**Retribution** Darren Nethington,2004-06 Retribution the Redemption of Tom Marks is a story of loss and longing of heroic acts and unspeakable deeds and finally of hope and love After his family is killed by disease Tom Marks travels the frontier building a reputation as a fierce gunfighter His adventures keep him from facing the loss of his family and the part he feels he played in their deaths One fateful day Tom Marks happens upon a seemingly innocent child who has just survived a brutal attack that left her parents dead As he strives to keep her safe from the killers Tom Marks learns to accept his own loss and move forward experiencing new love and hope for the future     *The Ways of God; Or, Thoughts on the Difficulties of Belief, in Connexion with Providence and Redemption* Thomas Rawson Birks,1863     [Performance in the Cinema of Hal Hartley](#) ,     **An Introduction to the Critical Study and Knowledge of the Holy Scriptures** Thomas Hartwell Horne,1823     **An Introduction to the Critical Study and Knowledge of the Holy Scriptures ... Orton** Philip Doddridge,1804     **The Eagle and the Hart** Helen Castor,2024-10-15 From an acclaimed historian and author comes an epic history the dual biography of Richard II and Henry IV two cousins whose lives played out in extraordinary parallel until Henry deposed the tyrant Richard and declared himself King of England Richard of Bordeaux and Henry of Bolingbroke cousins born just three months apart were ten years old when Richard became king of England They were thirty two when Henry deposed him and became king in his place Now the story behind one of the strangest and most fateful events in English history and the inspiration behind Shakespeare s most celebrated history plays is brought to vivid life by the acclaimed author of Blood and Roses Helen Castor Richard had

birthright on his side and a profound belief in his own God given majesty But beyond that he lacked all qualities of leadership A narcissist who did not understand or accept the principles that underpinned his rule he was neither a warrior defending his kingdom nor a lawgiver whose justice protected his people Instead he declared that his laws were in his own mouth and acted accordingly He sought to define as treason any resistance to his will and recruited a private army loyal to himself rather than the realm and he intended to destroy those who tried to restrain him Henry was everything Richard was not a leader who inspired both loyalty and friendship a soldier and a chivalric hero dutiful responsible principled After years of tension and conflict Richard banished him and seized his vast inheritance Richard had been crowned a king but he had become a tyrant and as a tyrant ruling by arbitrary will rather than established law he was deposed by his cousin Henry the only possible candidate to take his place Henry was welcomed as a liberator a champion of the people against his predecessor s paranoid despotism But within months he too was facing rebellion Men knew that a deposer could in turn be deposed and the new king found himself buffeted by unrest and by chronic ill health until he seemed a shadow of his former self trapped by political uncertainty and troubled by these signs that God might not after all endorse his actions Captivating immersive and highly relevant to today s times The Eagle and the Hart is a story about what happens when a ruler prioritizes power over the interests of his own people When a ruler demands loyalty to himself as an individual rather than duty to the established constitution and when he seeks to reshape reality rather than concede the force of verifiable truths Above all it is a story about how a nation was brought to the brink of catastrophe and disintegration and in the end how it was brought back
