List United States. Department of State. External Research Division,1962 A Short History of the Liberal Party C.

Cook,2010-08-31 Chris Cook lifts the lid on the third Party charting their fascinating journey over the last century from the landslide victory of 1906 under Asquith via their descent into divisions and decline in the interwar years to in depth analysis of the 2010 British Election and their return to Government in the Conservative Lib Dem coalition *Political Science* ,1965

Liberals Roy Douglas,2005-03-01 The party of Gladstone Asquith and Lloyd George the Liberal Party emerged in mid Victorian Britain from a combination of Whigs Radicals and Peelites Tories It was a dominant force in Britain and the world at the height of the power of the British Empire Split by Gladstone s Home Rule Bills it nevertheless returns to power in Edwardian England and held it until after the outbreak of the First World War with Lloyd George heading a Coalition Government from 1916 22 Riddled by internal divisions and increasingly challenged by Labour the party losyt ground in Parliament becoming little more than a rump for many years With the foundation of the Social Democrats in 1981 and their subsequent merger with the Liberals as Liberal Democrats in 1988 a modern version of the party emerged under Paddy Ashdown Charles Kennedy and now Menzies Campbell as a significant third force in British politics A Short History of the

Liberal Party 1900-1984 Chris Cook,1984-01-01 **The Process of Politics** Jorgen Rasmussen, Combines the data of comparative research with the study of political systems This work emphasizes the characteristics of sound research examining the potentialities and deficiencies of structural functionalism and demonstrating the need for greater integration of research in this exciting and rapidly growing area *The Liberal Party and the Economy, 1929-1964* Peter Sloman,2015 The Liberal Party and the Economy 1929 1964 explores the reception generation and use of economic ideas in the British Liberal Party between its electoral decline in the 1920s and 1930s and its post war revival under Jo Grimond Drawing on archival sources party publications and the press this volume analyses the diverse intellectual influences which shaped British Liberals economic thought up to the mid twentieth century and highlights the ways in which the party sought to

reconcile its progressive identity with its longstanding commitment to free trade and competitive markets Peter Sloman shows that Liberals enthusiasm for public works and Keynesian economic management which David Lloyd George launched onto the political agenda at the 1929 general election was only intermittently matched by support for more detailed forms of state intervention and planning Likewise the party s support for redistributive taxation and social welfare provision was frequently qualified by the insistence that the ultimate Liberal aim was not the expansion of the functions of the state but the pursuit of ownership for all Liberal policy was thus shaped not only by the ideas of reformist intellectuals such as John Maynard Keynes and William Beveridge but also by the libertarian and distributist concerns of Liberal activists and by interactions with the early neoliberal movement This study concludes that it was ideological and generational changes in the early 1960s that cut the party s links with the New Right opened up common ground with revisionist social democrats and re established its progressive credentials

Encyclopedia of British and Irish Political Organizations Peter Barberis, John McHugh, Mike Tyldesley, 2000-01-01 This major authoritative reference work embraces the spectrum of organized political activity in the British Isles It includes over 2 500 organizations in 1 700 separate entries Arrangement is in 20 main subject sections covering the three main p

British Politics in the Suez Crisis ,1964 **Parties at War** Andrew Thorpe, 2009-01-08 Political parties formed the cornerstone of the liberal democracy for which Britain claimed it was fighting in the Second World War However that conflict represented the most sustained challenge to the British party system during the twentieth century War forced the suspension of normal electoral politics and exerted considerable extra demands on the time and loyalties of party activists and organizers This all posed a serious challenge to the Conservative Labour and Liberal parties Parties at War uses an unusually broad and deep range of records of the main political parties to explore how they responded to the challenge of war Extensive use of the local as well as the national level papers of the major parties offers a fuller picture than ever previously attempted Andrew Thorpe focuses on what parties actually did at both local and national levels to sustain their organization during the war He assesses the varying impacts of war not just on each of the parties but also over time and between the different regions and areas of Britain Thorpe demonstrates how wartime struggles over organization had significance not just for the election of the first majority Labour government in 1945 but also for the longer term development of party in modern British politics

Intl Biblio Pol SC 1965 International Committee for Social Science Information and Documentation, 1966 First published in 1966 Routledge is an imprint of Taylor Francis an informa company A Short History of the Liberal Party, 1900-88 Chris Cook, 1989 A History of the Liberal Party since 1900

David Dutton, 2013-04-26 Once teetering on the brink of oblivion the British Liberal Party has again re established itself as a major force in national and local politics David Dutton s approachable study offers new insights into the waning near death and ultimate recovery of the Liberal Party from 1900 to the present day Discussions of politics philosophy and performance are all skilfully interwoven as Dutton demonstrates how the party has become once more a formidable player on the political

stage The second edition of this established text offers An entirely new chapter on the coalition government A chronology of key events Numerous suggestions for further reading This lively survey of British Liberalism from the era of Campbell Bannerman to that of Nick Clegg reviews existing literature while offering its own distinctive perspective on one of the most compelling of political dramas
