

Retratos Contemporaneos

Fernando Alegría

Retratos Contemporaneos:

Retratos contemporáneos Charles Augustin Sainte-Beuve,1950 **Galería de españoles célebres contemporáneos; ó, Biografías y retratos de todos los personajes distinguidos de nuestros días en las ciencias, en la política, en las armas, en las letras y en las artes** Nicomedes-Pastor Díaz,1845 *Galeria de españoles célebres contemporáneos; ó, Biografías y retratos de todos los personajes distinguidos ... en las ciencias, en la política [&c.] publ por N. P. Diaz y F. de Cardenas* Españoles,1841 **Retratos contemporáneos** Ramón Gómez de la Serna,1944 *Galeria de espanoles celebres contemporaneos o biografias y retratos de todos los personajes distinguidas de nuestros dias ... publicadas por Nicomedes Pator Diaz y Francisco de Cardenas. (hisp.)* Francisco de Cardenas,1845 **Retratos contemporáneos** Fernando Alegría,1979 **Nuevos retratos contemporáneos** Ramón Gómez de la Serna,1945

Dibujar y pintar el retrato John Devane,1996-01-01 *The Dilemma of Modernity* John A. McCulloch,2007 The Dilemma of Modernity is a study of the evolution of Ramón Gómez de la Serna's narrative fiction within the context of European Modernism At a time when Joyce Kafka Proust and Woolfe were experimenting with prose fiction very little is known about Spain's contribution to the novel Despite his years in Paris when it was still considered the cultural capital of Europe and his championing of the avant garde in Spain in the 1920s through his literary salon Pombo which attracted figures such as Borges Picasso Huidobro Buñuel and Lorca Ramón Gómez de la Serna's work has suffered from critical neglect The Dilemma of Modernity sets Gómez de la Serna's work within the cultural and historical context of the time and traces his evolution from aesthete to promoter of the avant garde modernist and existentialist *Retratos contemporáneos escogidos* Ramón Gómez de la Serna,1968 **Terra Portuguesa** Vergílio Correia,1916 **The Pan American Book Shelf** ,1941

Apollinaire and the International Avant-Garde Willard Bohn,1997-01-01 This literary history examines Guillaume Apollinaire's reception and influence in the Western hemisphere during the early twentieth century It identifies and reconstructs major literary and art historical paths of development about which surprisingly little is known In particular it discusses Apollinaire's reception and formative influence in North America England Germany Spain Argentina and Mexico and includes important documents by Apollinaire himself that have not appeared in print until now Bohn brings together a worldwide network of writers artists and critics to reveal the role and centrality of Apollinaire as the icon of Parisian modernism cult figure of the avant garde poet with a new series of techniques esthetician of the New innovator of modern culture and literary and cultural arbiter of his generation This is Rezeptionsästhetik in its most intense form It is the definitive reference book for checking on who had any dealings with Apollinaire the man or his work and French modernism in English German Spanish or Catalan linguistic and cultural domains in both the Old and New Worlds Bohn's translations from the various languages he commands are superb and prove that he is always working from source material His text is simply a tour de force a virtuoso performance Seth L Wolitz University of Texas Austin Given the centrality of French poetry

for European and New World poetry since Baudelaire one simply cannot overstate Apollinaire's role in the evolution of the most advanced poetry written throughout Europe and North and South America since circa 1900. However, no one before has tracked his impact on avant garde circles outside France with so much attention to the specifics involved. Bohn has emerged as the dean of Apollinaire studies in North America; thus everything he has to say about the poet has the ring of absolute authority. Robert W. Greene, State University of New York Albany. *Author - Title Catalog*, University of California, Berkeley. Library, 1963. **Twelve's World Authors Series**, 1974. Mazzetti Gardiol, Rita Mazzetti Gardiol, 1974. Revista contemporánea, 1899. **Diccionario Akal de Historiadores españoles contemporáneos**, Gonzalo Pasamar Alzuria, Ignacio Peiró Martín, 2002-05-24. Obra de referencia dedicada a las principales figuras de las distintas ramas de la investigación histórica en España con mención de los aspectos biográficos, académicos y bibliográficos más importantes de su carrera. **Encyclopedia of World Literature in the 20th Century**, Wolfgang Iser, Bernard Fleischmann, Frederick Ungar, Lina Mainiero, 1969. Library has v 1-3 only. **Los Contemporáneos**, 1909.
