Origins Of Social Work Continuity And Change:

The Origins of Social Work Malcolm Payne, 2005-05-31 This book traces the origins and development of social work as we now know it Providing an ambitious synthesis of historical and international material it explores the different faces of social work whether defined by social policy developments professionalization changes in client group or shifts in practice orientation This is a unique book undertaken by an author with a strong international reputation and as such it promises to be a landmark for years to come in the social work literature

The Origins of Social Work Malcolm Payne, 2020-01-22 This book traces the origins and development of social work as we now know it Providing an ambitious synthesis of historical and international material it explores the different faces of social work whether defined by social policy developments professionalization changes in client group or shifts in practice orientation This is a unique book undertaken by an author with a strong international reputation and as such it promises to be a landmark for years to come in the social work literature

A History of the Roles and Responsibilities of Social Workers Mike Burt, 2020-07-22 Tracing the origin of work with the impotent poor under the Poor Laws to social workers current responsibilities towards vulnerable people this book introduces the reader to the way in which the identification of particular social problems at the end of the nineteenth century led to the emergence of a wide range of separate occupational groups and voluntary workers which were sometimes but increasingly referred to as social workers Using an extended single chronological historical narrative and analysis which draws heavily on original archival sources and contemporary literature it addresses the changes which took place as part of the welfare state and the identification of common roles and responsibilities by social workers which led to the formation of the British Association of Social Workers in 1970 The expansion of roles and responsibilities in social services departments and voluntary societies is analysed and their significance for the development of social work is evaluated By highlighting the changes and continuities in these roles and responsibilities this book will be of interest to all academics students and practitioners working within social work who wish to know more about the origins of their discipline and the current state of the profession today

Critical Practice in Social Work Robert Adams, Lena Dominelli, Malcolm Payne, 2009-04-16 What do social workers need to know in order to practise skilfully and effectively Edited by three Social Work s leading scholars the second edition of this highly respected textbook helps bridge the gap between social work theory and the challenges of day to day practice Versatile and thoughtful the book s simultaneous accessibility and depth make it essential reading suited for both social work students at undergraduate and post qualifying level Practitioners too will learn and benefit from the insights collected together in this valuable addition to their bookshelf

Ethics and Value Perspectives in Social Work Mel Gray, Stephen A. Webb, 2010-05-19 This agenda setting text explores a broad range of value perspectives and their impact on and contribution to social work thinking on ethics Including new perspectives such as Islam and drawing on international contributors this is essential reading for all social work students studying ethics and values

Social Work and Faith-based

Organizations Beth R. Crisp, 2014-04-29 Faith based organizations continue to play a significant role in the provision of social work services in many countries but their role within the welfare state is often contested This text explores their various roles and relationships to social work practice includes examples from different countries and a range of religious traditions and identifies challenges and opportunities for the sector Social Work and Faith based Organizations discusses issues such as the relationship between faith based organizations and the state working with an organization s stakeholders ethical practice and dilemmas and faith based organizations as employers It also addresses areas of debate and controversy such as providing services within and for multi faith communities and tensions between professional codes of ethics and religious doctrine Accessibly written by a well known social work educator it is illustrated by numerous case studies from a range of countries including Australia the UK and the US Suitable for social work students taking community or administration courses or undertaking placements in faith based organizations this innovative book is also a valuable resource for managers and religious personnel who are responsible for the operation of faith based agencies

Social Work: Themes, Issues and Critical Debates Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are *Critical Practice in Social Work* second edition and *Practising Social Work in a Complex World* Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study

Practising Social Work in a Complex World Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 This classic textbook provides the clearest and most authoritative introduction available to working in situations characterised not only by risk and change but also by high pressure to deliver successful outcomes Edited by three of the leading names in Social Work Robert Adams Lena Dominelli and Malcolm Payne provide an indispensable guide to successful social work practise Its coherent and thoughtful coverage of practice situations involving complexity tension and uncertainty is uniquely geared to the needs of students in the final stages of their qualifying Social Work course professionals returning to study or those simply wishing to deepen their professional understanding

Understanding Social Work Neil Thompson, 2020-04-01 Focusing on the challenges of achieving good practice this popular textbook reflects recent developments in social work within the context of contemporary society law and policy Getting to the heart of what this profession is all about Understanding Social Work continues to offer an excellent foundation for readers for anyone wanting a better understanding of the social work role What is social work How is it carried out What skills does it require New to this edition Updates include new material on the importance of social media resilience the impact of austerity rising case loads and the increase pressure on social workers **Evidence-based Practice - Modernising the Knowledge Base of Social Work?** Hans-Uwe Otto, Andreas Polutta, Holger Ziegler, 2009-06-04 The quest to create an evidence based Social Work practice is emerging strongly in different fields of Social Work and social policy In this volume internationally renowned proponents and opponents of this approach deliver profound analyses of the meaning and implications of an evidence based perspective which clearly challenges the nature of the knowledge base of the established Social Work practice and apparently reevaluates and reshapes the character of welfare professionalism Aus dem Inhalt What Knowledge Evidence based Practice Profession and Users Organising Measuring and Implementing Evidence Towards an Evidence based Professionalism **Advocacy And Social Work Practice** Wilks, Tom, 2012-04-01 This book fills the gap in the market for an accessible general introduction to advocacy specifically aimed at social workers The book looks at the value base of advocacy as well as emphasising practice and skills such as assertiveness and negotiation *Social Policy* Hugh Bochel, Guy Daly, 2020-07-12 This thoroughly revised and expanded new edition provides a comprehensive introduction to contemporary social policy and addresses its historical theoretical and contextual foundations as well as contemporary policy issues relating to health education and welfare as well as the impact of Brexit Divided into four parts it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject The third section examines contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy for example work and welfare education adult health and social care children and families crime and criminal justice health housing race disability social care and includes new chapters on class as well as comparative social policy Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations This is an essential textbook for undergraduate students taking courses in social policy and related subjects such as criminology health studies politics sociology nursing youth and social work Teaching and Learning in Ecosocial Work Catherine Forde, Satu Ranta-Tyrkkö, Pieter Lievens, Komalsingh Rambaree, Helena

Belchior-Rocha, 2024-09-10 This book aims to champion teaching and learning of ecosocial work in educational institutions which offer social work and related programmes It is the first book to focus specifically on teaching and learning in ecosocial work and one of the first to incorporate student perspectives on and initiatives in ecosocial work teaching learning and practice Ecosocial work is an evolving framework to learn about and practice social work from the premise that humans are part of the web of life on Earth While this understanding should guide human activities current planetary scale anthropogenic socio environmental problems such as the climate crisis ocean acidification biodiversity and species loss prove the opposite Social work and allied professions stem from the same anthropocentric world view and need to reconfigure their relationship to other than humans and the planetary limits of existence This requires in depth renewal of social work and related professions and an ecosocial ecological paradigm change in which education is pivotal Written by academics students and practitioners working in different parts of the world and offering interdisciplinary perspectives the book provides Chapters and case studies on concepts methods and experiences of teaching and learning in ecosocial work Discussion of the current terrain of ecosocial work in principle and practice Ideas on the kinds of new thinking ecosocial work requires and on how these can be taught and practiced promoting economic social and environmental sustainability This book makes an original and internationally acclaimed contribution to ecosocial work education As the conduit for preparing social workers to become active agents of ecosocial change critical attention is given to the importance of education as foundational to this professional endeavour This book provides essential reading for all social work professionals scholars educators and learning institutions Heather Boetto Associate Professor Charles Stuart University Australia A comprehensive book about the challenges and opportunities of teaching the ecosocial framework in social work Various perspectives open up new possibilities for understanding the practices of teaching ecosocial work in different contexts A strong reading recommendation for anyone interested in understanding and teaching the relationship between social work and environmental issues Kati N rhi Professor University of Jyv skyl Finland

Critical Hospital Social Work Practice Daniel Burrows, 2020-04-19 Critical Hospital Social Work Practice sheds light on the fast paced high pressure role of the hospital social worker At a time of public concern over the state of the NHS and the needs of a growing older population the hospital social worker s job is more important than ever Yet it is poorly understood and often overlooked by policy makers managers and other professionals Employing social theory to make sense of the contemporary context of health and social care this book highlights the vital role played by social workers in planning complex hospital discharges It provides an in depth account of the activities of a typical hospital social work team in the UK drawn from rigorous ethnographic fieldwork and contrasts this with research evidence on hospital social work practices around the world The author points towards exciting new directions for health related social work and social work s potential to develop critical gerontological practice This book will be useful to social work students and practitioners working in hospital settings and with older people in general It will

also be of significant value to policy makers and academics who are interested in developing innovative approaches to meeting the needs of the ageing population

The Student's Companion to Social Policy Pete Alcock, Tina Haux, Margaret May, Sharon Wright, 2016-08-29 This fully updated and expanded edition of the bestselling Student's Companion to Social Policy charts the latest developments research challenges and controversies in the field in a concise authoritative format Provides students with the analytical base from which to investigate and evaluate key concepts perspectives policies and outcomes at national and international levels Features a new section on devolution and social policy in the UK enhanced discussion of international and comparative issues and new coverage of nudge based policies austerity politics sustainable welfare working age conditionality social movements policy learning and transfer and social policy in the BRIC countries Offers essential information for anyone studying social policy from undergraduates on introductory courses to those pursuing postgraduate or professional programmes Accompanied by updated online resources to support independent learning and skill development with chapter overviews study questions guides to key sources and career opportunities a key term glossary and more Written by a team of experts working at the forefront of social policy

The History of Sociology in Britain Plamena Panayotova, 2019-07-09 For many years the history of British Sociology has been a neglected area of study among sociologists In more recent times there are signs of a growing curiosity among British sociologists about their subject's origins and development This collection sets out both to encourage and satisfy that curiosity while recognising the value of history as a teaching tool that can be used to inspire young sociology students and furnish them with a deeper understanding of the development of British sociology The volume contains essays by distinguished sociologists and historians who discuss British sociology's controversial origins the neglected legacies of several individuals and institutions the history of how the discipline was taught in the UK throughout the twentieth century and its peculiar relationships with statistics and the humanities The History of Sociology in Britain reveals the distinct character of British sociology through the course of its historical evolution It is an original contribution and valuable addition to the field which intersects with historiography epistemology and literature

Reflective Practice For Social Workers: A Handbook For Developing Professional Confidence Bruce, Linda, 2013-04-01 This book demystifies the reflective process and provides a straight forward knowledge base to enhance professional development

Ecosocial Work in Community Practice Komalsingh Rambaree, Meredith C. F. Powers, Richard J. Smith, 2022-12-26 This book focuses on ecosocial work within the context of community practice It aims to provide insights on understanding key issues concepts and debates surrounding the mainstreaming of ecosocial work for sustainable community development Divided into three parts the first part of the book focuses on ecosocial work and ecosocial change around water the ecology of coastal communities experiencing climate change and environmental degradation The second part includes chapters on ecosocial change and community practice in other kinds of bioregions Finally the third part primarily focuses on pedagogical approaches for teaching ecosocial work This book was originally

published as a special issue of the Journal of Community Practice *Handbook of Strengths-Based Clinical Practices* Jeffrey K Edwards, Andy Young, Holly Nikels, 2016-08-25 An interdisciplinary handbook about strengths based clinical practices this book finds the common factors in specific models from social work psychology and counseling The book ends with a grounded theory informed method that pulls together what each of the chapters report and posits a theory based on that work Comprised of 23 chapters and written by leaders in the human services fields Handbook of Strengths Based Clinical Practices shows how professionals and students can facilitate change and resiliency in those with whom they work
