Organizational And Racial Conflict In Maximum Security Prisons:

Organizational and Racial Conflict in Maximum-security Prisons James Gordon Fox, 1982 Governing Prisons
John J. DiIulio, 1990-06 Challenging the accepted notions about prisons DiIulio argues that far from being traps for society's refuse they must and can be made safely humane He shows that the key to better prisons is a highly disciplined constitutional government employing prison managers who are strong enough to control the inmates yet obliged to control themselves The book illustrates how the use of such a governing system can provide order encourage civilized behaviour and enforce punishment that is just as well as merciful The Management of Correctional Institutions Marilyn D. McShane, Franklin P. Williams, 1993 Section 1 pages 1 to 68 presents an overview of the literature on prison management and the results of a national survey of wardens which enquired into actual management styles problem solving techniques and decision making approaches The national survey aimed to determine how much the literature reflected the wardens management practices Findings showed that corrections management largely reflects the literature in that it has inconsistencies an emphasis on personnel experience and an inward focus These results were used to develop a perspective focusing on a humane and caring relationship between manager and staff Section 2 pages 72 to 301 contains abstracts of the 100 most important works both essay and research on correctional institution management The Rise and Fall of California's Radical Prison Movement Eric Cummins, 1994 This is a history of the California prison movement from 1950 to 1980 focusing on the San Francisco Bay Area's San Quentin State Prison and highlighting the role that prison reading and writing played in the creation of radical inmate ideology in those years The book begins with the Caryl Chessman years 1948 60 and closes with the trial of the San Quentin Six 1975 76 and the passage of California's Determinate Sentencing Law 1977 This was an extraordinary era in the California prisons one that saw the emergence of a highly developed radical convict resistance movement inside prison walls This inmate groundswell was fueled at times by remarkable individual prisoners at other times by groups like the Black Muslims or the San Quentin chapter of the Black Panther Party But most often resistance grew from much wider sources and in quiet corners from dozens of political study groups throughout the prison from an underground San Quentin newspaper and from covert attempts to organize a prisoners union The book traces the rise and fall of the prisoners movement ending with the inevitably bloody confrontation between prisoners and the state and the subsequent prison administration crackdown The author examines the efforts of prison staff to augment other methods of inmate management by attempting to modify convict ideology by means of bibliotherapy and communication control and describes convict resistance to these attempts as control He also discusses how Bay Area political activists became intensely involved in San Quentin and how such writings as Chessman's Cell 2455 Cleaver's Soul on Ice and Jackson's Soledad Brother reached far beyond prison walls to influence opinion events and policy The American Prison Lynne Goodstein, Doris L. MacKenzie, 2013-03-08 Despite the dire forecasts of others who had themselves edited books we proceeded with the project

of an edited volume on the American prison although with more than a little trepidation We had heard the horror stories of authors turning in their chapters months or years late or never at all of publishers delaying publication dates of volumes that read more like patchwork quilts than finely loomed cloth As if to prove the others wrong our experience in editing this volume has been marvelous and we think the volume reflects this Most likely the success of our experience and of the volume stems from two elements first the professionalism and commitment of the authors themselves and second the fact that early in the life of this volume most of the authors convened for a conference to critique and coordinate the chapters This book brings together an illustrious group of criminologists and correctional scholars who wrote chapters explicitly for this volume Co hesiveness was furthered by the charge we gave to each author to 1 present the major issues 2 review the empirical research and 3 discuss the implications of this work for present and future correctional policy The goal of this project was to examine the major correctional issues facing prison systems The chapters scrutinize the issues from the perspective of the system and the individual from theory to practical and daily management problems from legal to psychological concerns

Prison and Jail Administration: Practice and Theory Peter Carlson, Judith Garrett, 2008 History of Corrections Peter M Carlson Tom Roth and Anthony P Trivisono American jails Arthur Wallenstein and Ken Kerle Prison architecture Robert S George Developing technology Peter M Carlson and Sonya D Thompson Custody and security Michael B Cooksey Inmate classification Peter M Carlson Education and vocational training Harold David Jenkins Recreation Harold L Kahler Health care Robert R Thompson Mental health Sally C Johnson Religious programming Susan M Van Baalen Intake discharge mail and documentation Jeffrey W Frazier Food service Lavinia B Johnson Financial operations Beverly Pierce Working with the media Judith Simon Garrett Community relations boards Paula McAlister Political involvement Judith Simon Garrett Organization and management Peter M Carlson and John J Dilulio Jr Leadership executive excellence Harley G Lappin Governing personnel management Robert L Wright A day in the life of the warden James A Meko Diversity of correctional officers Peter M Carlson Labor relations Michael H Jaime and Amanda R Burrueel Preventing corruption Sal Souryal Sexual misconduct Anadora Moss Volunteering Richard L Stalder Disciplinary procedures Clair A Cripe Grievance procedures Lisa Hutchinson Wallace Kevin I Minor and James Stephen Parsons Protective custody Kevin I Minor Lisa Hutchinson and James Stephen Parson Suicide Daniel W Phillips III The death penalty Julie C Eng Gang management Mark S Fleisher Special needs offenders Judy C Anderson Sex offenders Gilbert L Ingram and Peter M Carlson Visitation Reginald A Wilkinson and Tessa Unwin Prison work and industry Steve Schwalb Robert C Grieser and J C Keeney Drug treatment James A Inciardi James E Rivers and Duane C McBride Prisoner access to the courts Kenneth C Haas Compliance with the constitution

Reports of Cases Argued and Adjudged in the Supreme Court of the United States United States. Supreme Court, 1996

Special Needs Offenders in Correctional Institutions Lior Gideon, 2012-09-14 Effective treatment and preparation for successful reintegration can be better achieved if the needs and risks of incarcerated

offenders are taken into consideration by correctional practitioners and scholars Special Needs Offenders in Correctional Institutions offers a unique opportunity to examine the different populations behind bars e g chronically and mentally ill homosexual illegal immigrants veterans radicalized inmates etc as well as their needs and the corresponding impediments for rehabilitation and reintegration Author Lior Gideon takes a rehabilitative and reiterative approach to discuss and differentiate between the needs of these various categories of inmates and provides in depth discussions not available in other correctional texts about the specific needs risks and policy recommendations when working with present day special needs offenders Each chapter is followed by suggested readings and relevant websites that will enable readers to further enhance understanding of the issues and potential solutions discussed in the chapter Further each chapter has discussion questions specifically designed to promote class discussions The text concludes with a theoretical framework for future policy implications and practices

Encyclopedia of American Prisons , **Official Reports of the Supreme Court** United States. Supreme Court,1992

Encyclopedia of Prisons and Correctional Facilities Mary Bosworth,2004-12-15 The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia s 400 entries are written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility details and service information

Prison and Jail Administration: Practice and Theory Peter M. Carlson,2013-08-30 Thoroughly revised and updated the third edition of the best selling textbook Prison and Jail Administration Practice and Theory covers all aspects of prison administration from organizational structure and management accountability to food service personnel corruption and the impact of technology on penal institutions Authored by over sixty leading experts in the field the text provides students with a unique balance of practice and theory and includes suggested readings learning objectives and discussion questions to help students gain an in depth understanding of the material The third edition includes all new pedagogical features instructor resources and new chapters on current topics such as women offenders the world of a corrections officer hiring and retention of staff institution pre release programs and restorative justice The most comprehensive and accessible prison administration textbook available Prison and Jail Administration Practice and Theory Third Edition is essential reading for students in correctional administration courses

A Comprehensive Study of Female Offenders Martin Guevara Urbina,2008 Few empirical studies have focused on women in prison In the last few years though a number of studies have demonstrated that there are fundamental differences between male and female prisoners in an ever changing penal system Consequently there has been

a need for more comprehensive studies of female offenders for three primary reasons 1 imperative research gaps remain to be bridged 2 the female prison experience is not constant and 3 prison rates for female offenders especially minority offenders have increased considerably in the last few years A central goal of this book then is to provide a balance to the existing literature and research on female prisoners in the United States and to an extent abroad focusing primarily on female offenders and using data gathered from the Wisconsin Department of Corrections The book utilizes a comprehensive investigative approach by equating the experience of female offenders by the totality of circumstances within an historical institutional political and ideological context The critical objective is to offer an inclusive analysis of the things that are considered by female inmates to be the most significant before during and after their incarceration as a way of better understanding the reasons that lead to their first incarceration as well as subsequent incarcerations By reading this book the reader will have a greater understanding of the many challenges facing female inmates as well as the relationship between inmates correctional officers and by extension society in general Also provided is a series of policy recommendations throughout the book particularly in the concluding chapter and epilogue

Comparing Prison Systems Nigel South, Robert P. Weiss, 1998 Compares prison systems of 15 nations and addresses crisis and change in penology which occurred during 1980s and 1990s The contributors identify various problems which face penal systems throughout the world and compare a variety of these systems by employing sociological analysis

African Americans and the Criminal Justice System Marvin D. Free, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate

Prisons Joycelyn M. Pollock, 1997 Thoroughly updated and revised Prisons Today and Tomorrow Second Edition offers a balanced and comprehensive examination of prisons and prisoners Through the use of current case studies and research this text examines the many purposes of prisons punishment deterrence rehabilitation and incapacitation as well as controversial issues such as whether these purposes are actually met Through its engaging approach and realistic style this book highlights the most pressing obstacles found in the modern prison system and thereby probes students to consider the realities of prison life and its effects on individuals Featuring chapters contributed by leading authorities in the field this book is a must read for any student planning to enter the fields of criminal justice and corrections

The Prison as Metaphor Michael P. Marks, 2004 Whether wittingly or unwittingly scholars of international relations have peppered the field with a wide range of metaphors that serve as vehicles for theorizing about world affairs Yet as pervasive as metaphors are in international relations theory theorists efforts to employ metaphorical imagery to suggest new ways of thinking have been haphazard and sporadic In this book Michael P Marks suggests a new metaphor with which to conceptualize international relations the modern prison Many of the same questions that are asked about the so called anarchy of the international system are also frequently asked of life among prison inmates

Marks finds that lessons from inmate relations can be applied to the study of international affairs This comparison between the prison and international relations reveals how the construction of human interaction in both realms is infinitely complex

From Black Power to Prison Power D. Tibbs, 2012-01-02 This book uses the landmark case Jones v North Carolina Prisoners Labor Union to examine the strategies of prison inmates using race and radicalism to inspire the formation of an inmate labor union

Criminal Justice Chris W. Eskridge, 1993 *Encyclopedia of Policy Studies, Second Edition* Stuart Nagel, 2020-08-18 This entirely updated and enlarged Second Edition of a landmark reference text continues to provide comprehensive coverage of every important aspect of policy studies discussing concepts methods utilization formation and implementation both internationally and across each level of government
