Brothel as well as unpublished lectures including The Intelligence of Picasso a wide ranging look at Picasso s enduring ambition to stretch the agenda of representation from childhood drawings to his last self portrait An introduction by art historian Richard Schiff contextualizes these works and illuminates Steinberg s lifelong dedication to refining the expository interpretive and rhetorical features of his writing Picasso is the fourth volume in a series that presents Steinberg s writings selected and edited by his longtime associate Sheila Schwartz Picasso: A Biography Patrick O'Brian,1994-03-17 The best biography of Picasso Kenneth Clark Patrick O Brian s outstanding biography of Picasso is here available in paperback for the first time It is the most comprehensive yet written and the only biography fully to appreciate the distinctly Mediterranean origins of Picasso s character and art Everything about Picasso except his physical stature was on an enormous scale No painter of the first rank has been so awe inspiringly productive No painter of any rank has made so much money A few painters have rivaled his life span of ninety years but none has attracted so avid so insatiable a public interest Patrick O Brian knew Picasso sufficiently well to have a strong sense of his personality The man that emerges from this scholarly passionate and brilliantly written biography is one of many contradictions hard and tender mean and generous affectionate and cold private despite the relish of his fame In his later years he professed communism yet in O Brian s view retained to the end of his life a residual Catholic outlook Not that such matters were allowed to interfere with his vigorous sensuality Sex and money eating and drinking friends and quarrels comedies and tragedies suicides and wars tumble one another in the vast chaos of his experience he was a man almost as lonely as the sun but one who glowed with much the same fierce burning life It is with that impression of its subject that this book leaves its readers **A Life of Picasso: 1881-1906** John Richardson,Marilyn McCully,1991 A three volume study of the life and work of Pablo Picasso captures the artist from his early life in M laga and Barcelona through his revolutionary Cubist period to the height of his talent in prewar Europe
