## **Looking For God In All The Right Places:**

*Looking for God in All the Right Places* Florence Littauer, 1987      **In Search of the Good Life** Paul Marcus, 2018-03-21  
Emmanuel Levinas 1906 1995 French phenomenological philosopher and Talmudic commentator is regarded as perhaps the greatest ethical philosopher of our time While Levinas enjoys prominence in the philosophical and scholarly community especially in Europe there are few if any books or articles written that take Levinas's extremely difficult to understand if not obtuse philosophy and apply it to the everyday lives of real people struggling to give greater meaning and purpose especially ethical meaning to their personal lives This book attempts to fill in the large gap in the Levinas literature mainly through using a Levinasian inspired ethically infused psychoanalytic approach      *A Work of Heart* Reggie McNeal, 2011-10-12  
Revised and updated edition of the classic work on spiritual leadership In *A Work of Heart* bestselling author and missional expert Reggie McNeal helps leaders reflect on the ways in which God is shaping them by letting us see God at work in the lives of four quintessential biblical leaders Moses David Jesus and Paul McNeal identifies the formative influences upon these leaders which he sees as God's ways of working in their lives the same influences at work today forming leaders for ministry in our times He explores the shaping influence of culture call community conflict and the commonplace Offers guidance for church leaders to let God shape their hearts from the inside out Reggie McNeal is the author of the bestselling book *Missional Renaissance* Gives reassurance for maintaining perspective while doing the demanding work of ministry The book includes illustrative stories of contemporary leaders opening their hearts to God's guidance      *Seeking God Daily* Les Wilks, 2019-10-30 I don't believe in coincidence I believe everything that happens is God ordained and happens for a reason My daughters always remind me I could teach a lesson from a rock Even the whole world reveals God's creation and if we remain silent the rocks will cry out proclaiming the glory of God You are one of the greatest glories God ever created We are created in God's image and for his glory *Seeking God Daily* is a devotional written to encourage and strengthen your walk with God I put a scripture that spoke to me with each picture I took through the year and wrote a devotional to go with the scripture Maybe you've drifted farther away from God than you intended too Perhaps you feel stranded and bogged down in your life today Just as an artist paints a masterpiece or wood worker can turn a piece of wood into a work of art God the great creator can turn you into a work of art as well God isn't finished with you yet God sees beauty where no one else does

Warren Stone,2024-11-27 Warren Stone the author fell through the ice on Lake Agnew Ontario in the dead of winter trapping him in an icy prison with water penetrating his clothing and gradually pulling him down As his face slipped under the surface he extended his right hand upward and shrieked God help me Though Warren expected to see Jesus take his hand and pull him to safety he saw only snow against the darkened sky He resigned himself to the fact he would drown in a moment then blanked out When he regained consciousness he stood four feet back from the hole staring into the water and broken ice where he struggled The only tracks in the snow on the lake were his and there was no disturbance in the snow around the hole Warren tried to logically rationalize his escape for two years without success Finally he had to admit that God saved him a man who did not love or believe in Him who never did one single thing for Him and who denied and ridiculed Him This event spurred Warren to begin a twenty year journey to God s side Along the way events occurred that taught him about the power of God and his great love for him and others And he also learned that God is not a logical being He does not follow the laws of science or physics time is His tool not a limitation and He truly is immortal Finally accepting these illogical facts Warren gave control of his life to God and became an enlightened person Journey to Illogical God chronicles and discusses the series of miraculous events that led Warren to be saved by God and serve Him This book is filled with true stories and unpredictable surprise endings that warm the heart     **Your Daily Journey with God** David Jeremiah,2016-10 No matter how much time you spend in Scripture there is always something new to learn be it a fresh take on a favorite verse or a new piece of wisdom you ve simply never noticed before That s the beauty of God s Word In Your Daily Journey with God New York Times bestselling author Dr David Jeremiah distills the wisdom of the Bible into 365 beautifully crafted devotional readings that will help ground and guide you every day of the coming year Featuring specially selected Bible verses and quotations from such respected Christian thinkers and writers as C S Lewis Charles H Spurgeon A W Tozer J I Packer D L Moody and countless others this stunning pocket sized devotional is sure to enhance and enrich your daily walk with God
