of U S Supreme Court      **Native American Spirit Beings** Jeanne Nagle,2014-07-15 Native American spirituality is as rich and varied as the cultures wherein it is practiced Unlike the ancient Greeks and Romans who worshipped divine gods and goddesses the indigenous people of North America revere a variety of non deity spirit beings which are entities with mystical powers The crux of Native American spirituality and detailed entries regarding some of the most intriguing spirit beings are discussed in this book Detailed material on Native American religious traditions beliefs by culture area and a complete chapter on nature worship are included in this informative package      Hands Upon the Rock Paula Paplow,2013 A man kneels in the sun places his left hand upon the red quartzite He outlines it then chips its likeness into the rock A child on her knees lays both her hands upon the same warm stone and whispers I feel hope Perhaps several thousand years have passed between these two incidents at the Jeffers Petroglyphs site Whatever place or time or culture we inhabit our hands define us as humans We are alike      In Praise of Nothing Ellen M. Chen,2010-12-22 This is the first work devoted to an exposition on Daoist metaphysics and presenting Dao as a feminine principle The work should be of interest to scholars and general readers in many disciplines Comparative philosophy religious studies metaphysics Asian studies Chinese studies etc

Interpreting the Personal Susan Leslie Campbell,Sue Campbell,1997 The author reinstates the personal as an important dimension in analytic philosophy of mind She argues that the category of feelings has a unique role in psychological explanation the expression of feelings is the attempt to communicate personal significance To develop a model for affective meaning the author moves attention away from the classic emotions to feelings which are more personal inchoate and idiosyncratic      *A Study of Siouan Cults* James Owen Dorsey,2018-04-09 Cult as used in this book means a system of religious belief and worship especially the rites and ceremonies employed in such worship The present book treats of the cults of a few of the Siouan tribes that is with two exceptions of such tribes as have been visited by the author Siouan is a term originated by the Bureau of Ethnology It is derived from Sioux the popular name for those Indians who call themselves Dakota or Lakota the latter being the Teton appellation Siouan is used as an adjective but unlike its primitive it refers not only to the Dakota tribes but also to the entire linguistic stock or family The Siouan family includes the Dakota Assiniboin Omaha Ponka Osage Kansa Kwapa Iowa Oto Missouri Winnebago Mandan Hidatsa Crow Tutelo Biloxi Catawba and other Indians      *Mysticism* Jess Hollenback,1996-11-01 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new category of sources that more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic's interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic's experience as well Hollenback also explores the

linkage between the mystic's practice of recollection and the onset of other unusual or supernormal manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience

Humanity & Society ,2003      Aztec Philosophy James Maffie,2013-09-15 In Aztec Philosophy James Maffie reveals a highly sophisticated and systematic Aztec philosophy worthy of consideration alongside European philosophies of their time Bringing together the fields of comparative world philosophy and Mesoamerican studies Maffie excavates the distinctly philosophical aspects of Aztec thought Aztec Philosophy focuses on the ways Aztec metaphysics the Aztecs understanding of the nature structure and constitution of reality underpinned Aztec thinking about wisdom ethics politics and aesthetics and served as a backdrop for Aztec religious practices as well as everyday activities such as weaving farming and warfare Aztec metaphysicians conceived reality and cosmos as a grand ongoing process of weaving theirs was a world in motion Drawing upon linguistic ethnohistorical archaeological historical and contemporary ethnographic evidence Maffie argues that Aztec metaphysics maintained a processive transformational and non hierarchical view of reality time and existence along with a pantheistic theology Aztec Philosophy will be of great interest to Mesoamericanists philosophers religionists folklorists and Latin Americanists as well as students of indigenous philosophy religion and art in the Americas      **Maidu Texts** Roland Burrage Dixon,1912      **WEEKLY RETURNS OF BIRTHS AND DEATHS IN DUBLIN** ,1877      *Teachings from the American Earth* Dennis Tedlock,Barbara Tedlock,1992 Essays discuss North American Indian views of medicine the spiritual world the ghost dance peyote death reality and the world      **The Sacred Pipe** Black Elk,Joseph Epes Brown,2012-05-05 Black Elk of the Sioux has been recognized as one of the truly remarkable men of his time in the matter of religious belief and practice Shortly before his death in August 1950 when he was the keeper of the sacred pipe he said It is my prayer that through our sacred pipe and through this book in which I shall explain what our pipe really is peace may come to those peoples who can understand and understanding which must be of the heart and not of the head alone Then they will realize that we Indians know the One true God and that we pray to Him continually Black Elk was the only qualified priest of the older Oglala Sioux still living when The Sacred Pipe was written This is his book he gave it orally to Joseph Epes Brown during the latter's eight month's residence on the Pine Ridge Reservation in South Dakota where Black Elk lived Beginning with the story of White Buffalo Cow Woman's first visit to the Sioux to give them the sacred pipe Black Elk describes and discusses the details and meanings of the seven rites which were disclosed one by one to the Sioux through visions He takes

The Books of "Is" Dr. R. Lowery-Hawk D.D. D.R.S. PhD.,2012-08-29 The first Books of IS is full of contemplative designs and graftics along with rhythmic writings All are created to move gently your senses and your brain to stirring you awake and into thinking sensing and observing the life within you and around you The writings and graphics are meant to be contemplated upon and carried into your daily life so to awaken you to the truth of you and the universe of life here now and beyond here and the now I have also included pages at the end of each chapter for the reader s own inspired writings brought on by the repeated readings and contemplations of the writings and graphics in this book so to assist in the activation of your creative and intellectual mind right and left brain

functions The Books of IS came about after my being mysteriously intuitively guided for over twenty eight years to write down messages of a higher conscious level on truths of life myself and all life in general The writings in BOOK ONE The Dance of Becoming are compiled writings from a higher presence of love that I was receiving during a strong inter sensing to write down what was calling to me This first began occurring during my pre teens then again as an adult during times of great sorrow or and loneliness As an adult and after writing for almost a year the writings began taking on a deeper nature They began to change into messages and memories of truth guidance and gentle love coming forth giving me more of the peace and joy they had been creating within me The desire to write more called often and strongly yet pleasantly to me and the experience of it all was ecstasy I began to realize that I must have been touching down into deeper parts of myself and then rising up to the higher parts of me my Higher Soul I was then feeling such peace joy and knowing that I no longer felt sadness nor loneliness Instead I felt the great desire and joy to experience and to know more It felt as if at these times I was my TRUE SELF I felt complete and all knowing I felt like I was with the Holies of Holies and the Angels Then in the year 1984 I was telepathically told by these Sacred Messengers of a higher power Creator to put all these writings into books and when the time came publish them to aid all mankind all existence From these writings I receive messages and teachings that went beyond mundane and into the higher planes of existence connecting me with the Creator of all principles of all life There I connected with Holy Messengers of various kinds I had asked for validation on all this and soon found myself miraculously being lead to the meeting of those who were Guardians of these ancient long protected Sacred Truths along with findings in old books and other similar occurrences and people These validations ranged from old mystery schools of various kinds to ancient indigenous beliefs on creation and a higher powerful being to more modern religions and scientific findings I also was lead in syn with others who too were receiving similar writings with same truths some written a bit differently In 1984 I was given the spiritual telepathic message that in the future I would be compiling these and other writings into books to be published for the world This was so that many people could be reached more quickly for the quickening had begun They told me that the writings in this book and in others were seed truths selectively and rhythmically placed camouflaged seeming at first to those not ready as stories of mere fantasy so called make believe and sci fi I was told the writings are done this way so to gently but powerfully unlock the encoded truths within those who hear or read them and view the graphics These writings therefore are like camouflaged words codes hidden to many but obvious to those who were ready remembering awakening therefore protected from those who would abuse them and interpret them with mis understanding in a negative way thereby creating too much chaos
