*The Art of Looking at Art* Gene Wisniewski, 2020-10-04 A readable guide to the art of looking at art There's an art to viewing art A sizable portion of the population regards art with varying degrees of reverence bewilderment suspicion contempt and intimidation Most people aren't sure what to do when standing before a work of art besides gaze at it for what they hope is an acceptable amount of time and even those who visit galleries and museums regularly aren't always as well versed as they wish they could be This book will help remedy that situation and answer many of the most frequently asked questions pertaining to the matter of art in general When was the first art made Who decides which art is for the ages What

is art's purpose How do paintings get to be worth tens of millions of dollars Where do artists get their ideas And perhaps the most pressing question of all have human cadavers ever been used as art materials Yup The Art of Looking at Art addresses these and countless more of the issues surrounding this frequently misunderstood microcosm in a highly informative yet conversational tone History fascinating and altogether human backstories and information pertaining to every conceivable aspect of visual art are interwoven in twelve concise chapters providing all the information the average person needs to comfortably approach analyze and appreciate art Readers with a background in art will learn a few new things as well This beautiful full color book includes 45 full page reproductions Thirteen Ways of Looking at Latino Art Ilan Stavans, Jorge J. E. Gracia, 2014-02-07 The essayist and cultural commentator Ilan Stavans and the analytic philosopher Jorge J E Gracia share long standing interests in the intersection of art and ideas Here they take thirteen pieces of Latino art each reproduced in color as occasions for thematic discussions Whether the work at the center of a particular conversation is a triptych created by the brothers Einar and Jamex de la Torre Andres Serrano's controversial Piss Christ a mural by the graffiti artist BEAR\_TCK or Above All Things a photograph by Mar a Magdalena Campos Pons Stavans and Gracia's exchanges inevitably open out to literature history ethics politics religion and visual culture more broadly Autobiographical details pepper Stavans and Gracia's conversations as one or the other tells what he finds meaningful in a given work Sparkling with insight their exchanges allow the reader to eavesdrop on two celebrated intellectuals worldly erudite and unafraid to disagree as they reflect on the pleasures of seeing Pencil Drawings - A look into the art of David J. Vanderpool David Vanderpool, 2013-06 Starting off with the artist's top winning pencil drawings from 2010 through 2012 this autobiography style book allows the reader an opportunity to not only learn the process it took to complete most of his drawings created between 2008 2013 which are shown within these pages but offers a personal look into who the artist is as a man From portraits to figure drawings David J Vanderpool shares how simple pencil lines can be used to create masterfully crafted drawings all while working through obstacles he would later encounter as an artist Proving that art isn't always about who the artist is but rather who catches his attention at that moment Closing with several fan favorite drawings from his other top selling books this book offers his most completed works to date VIEWER DISCRETION IS ADVISED This book contains adult male nudity NOTICE This book is not a how to book but rather as one review noted An Art Exhibit And Fan Book The inside pages are not glossy Looking at Art Peter V. Moak, 2016-09-06 This guide contains a new approach to looking at and appreciating art One not found elsewhere It makes you aware of abilities you already have to see things in various ways The key to these abilities is what I call the visual ego the place between your eyes from which you see the world The guide then describes a series of particular ways of seeing and making works of art Finally it applies these ways which I call perspectives to works of art painting sculpture architecture and the decorative arts covering a period of some seventy thousand years The results I find to be amazing including new understandings and appreciation of many works of art and artists and their place in the
