compilation of 101 meditations of the heart The content is Biblical and the language is simple These reflections are based on Scripture passages that were originally written during the lockdown year 2020 through 2021 in random order 365 in all They were arranged thematically later It was never meant to be published since it is a part of a personal prayer journal that the author later decided to share with others Some of the topics include Repentance Holiness Faith Divine Healing Salvation Praise and God s Eternal Word The Christian walk is not just terribly difficult a path so rocky that many fall by the wayside but it is downright impossible to achieve in our human strength It is however simple and full of joy when we partner with the Helper the Holy Spirit who abides in us The purpose of this book therefore is to address some of the doubts that haunt us and the lies of this world that cling to us from our past life It is the Truth alone that sets us free and enables us to live as Jesus taught us So NEWNESS OF LIFE is intended to encourage the Christian to walk by Faith and not by sight on the narrow path and in the victorious New Life that we have in Christ Jesus

LOOKING FOR HAPPINESS? LOOK INSIDE! ALBERTO VEZENDI, 2019-06-07

Why squander our life the only one we have in a permanent state of want and anxiety when we can live a life of abundance and bliss Why make our happiness depend on externalities when the only truly lasting happiness is inside each one of us Why sacrifice the happiness we could be enjoying today on the altar of a vague promise of future bliss when we already have everything we need to be happy in the present In this work the author shows us how to overcome the two main obstacles to happiness attachment and anxiety Readers will see that detachment and the ability to stop worrying are neither gifts of the chosen nor inborn talents reserved for a few but skills that can be learned at any moment in life regardless of our situation In the first part we ll focus on attachment to objects and people We ll see how attachment inevitably leads to fear and that fear is incompatible with happiness We ll examine the role of craving and desire of want and satisfaction of control and freedom of possessions and love and we ll see that precious little is needed to live a happy life In the second part we ll delve into what is probably the main cause of unhappiness anxiety We ll see that most of the worry that taints our happiness is unjustified because it stems from adversities that only exist in our mind To understand this reasoning we ll analyze how we create all our expectations and fears in the present how we project them into a future that is no less a product of our own imagination and how we then await with apprehension the arrival of that future in which we have placed our hopes and misgivings Happiness is not an unattainable dream not even a future goal we re doomed to pursue forever in vain but a natural innate gift we ve all been endowed with We have now and always have had all the happiness we ll ever have but we don t allow it to bloom in our lives because we ve unconsciously buried it under an ever thickening layer of impediments that prevent it from manifesting every day of our life This book is here to help you find your happiness but to do so it has to challenge many of the received ideas and dogmas that for centuries have condemned humanity to unhappiness Please read it with an open mind and consider with fairness whether the ideas contained herein make any sense for you When doing so be honest with yourself and don t let

other people's opinions influence your conclusions Remember that ultimately you are your only judge and that on your deathbed the opinions other people may have about you will not change the verdict of your conscience about how you lived your own life Your happiness is in your own hands and nowhere else for only you can make it real Let this book help you drop the ballast of your worries and attachments and glide smoothly through life The solution is inside discover it and let the magic happen Don't wait until it's too late it's now or never
