Birkin, 1980-02-15 More than 1600 entries books journal articles reports and dissertations are included in this bibliography A descriptive annotation is supplied for almost every entry The emphasis is on English language materials published in the 1960s and 1970s Author title and keyword in context indexes are included to provide access to individual works and specific areas of interest **Organizational Communication Volume 9** Howard H.(et al) Greenbaum, 1984 **Organizational Communication: Participation, power, and gender** Linda Putnam, Kathleen J. Krone, 2006 Covering the fundamental theories of organizational communication studies this collection focuses in particular on the development of the field through articles that influenced agenda setting and charts the course of the research **Organizational Communication, 1977** Howard H. Greenbaum, Raymond L. Falcione, 1979 The objectives of this volume are to provide a general structure for students scholars and practitioners to obtain comprehensive information on recently published and unpublished literature in and related to the field of organizational communication to continue to develop a classification system for the literature of interest to that field and to provide abstracts of that literature for the year 1977 in the form of annotated bibliographies Following an overview chapter that comments on the nature of the

organizational communication literature produced in 1977 the second chapter contains abstracts of approximately 500 books and dissertations and the third chapter contains abstracts of more than 300 papers articles and United States government publications The abstracts in each chapter are arranged into nine classifications 1 interpersonal communication 2 intergroup communication 3 intragroup communication 4 communication factors and organization goals 5 skill improvement and training 6 communication media 7 communication system analysis 8 research methodology and 9 texts anthologies reviews and general bibliographies The book also provides an appendix that discusses research methods and limitations and indexes for author type of organization studied and data collection instruments used in the studies FL *Organizational Communication Abstracts*, 1974 Howard H. Greenbaum, Raymond L. Falcione, 1975 *List of Documents and Publications in the Field of Mass Communication* Unesco, 1980 *Public Relations Research Annual* Larissa A. Grunig, James E. Grunig, 2014-06-03 Published in book form this is a scholarly periodical of academic research in public relations containing refereed reviews and reports of original studies It follows the current trend toward more solidly grounded theoretical research in a field that has only begun to mature The studies and reviews presented represent the most contemporary thought and investigation brought to bear on this subject Many relevant topics are discussed including communication roles women s issues in the feminization of the field the concepts of symmetry and game theory and finally publics dealing with roles risk takers and how audiences receive process and retain messages on public policy issues Subject Catalog Library of Congress, 1979 **Managing Knowledge Networks** J. David Johnson, 2009-10-01 The information context of the modern organization is rapidly evolving in the face of intense global competition Information technologies including databases new telecommunications systems and software for synthesizing information make a vast array of information available to an ever expanding number of organizational members Management s exclusive control over knowledge is steadily declining in part because of the downsizing of organizations and the decline of the number of layers in an organizational hierarchy These trends as well as issues surrounding the Web 2 0 and social networking mean that it is increasingly important that we understand how informal knowledge networks impact the generation capturing storing dissemination and application of knowledge This innovative book provides a thorough analysis of knowledge networks focusing on how relationships contribute to the creation of knowledge its distribution within organizations how it is diffused and transferred and how people find it and share it collaboratively **MULS, a Union List of Serials** , 1981 Bulletin of the Public Affairs Information Service Public Affairs Information Service, 1915 **Ulrich's International Periodicals Directory** Carolyn Farquhar Ulrich, 2001
