anyone can get to the truth it's Henry Walsh. He'd only recently aced the Florida private investigator's exam and paid his one hundred sixty seven dollar fee. But with the ink still wet on his new business cards he's got his first big client. At first he's reluctant to take the case. There's no doubt the evidence is thin. But Henry's a headstrong straight shooter. He'll take his chances. And he could use the work. John Thompson had some questionable business dealings with a friend. And with an ex wife, a dead wife, a young widow, and a handful of women on the side, questions about his past quickly rise to the surface. With help from ex cop Alexandria Alex Jepson, the two start to dive into the investigation. But it all hits home when a head on collision injures Alex, and Henry fears the worst. It soon becomes crystal clear someone is out to stop them. And the more Henry digs, the deadlier it becomes. Book 3, *The Crystal Pelican*. In his most thrilling mystery yet, private investigator Henry Walsh dodges bullets, bombs, and married women to help find a friend's missing fianc. Just as he's about to begin the search, an explosion rocks the marina where his friend was staying. When divers from the Sheriff's Office come up out of the water empty handed, Henry can only fear the worst. But he keeps his promise and leaves no stone unturned as he continues his search for his friend's fianc. And as he hunts for those responsible, it's Henry who soon becomes the hunted. The target on his back only grows, and he must fight to keep those around him out of harm's way. His normally hard shelled partner Alex is worried they're in way over their heads. She pleads with him to leave it in the hands of the Sheriff's Office. But walking away was never Henry's thing. And he knows once he has all the pieces, he'll have no problem making them fit. As long as he can stay alive. When Henry finally discovers the one thing everyone's been after, getting his hands on it is his only option. But it won't be as easy. Apparently, it's a treasure worth killing for.

**Children's Weebies Family Early Reading Book 1** Alastair R Agutter, 2014-04-07

Children's Weebies Family Early Reading English Language Book 1 starts to teach Pre School and Junior Children how to read Created in full colour with illustrations to help Children in their early learning and making education lots of fun A book suitable for ages between 3 to 8 years The book also encourages Children to draw developing hand coordination skills

The Weebies Family Collection of books have been specially created and designed for early learning Pre School for Children So as to provide today that very critical early start in life through communication Each book has been designed in full colour and where the illustrations created by the author are developed using fractal maths and here is why

A Child's view point in early development can relate to shapes and colours at Pre School age Each drawing is therefore created in fractal maths only using circles triangles and squares As this is a creative stage that can be comprehended at an early age and this is why Children's drawings are very exact to them where pictures they create appear to be rectangular circular etc The drawings are deliberately designed so Children can connect and become inspired by the colours and shapes where they can become confident to draw themselves therefore developing hand coordination skills

These books are very educational and all have a pertinent meaning and so they are not just books coupled together They are deliberately written and designed to quickly hook Children at an early age to learn about the World around them For example being taught different types of fish animals foods and so much more The Weebies books also teach early Child development with a sense of right and wrong developing at an early age a moral compass to care for others Learning to look after our wild life and preserve our planet To love and care for each other so as to develop strong communication ties and bonds

Children are remarkable Human Beings and have the ability from birth to learn with great enthusiasm The small word why so often asked is a question in pursuit for knowledge by your Child in this new found world

The 21st century with all the challenges ahead for the Human Race needs the spirit and hope of knowledge to be found in every Child The Children of today are the custodians of Earth tomorrow Each

book is educational for a Child beginning this journey
