Orphans Opus

Sheila Stewart

Orphans Opus:

Tchaikovsky's Complete Songs Peter Ilich Tchaikovsky, Richard D. Sylvester, 2004 In this splendid volume Richard Sylvester treats Tchaikovsky's songs with great sympathy and understanding with special emphasis on relating the texts to the music The songs are presented chronologically interspersed with insightful observations about their relevance to the composer's life This book will be welcomed by performers and scholars but its fluent readability and avoidance of unnecessary detail make it easily accessible to the general reader A welcome bonus is a CD with 22 songs interpreted by outstanding singers of at least two generations George Jellinek author critic and host of WQXR's nationally syndicated program The Vocal Scene

Ramlin Rose Sheila Stewart, 1994 From the turn of the century to the late 1950s horse drawn narrow boats were a familiar sight on Britain's canals Carrying a wide variety of cargoes to such destinations as the Potteries the textile mills of Lancashire the papermills of London the colleges of Oxford they struggled on against increasing competition from rail and road traffic to maintain their place in the country's economy Yet little has been recorded about the lives of the canal families and in particular the women

Ἀποσηματὰ sacra: or a collection of posthumous and orphan lectures: delivered at St. Pauls and St. Giles his Church Lancelot Andrewes, 1657 From Civil Partnership to Same-Sex Marriage Nicola Barker, Daniel Monk, 2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective snap shot of a critical moment a history of the present as well as providing a foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians

Serge Prokofieff and His Orchestral Music Louis Leopold Biancolli, 2023-10-28 In Serge Prokofieff and His Orchestral Music Louis Leopold Biancolli offers a comprehensive examination of one of the 20th century's most innovative composers Biancolli meticulously analyzes Prokofieff's orchestral works against the backdrop of his turbulent political and cultural landscape effectively weaving musical analysis with biographical insights The text is marked by Biancolli's accessible yet scholarly style encompassing both a rich historical narrative and in depth discussions of musical structure and thematic development

positioning Prokofieff as a pivotal figure in modern classical music Biancolli a passionate advocate for classical music draws from his extensive background in musicology and deep appreciation for Prokofieff s artistry His exploration of Prokofieff s life marked by exile innovation and sometimes adversity enriches the understanding of the composer s creative output providing valuable context that undoubtedly inspired Biancolli s meticulous approach to writing His thorough research and engaging narrative style speak to his dedication to both the subject matter and the reader s experience This book is an essential read for music students scholars and enthusiasts alike granting profound insights into Prokofieff s orchestral music and its lasting significance Biancolli s thoughtful prose not only elucidates technical aspects but also evokes the emotional depth present in Prokofieff s compositions making this work a vital contribution to the understanding of orchestral music in the 20th century

Alun Hoddinott R. Craggs Stewart,2017-11-30 Alun Hoddinott is the most important living Welsh composer and one of the most distinguished and prolific composers of his generation internationally His works have been performed in major centres as far afield as Tokyo and Berlin Melbourne and Leipzig New York and Venice as well as the major festivals in Wales and England He is one of the very few composers to have been commissioned to compose a concerto for Mstislav Rostropovitch Born in Bargoed Glamorganshire in August 1929 Alun Hoddinott started to play the violin and compose at an early age Some of his works were performed and broadcast whilst he was a student at University College Cardiff and he later studied with the Australian composer and pianist Arthur Benjamin His first major success was his Clarinet Concerto No 1 given by Gervaise de Peyer and the Halle Orchestra under John Barbirolli at the 1954 Cheltenham Music Festival This Source Book lists all Hoddinott s compositions from 1946 to 2005 almost 60 years of phenomenal output and shows he has achieved a mastery of composition which embraces almost every musical medium With information given on first performances manuscript locations and recordings in addition to details of composition dates authors librettists durations commissions and dedications amongst much else this book is a key reference for all those interested in Alun Hoddinott and his music The Orphan Audrey Punnett,2014-06-21 The Orphan A Journey to Wholeness addresses loneliness and the feeling of being alone in the world two distinct characteristics that mark the life of an orphan Regardless if we have grown up with or without parents we are all too likely to meet such experiences in ourselves and in our daily encounters with others With numerous case examples Dr Punnett describes how loneliness and the feeling of being alone tend to be repeated in later relationships and may eventually lead to states of anxiety and depression The main purpose of this book is not to just stay within the context of the literal orphan but also to explore its symbolic dimensions in order to provide meaning to the diverse experiences of feeling alone in the world In accepting the orphan within we begin to take responsibility for our own unique life journey a privileged journey in which one can at some point in time say with pride I am an orphan Alun Hoddinott Professor Stewart R Craggs,2013-01-28 Alun Hoddinott is the most important living Welsh composer and one of the most distinguished and prolific composers of his generation internationally His works have been performed in major centres as far

afield as Tokyo and Berlin Melbourne and Leipzig New York and Venice as well as the major festivals in Wales and England He is one of the very few composers to have been commissioned to compose a concerto for Mstislav Rostropovitch Born in Bargoed Glamorganshire in August 1929 Alun Hoddinott started to play the violin and compose at an early age Some of his works were performed and broadcast whilst he was a student at University College Cardiff and he later studied with the Australian composer and pianist Arthur Benjamin His first major success was his Clarinet Concerto No 1 given by Gervaise de Peyer and the Halle Orchestra under John Barbirolli at the 1954 Cheltenham Music Festival This Source Book lists all Hoddinott s compositions from 1946 to 2005 almost 60 years of phenomenal output and shows he has achieved a mastery of composition which embraces almost every musical medium With information given on first performances manuscript locations and recordings in addition to details of composition dates authors librettists durations commissions and dedications amongst much else this book is a key reference for all those interested in Alun Hoddinott and his music **Edvard Grieg**

and His Songs Sandra Jarrett,2019-10-16 Originally published in 2003 Edvard Grieg and his Songs examines the lifetime of Edvard Grieg His songs were among his most popular and well known works and both historians and critics have seen in them Grieg at his most sophisticated and innovative Important in and of themselves the songs also illuminate critical aspects of his other works such as his musical impressionism his use of folk music as a source of inspiration and his novel approach towards harmony Fifty of Grieg s most important songs form the focus of this book Each song is discussed individually and within the wider context of the composer s output The book provides a translation of the lyrics and analysis of the poem and a description of the song s form melody tessitura harmony rhythm and accompaniment together with suggestions for interpretation In addition to this the book gives a brief biography of Grieg with a chapter that analyses his approach to song writing *Masters in Music* Daniel Gregory Mason,1905 *Masters in Music* ,1905 **Favors of Saint Josemaría**
