Looking At Iran:

Iran Looking East Annalisa Perteghella, 2020-01-12 In February 2018 anticipating the US withdrawal from the JCPOA Iran's Supreme Leader Ayatollah Ali Khamenei declared a policy of preferring East over West thus paving the way for deeper cooperation with Asian powers such as China Russia and India Differently from the Look East policy promoted during the presidency of Ahmadinejad 2005-2013 the current Iranian strategy is not only functional to escape the US led isolation but it rather seems devoted to the consolidation of a block of power which can commit to security and economic schemes in alternative to the Western dominated ones This ISPI report aims to answer few crucial questions Which are the major initiatives promoted within Iran's Look East 2020 strategy To what extent will Tehran succeed in creating a solid Eastern block What will be the influence of the wider geopolitical context And finally what role is left for the EU *Looking East* Shirzad Azad, 2020-05-01 Know yourself that's great advice but how do we get there In a lively conversation about the meaning of life three characters explore a wide range of concepts including friendship and love self discipline and self respect trust and justice **Through the Looking Glass** Anu Sharma, 2022-01-31 This book analyses Iran's foreign policy in order to better assess its relations with India and the factors that are propelling the two nations closer In a region susceptible to power plays how far can India Iran partnership go This book will be of interest to scholars of International Relations Iranian Politics and Iranian Foreign Policy Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Iran and China** Shirzad Azad, 2017-02-09 Because of their historical roles and politico economic significance in contemporary international politics Iran and China have perpetually been in the crosshairs of both policy circles and interested observers in almost every other part of the world Crucial interactions touching upon any aspect of Tehran Beijing ties from diplomatic and military links to economic and cultural connections have especially been in the limelight of such riveting inquisitiveness which has often given rise to a flurry of rash comments sensational claims and impetuous conclusions But a detached probe into critical developments involving Iran and China however elucidates this rather inconvenient eventuality that the relations between the two important countries are not essentially based on pivotal principles and clear cut commitments nor do their ties really rest on tenuous thoughts and flimsy foundations devoid of any common interests in short term or well conceived objectives in long run In the same way the two political systems in Tehran and Beijing may ultimately end up each contributing to a separate pole of power regionally and internationally rather than moving faithfully and steadfastly in lockstep with what it requires them to truly materialize their more recent aspiration and design to move toward achieving a very close strategic partnership **Iran's Influence in Afghanistan** Alireza Nader, Ali G. Scotten, Ahmad Idrees Rahmani, Robert Stewart, Leila Mahnad, 2014-06-11 This study explores Iranian influence in Afghanistan and the implications for the United States after most U S forces depart Afghanistan in 2016 Iran has substantial economic political cultural and religious leverage in Afghanistan Although Iran will attempt to shape a post 2014 Afghanistan

East Asia and Iran Sanctions

Shirzad Azad,2022-05-17 This book explores how international sanctions on Iran reshaped the contours of East Asia's interactions with the Middle Eastern state Almost all East Asian political entities from the industrialized and developed nations of Japan and South Korea to the communist and developing countries of China and North Korea have become major international partners of Iran over the past several decades In addition East Asian states were by and large thought to be among leading foreign beneficiaries of Iran sanctions and the overall impacts of sanctions in transforming both the scope and size of their rather multifaceted connections to the Middle Eastern country have been consequential Despite its significance academic studies about this topic have remained sparse and scattered This book aims to partially fill that research lacuna by surveying all relevant information and data available in the archives of several languages including Chinese English Japanese Korean and Persian While the book strives to cover the entire sanctions period most of the analysis focuses on the past one and a half decades when Iran came under the severest sets of international sanctions It was during this particular time period that international quandary over the Iranian nuclear program led to a slew of far reaching penalties and stringent restrictions levied against Iranians by the United Nations and the United States These recent waves of international sanctions and limitations transformed many quintessential characteristics of East Asia's interactions with Iran Such sanctions induced critical developments and changes moreover are bound to play an instrumental role in the direction and volume of exchanges between East Asian states and Iran in the coming years and decades

Lessons from Iran Rose Carmichael,2024-03-28 Are you foreign Why would you come to Iran Please tell your friends back home that we are nothing like the Western media These were among the phrases that Rose would hear almost daily in Tehran Hijabs Hitchhiking and Hangovers Lessons from Iran is a coming of age travel adventure At the age of 20 Rose was part of the first group of Cambridge students to study in Iran after Iran re opened its borders to the West Navigating Foreign Office warnings and nuclear sanctions she was at first a rather reluctant traveller overwhelmed by the culture clashes language barriers and Islamic law Through a collection of short stories Rose tells of how she makes a home in Iran

experiences unexpected kindness and gets to grips with the Farsi language At times amusing and at others tragically telling of the harsh realities of Iranian society Hijabs Hitchhiking and Hangovers is a gripping account of self reliance and the often dangerous impact of politics on travel abroad **Iran** Inge Morath,2009 Edited and preface by John P Jacob Text by Azar Nafisi Monika Faber **Iran's Destabilizing Role in the Middle East** United States. Congress. House. Committee on Foreign Affairs,2014 **Misadventure in the Middle East** Henry Hemming,2010-11-26 Experience the tale of a hapless young artist Yasmine the pick up and an extraordinary journey across the world *A State of Fear - My 10 Years Inside Iran's Torture Jails* Dr Reza Ghaffari,2012-06-29 This is the book the Iranian authorities have been dreading you might one day read and have taken drastic measures to ensure that you don't It is a story of such horrific brutality that anyone who was sceptical about claims that Iran is part of the axis of evil will have that scepticism dispelled by the time they finish reading it A real insight into the sickening torture jails of Iran and the gut wrenching horror of the treatment dished out to political prisoners who oppose the regime this does not make easy reading Dr Reza Ghaffari was a professor at the University of Tehran until his arrest in the spring of 1981 under suspicion of being a member of a banned socialist group This is his story from the time of his arrest to his eventual escape a decade later It recounts his experiences through ten years of torture and as a witness to and near victim of prison massacres But the book is not merely a catalogue of atrocities It is also one of triumph for integrity and the human spirit in the face of the utmost degradation And there is comedy as prisoners take firm hold of their sanity entertain one another and come to terms with the absurd aspects of their predicament Nothing like this book has ever been written Nothing in English or in Persian has so comprehensively so movingly or so colourfully portrayed prison conditions and the strength of those suffering them It is horrific enlightening and profound The fatwa imposed by the then Supreme Leader of Iran against author Salman Rushdie for writing *The Satanic Verses* scared many publishers into refusing to print this book in English In 1999 the Iranian authorities came looking for Dr Ghaffari in London and he was moved to a safe house by MI6 where he stayed for close to a year After the attack on the World Trade Centre in New York the terrorist threat level in the UK was raised and Dr Ghaffari was allowed back to his family with greater surveillance on his house The years of torture have taken their toll on Dr Ghaffari's health but he has refused to be cowed down and is as determined as ever that his story should be told
