Looking For God Seeing The Whole In One:

Seeking God In All Things William Reiser, 2004-05-01 The practice of spiritual direction assumes a theology of the Holy Spirit a theology of revelation and of the Church and a theology of prayer Seeking God in All Things explores each of these themes as the underpinnings of spiritual direction and examines what makes the Christian religious experience distinctive Since not every experience of God bears a Christian imprint William Reiser SJ asks whether and in what way a Christian might be able to assist someone who is not Christian in developing his or her interior life This question looks beyond suggesting the concrete steps a person might take in initiating nurturing and solidifying a way of praying It looks rather toward the fundamental issue of helping others as they discover and deepen their relationship to the mystery of God Chapters are It Is God Who Directs Imagining Divine Action in Human Lives Where Do Holy Desires Come From What s Distinctive About the Christian Religious Experience Further Elements of Christian Distinctiveness The Incarnation as a Starting Point for Spiritual Direction and Should Christian Spirituality Move Beyond Jesus William Reiser SJ PhD is a professor of theology in the religious studies department at Holy Cross College Worcester Massachusetts Over the past twelve years he has also served as an associate staff member at the Center for Religious Development in Cambridge He is the author of *Jesus in Solidarity with His People* published by Liturgical Press 1 and 2 Timothy, Titus, and Philemon H. A. Ironside, 1947 Devotional practical and Christ centered the Ironside Expository Commentary Series offers insightful and practical comments that bring out the essential truths of God s Word All volumes present the unabridged text in a newly typeset edition A perfect resource for preaching and teaching from the English text of the Bible these commentaries also provide the general reader with an excellent resource for personal study and spiritual growth *A Human-Shaped God* Charles Halton, 2021-10-26 A Human Shaped God approaches the humanlike accounts of God in the Old Testament as the starting places for theology and uses them to build a picture of the divine This understanding of God is then brought into conversation with traditional conceptions that depict God as a being who knows everything that happens is at every place at the same time is constant and unchanging and does not ultimately have material form But instead of pitting the Old Testament s humanlike view of God against traditional theology and assuming that only one of these understandings is correct A Human Shaped God posits that theologians should embrace both of these constructions simultaneously This is a new way of theological inquiry that embraces both the humanlike characteristics of God and the transcendence of God in traditional theology By seeing and understanding the humanlike depictions of God in the Old Testament and by using the rich language of traditional theology together in tandem the reader acquires a much deeper and meaningful understanding of God *Library of St. Francis de Sales ...* saint François de Sales, 1884* *God-Man. ... Robert Murray M'Cheyne Bonar, 1872 The Whole Works of Robert Leighton, Archbishop of Glasgow Robert Leighton, John Norman Pearson, 1859 The Cure for GOD'S Epidemic Roshi Bharat, 2014-09-15 THE CURE FOR GOD S EPIDEMIC is a revolutionary book dedicated to last reformer of India who wanted to create a worldwide religious revolution He was a saint and an intellectual warrior By his name the minds of Priests Acharyas Pundits and Mullahs tremble with fear This book is based on logic and reasoning a book which opens up Hinduism and sheds light on Islam and Christianity This book will make you to think who you are and why you are on this planet For Hindus it will be an eye opener as what they have been practicing so far and even practice today is not what Hindu Dharma is This book is bound to touch your inner soul and mind The Book focuses for the first time in the History of religions on the following topics Is Ram Krishna Jesus Allah etc a GOD or not Who is the True GOD and does GOD exists a scientific approach Concept of GOD Matter and Prana i e the Life Force What is True Spirituality How can all religions live in peace Theory of Karma from Scientific angle How is the universe created How was the human created first What happens after death Why one should NOT marry with cousins or direct blood What the Universe is made up of Demolishing Big Bang Theory Unified Theory of Creation Concept of Prana What is Space **Looking for God** Chuck Hillig, 2006-07-25 Yes this is a very holey book It uses spatial emptiness to share a profound and universal Truth that can in fact only be pointed to Words can only take you so far After that there s only the Void This book is a reminder that the ultimate riddle of your life might not be found in what you want to become enlightened but only in the sudden realization of what in fact you already are what is By referring to the empty hole in the center of this book the Author is also pointing to the empty void in the center of you too In short Truth is not really about becoming anything at all as much as it is about being everything that is The Eternal Void Empty your thoughts and look inside Be ready to discover that deep down you ve got the w hole world in your hands *It Is the Same Light* Daljit Singh Jawa, 2015-03-28 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of

special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 7 pages 1201 1430 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas

Living Devotion and the Whole Desire of God Robert John Spriddell, 2025-06-13 Juggling the demands of daily life leaves many ordinary Christians simply longing to discover how their faith can be nurtured in ways that are achievable practical biblically grounded and spiritually fulfilling What is devotion from God s perspective This book explores the answer to this question and demonstrates that true devotion is neither secondary nor inconsequential it is active powerful liberating and living This book was written with the sole purpose of enriching and encouraging the reader toward a greater love of God Whilst devotional reading and prayer are explored the reader will discover that devotion is not about doing but about being In ways that are not overly theological legalistic demeaning or patronizing the reader is guided through the means of participating personally with God and abiding in Christ through Living Devotion This Living Devotion is achievable and available without compulsion to every Christian with no exceptions and no sense of spiritual exclusiveness or superiority All God has ever wanted from believers is reciprocated love and for us to experience and enjoy his presence continually in our lives This is the whole desire of God

This is the story of Jonathan Smith, an average guy who spent the majority of his life trying to find purpose and reason. The only real quest he had was for truth. He wanted more than anything to know who he really was, where he came from, and what would happen to him when he died. Jonathan had all but abandoned any hope of knowing such things when, through an unexplained occurrence, he found himself outside of time and space in a Realm of Thought and Light. Through his experience, Jonathan came to understand who he was. He once again was brought back into the knowledge of all the things he had forgotten. He saw and experienced the Entities of Light, the Beings of Light, the Light World, the World of Matter, the Entities of Self, and so on. He learned the nature of good and evil and he came to understand why things appear the way they do. Jonathan, knowing he could stay in the World of Light, came back to share his story with us that we might remember who and what we are.
