*The Predictably Unpredictable God* James J. Carlin, 2021-02-15 Have you ever questioned why God takes so long at times to answer a prayer Or why He does things for some people much faster than He does for others We know that He's made many promises to us and we also know that He's good for His Word So from that standpoint answering our requests should be a very predictable thing shouldn't it If you're like me and so many others who make requests of God and have had to wait long bouts of time for them to be answered you can get to where you question if your prayer will be answered at all But in my life I have had situations where my prayers were answered many years before I knew it and have also seen where many were answered in ways that I would never have suspected Ways that

can make a person shake their head in wonder However when we take the time to really look at how things played out from a kingdom perspective I feel things become more clear and are easier to understand I feel these types of things as well as others demonstrate just how unpredictable God can be But they can also show how much thought God puts into remedying our situations With that said the intent of this book is to help build faith and at the same time give more hope by seeing things from a kingdom perspective It had that effect on me while God was giving it to me and I hope that all who read it will be blessed in the same or even a greater way

**First Love Devotions** Dr. T.E. Grainger, 2017-12-12 First Love Devotions is written from the authors rich experience of over fifty years as a pastor and teacher One of the dangers a pastor faces is becoming mechanical and professional and losing the first love that motivated him to devote his life as a servant of God The best safeguard against that is maintaining a loving intimate daily fellowship with Jesus as you seek his guidance in understanding the scripture If you find your love for Jesus waning do a thorough job of repentance as you renew and cultivate this relationship Each first love devotion treats a passage of scripture and gives insight based on prayerful reflection as it relates to personal experience In addition to personal spiritual benefits the Christian worker will find a wealth of topics sermon prompts and illustrative materials that may be shared with others
