destructive outing as Godzilla and that high octane performance as a Gulliver sized cock rock singer complete with cohort of tiny adoring girls As these fantasies of identity sexuality and power **Entertainment and Society**

Shay Sayre, Cynthia King, 2010-04-05 The second edition of this innovative textbook introduces students to the ways that society shapes our many forms of entertainment and in turn how entertainment shapes society Entertainment and Society examines a broad range of types of entertainment that we enjoy in our daily lives covering new areas like sports video games gambling theme parks travel and shopping as well as traditional entertainment media such as film television and print A primary emphasis is placed on the impact of technological and cultural convergence on innovation and the influence of contemporary entertainment The authors begin with a general overview of the study of entertainment introducing readers to various ways of understanding leisure and play and then go on to trace a brief history of the development of entertainment from its live forms through mediated technology Subsequent chapters review a broad range of theories and research and provide focused discussions of the relationship between entertainment and key societal factors including economics and commerce culture law politics ethics advocacy and technology The authors conclude by highlighting innovations and emerging trends in live and mediated entertainment and exploring their implications for the future The new edition features

updated examples and pedagogical features throughout including text boxes case studies student activities questions for discussion and suggestions for further reading
