Orphans Preferred:

Orphans Preferred Christopher Corbett, 2004-09-14 WANTED YOUNG SKINNY WIRY FELLOWS NOT OVER 18 MUST BE EXPERT RIDERS WILLING TO RISK DEATH DAILY ORPHANS PREFERRED California newspaper help wanted ad 1860 The Pony Express is one of the most celebrated and enduring chapters in the history of the United States a story of the all American traits of bravery bravado and entrepreneurial risk that are part of the very fabric of the Old West No image of the American West in the mid 1800s is more familiar more beloved and more powerful than that of the lone rider galloping the mail across hostile Indian territory No image is more revered And none is less understood *Orphans Preferred* is both a revisionist history of this magnificent and ill fated adventure and an entertaining look at the often larger than life individuals who created and perpetuated the myth of the Pony as it is known along the Pony Express trail that runs from St Joseph Missouri to Sacramento California The Pony Express is a story that exists in the annals of Americana where fact and fable collide a story as heroic as the journey of Lewis and Clark as complex and revealing as the legacy of Custer s Last Stand and as muddled and freighted with yarns as Paul Revere s midnight ride *Orphans Preferred* is a fresh and exuberant reexamination of this great American story

Orphans Preferred Renée Vajko Srch, 2022-01-20 When Billy applies to the Pony Express he doesn t expect superintendent Mr Slade to hire him as a farmhand for some remote relay station called Mud Springs Amos the station manager is none too pleased either Instead of a strong full grown farmhand he s sent a twelve year old boy As soon as he arrives at the Mud Springs station Billy realizes he s in for a challenge Situated miles from anywhere surrounded by vast stretches of bleak dangerous land the station is nothing more than a stable and a cramped soddy managed by a grumpy man named Amos who can t seem to keep his hired help Right from the start tempers flare as Amos and Billy clash While Amos is determined to prove that Billy is too young for the job Billy sets out to show that he can do the job as well as any man and hopefully prove to Mr Slade he has what it takes to be a Pony Express rider But life in such an isolated land is full of dangers Amos and Billy soon discover they have bigger enemies than each other and need to join forces to save the station the valuable horses even their own lives *Orphans Preferred* is the remarkable and fast moving story of a twelve year old boy who learns the meaning of bravery and perseverance and discovers true friendship in the most unlikely place

Orphan's Alliance Robert Buettner, 2008-11-01 From Arthur C Clarke Award nominated author Ken MacLeod an action packed space opera told against a backdrop of interstellar drone warfare virtual reality and an A I revolution In deep space ruthless corporations vie for control of scattered mining colonies and war is an ever present threat Led by Seba a newly sentient mining reboot an AI revolution grows Fighting them is Carlos a grunt who is reincarnated over and over again to keep the freeboots in check But he s not sure whether he s on the right side Against a backdrop of interstellar drone combat Carlos and Seba must either find a way to rise above the games their masters are playing or die And even dying might not be the end of it The Corporation Wars The Corporation Wars Dissidence The Corporation Wars Insurgence The

Corporation Wars Emergence **Buffalo Bill's America** Louis S. Warren, 2007-12-18 William F Buffalo Bill Cody was the most famous American of his age He claimed to have worked for the Pony Express when only a boy and to have scouted for General George Custer But what was his real story And how did a frontiersman become a worldwide celebrity In this prize winning biography acclaimed author Louis S Warren explains not only how Cody exaggerated his real experience as an army scout and buffalo hunter but also how that experience inspired him to create the gigantic traveling spectacle known as Buffalo Bill's Wild West Show A dazzling mix of Indians cowboys and vaqueros they performed on two continents for three decades offering a surprisingly modern view of the United States and a remarkably democratic version of its history This definitive biography reveals the genius of America's greatest showman and the startling history of the American West that drove him and his performers to the world stage

The Heirs Susan Rieger, 2018-02-06 An original and moving The New York Times Book Review must read People portrait of an unforgettable patrician Manhattan family and the tangled nature of inheritance and legacy from the author of Like Mother Like Mother An absorbing page turner full of sex and secrets I loved getting to know the entire Falkes clan New York Times bestselling author Emma Straub AN NPR BEST BOOK OF THE YEAR When English born lawyer Rupert Falkes dies his wife and five adult sons are bereft even more so when six months later their grieving is interrupted by an unknown woman suing Rupert's estate claiming that he was also the father to her two sons The Falkes brothers are pitched into turmoil at once missing their father and feeling betrayed by him In disconcerting contrast their mother Eleanor is cool and calm showing preternatural composure Eleanor and Rupert had made an admirable life together and they were proud of their handsome talented sons Harry a brash law professor Will a savvy Hollywood agent Sam an astute doctor and scientific researcher Jack a jazz trumpet prodigy Tom a public spirited federal prosecutor The brothers see their identity and success as inextricably tied to family loyalty a loyalty they always believed their father shared Struggling to reclaim their identity the brothers find Eleanor's sympathy toward the woman and her sons confounding and they begin to question whether they knew either of their parents at all

The Pony Express Trail William E. Hill, 2010-03-01 Distributed by the University of Nebraska Press for Caxton Press It operated less than two years It lost an enormous amount of money But the Pony Express delivered the mail across a continent at a critical time and captured the imagination of people all over the world like few events in the history of the American West

The Last Ride of the Pony Express Will Grant, 2023-06-06 Spellbinding Douglas Preston and completely fascinating Elizabeth Letts cowboy and journalist Will Grant takes us on an epic and authentic horseback journey into the modern West on an adventure of a lifetime The Last Ride of the Pony Express boldly illuminates both our mythic fascination with the Pony Express and how its spirit continues to this day The Pony Express was a fast horse frontier mail service that spanned the American West the high dry and undeniably lonesome part of North America While in operation during the 1860s it carried letter mail on a blistering ten day schedule between Missouri and San Francisco running through a vast and mostly uninhabited wilderness It covered a

massive distance akin to running horses between Madrid and Moscow and to this day the Pony Express is irrefutably the greatest display of American horsemanship to ever color the pages of a history book Though the Pony Express has enjoyed a lot of traction over the years among the authors that have attempted to encapsulate it none have ever ridden it themselves While most scholars would look for answers inside a library Will Grant looks for his between the ears of a horse Inspired by the likes of Mark Twain Sir Richard Burton and Horace Greeley all of whom traveled throughout the developing West Will Grant returned to his roots he would ride the trail himself with his two horses Chicken Fry and Badger from one end to the other Will Grant captures the spirit of the west in a way that few writers have Along with rich encounters with the ranchers farmers historians and businessmen who populate the trail his exploits on horseback offer an intimate portrait of how the West has evolved from the rough and tumble 19th century to the present and it is written with such intimacy that you will feel as though you are riding right alongside of him Along the way he fights off wild mustangs wanting to steal his horses in Utah camps with Peruvian shepherders in the mountains and even spends three days riding under the Top Gun aviator school in Nevada which are just a handful of extraordinary tales Will Grant unveils as he makes his way across the treacherous and at times thrilling landscape of the known and unknown American West The Last Ride of the Pony Express is a uniquely tenacious tale of adventure by a native son of the West who defies most modern conveniences to compass some two thousand miles on horseback The result is an unforgettable narrative that will forever change how you see the West the Pony Express and America as a whole

Capitalism is a dynamic system continually adapting itself to exploit workers in new ways In Britain today the gig economy is its newest form expressed through precarious contracts and the supposed atomisation of workers In this book Jane Hardy argues that despite capitalism's best efforts to stop us we can always find ways to fight it Through a range of case studies from cleaners to university lecturers Hardy looks at how workers are challenging employers' assaults in the neoliberal workplace comparing these new actions to a long history of British working class struggle She explores the historic role of migrants in the British workforce from the Windrush generation to more recent arrivals from the European Union as well as placing women's collective action centre stage Analysing the rise of robotics and artificial intelligence she refutes claims that we are entering a post capitalist society *Nothing to Lose but our Chains* is an optimistic exploration into the power of the working class showing that no matter what tools capitalism uses it can always be resisted Exchange Programs and the National Interest United States. Johnstone, J.A. Johnstone, 2025-07-01 The unbelievable untold story of Jesse James's other brother In this rollicking stand alone novel from the bestselling Johnstones fact and fiction collide in the jaw dropping story of Jesse James' little known disaster prone brother They call him Calamity for a reason Calvin Amadeus James aka Calamity isn't an outlaw like his notorious brothers Jesse and Frank He's worse due to the bad luck that follows him everywhere he goes Every job he takes from army scout to gambler to cowboy and rail worker ends in catastrophe No matter what he does Calamity James always seems to be on the wrong side of history The Great Chicago Fire of 1871 Calamity placed the lantern next to the cow that kicked it over The gunfight at O K Corral Calamity stirred up trouble in Tombstone right before it all went down The fateful saloon shooting of Wild Bill Hickcock Blame it on Calamity James Some folks say he's even responsible for Custer's last stand at Little Big Horn but Calamity swears it ain't true He's just a magnet for bad luck who's trying to find his good luck charm a pretty little dancehall girl known as Clumsy Catherine But somewhere along the way he foolishly joins the James Younger Gang with his outlaw brothers And that's when

Calamity's infamous bad luck gets a whole lot worse God Knows All Your Names Paul N. Herbert, 2009-08-18 People with only a slight interest in history will enjoy these fascinating short and easy to understand stories Serious history buffs will like these lesser known episodes not the stories we've heard a million times For example try to find anyone who knows about the attempted slave insurrection in Fairfax County Virginia With Mary Lincoln's spending habits who knew that Abraham Lincoln actually saved an enormous percentage of his presidential salary A slave honored in Virginia with a monument the history of Lee Highway which opened with great fanfare in 1923 as a 3 000 mile road from Washington DC to San Diego a story about the Little River Turnpike the second oldest turnpike in America built partly by slaves and captured Hessian soldiers You'll read about two Civil War ships that collided in the Potomac River Victims included wounded soldiers wives and one soldier's six year old son You'll read a great account of the massive Civil War corruption You'll learn about the disastrous condition of the treasury sound familiar during the Revolutionary War The government tried everything including a lottery to get the country afloat in a sea of red ink But the most fascinating story may be about the Revolutionary War soldier who faked his own desertion to defect to the enemy with the highly secretive mission of going behind enemy lines to capture and return for trial the worst traitor in American history Benedict Arnold Bet you never heard of this story There are many other stories in this eclectic heavily researched manuscript There's a story about the Christmas Truce in World War One about long forgotten holidays in Virginia about the retrocession which sent an area of Washington back to Virginia in 1846 and about the impeachment of a Supreme Court justice it happened only once And more *New Manual of Digest of the Laws of Massachusetts Concerning Children* Massachusetts Society for the Prevention of Cruelty to Children, 1884
