rites in our culture What new shape is it taking on in our culture In the midst of the other rites what is the peculiar identity of Christian ritual In this book the accent is on the anthropological approach to Christian ritual it works from the bottom up The book seeks answers to the questions being asked in the discipline of ritual studies which particularly since the second half of the 1980s has arisen as an important realm or stage on which different disciplines studying ritual come together Indian Interpretation of the Bible Augustine Thottakara, 2000 An attempt to interpret Bible in the light of Indian philosophy culture and spirituality **Forthcoming Books** Rose Arny, 1997 *The Non-ordination of Women and the Politics of Power* Elisabeth Schüssler Fiorenza, Hermann Häring, 1999 **Faith in a Society of Instant Gratification** Maureen Junker-Kenny, Miklós Tomka, 1999 Some contributions translated by John Bowden and Paul Burns Includes bibliographical references Introduction Faith in an experience society Maureen Junker Kenny Societies of instant gratification in different cultures Europe and North America Zygmunt Bauman Asia John Joseph Puthenkalam Latin America at the turn of the millennium between immediatism and holiness Maria Clara Lucchetti Bingemer Sociological analysis Individualism a change in values the experience society converging trends in sociology Miklos Tomka Theological interpretations The dangerous memory of Jesus Christ in a post traditional society Alberto Moreira Instant gratification and liberation Ferdinand Dagmang The river and the mountain Subhash Anand Aesthetic existence and Christian identity Michael Bongardt Ecclesial praxis challenges opportunities models Decline or transformation of solidarity Norbert Mette New affective communities and the problem of mutual understanding Diana L Hayes Fulfilment experienced for a moment yet painfully lacking Hans Kessler Documentation The success of the experience society and the most obvious mistakes in its reception Gotz Lechner Seminary collection Library Literature, 1998 *The Catholic Periodical and Literature Index*, 2009 Arts & Humanities Citation Index, 1985 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **Avignon & Naples** Marianne Pade, Hannemarie Ragn Jensen, Lene Waage Petersen, 1997
