Return To Ithaca:

Return to Ithaca Glyn Iliffe, 2017-06-05 The epic story of Odysseus's journey home the historical fantasy series finale by an author who has been called a demi god of the genre The Catholic Herald Odysseus has been to Hell and back Deserted by the Gods and now in bitter conflict with his friend Eperitus times look bleak He dreams of returning to his home to Ithaca But back on Ithaca things look little better His son Telemachus and wife Penelope are besieged by a gang of suitors believing Odysseus to be dead and looking for her hand in marriage Odysseus and Eperitus have survived everything But now they face a last test perhaps the most difficult of all Can they reclaim what has been lost For readers of David Gemmell Christian Cameron and Simon Scarrow Return to Ithaca is the stunning conclusion to the Adventures of Odysseus series **The Return to Ithaca** Michael Jones, 2021 **Return to Ithaca** Eyvind Johnson, 1952 The Return of Ulysses Edith Hall, 2008-01-30 Whether they focus on the bewitching song of the Sirens his cunning escape from the cave of the terrifying one eyed Cyclops or the vengeful slaying of the suitors of his beautiful wife Penelope the stirring adventures of Ulysses Odysseus are amongst the most durable in human culture The picaresque return of the wandering pirate king is one of the most popular texts of all time crossing East West divides and inspiring poets and film makers worldwide But why over three thousand years has the Odyssey's appeal proved so remarkably resilient and long lasting In her much praised book Edith Hall explains the enduring fascination of Homer's epic in terms of its extraordinary susceptibility to adaptation Not only has the story reflected a myriad of different agendas but from the tragedies of classical Athens to modern detective fiction film travelogue and opera it has seemed perhaps uniquely fertile in generating new artistic forms Cultural texts as diverse as Joyce's Ulysses Suzanne Vega's Calypso Monteverdi's Il Ritorno d Ulisse in Patria the Coen Brothers O Brother Where Art Thou Daniel Vigne's Le Retour de Martin Guerre and Anthony Minghella's Cold Mountain all show that Odysseus is truly a versatile hero His travels across the wine dark Aegean are journeys not just into the mind of one of the most brilliantly creative of all the ancient Greek writers They are as much a voyage beyond the boundaries of a narrative which can plausibly lay claim to being the quintessential global phenomenon **The Returns of Odysseus** Irad Malkin, 1998-11-30 This remarkably rich and multifaceted study of early Greek exploration makes an original contribution to current discussions of the encounters between Greeks and non Greeks Focusing in particular on myths about Odysseus and other heroes who visited foreign lands on their mythical voyages homeward after the Trojan War Irad Malkin shows how these stories functioned to mediate encounters and conceptualize ethnicity and identity during the Archaic and Classical periods Synthesizing a wide range of archaeological mythological and literary sources this exceptionally learned book strengthens our understanding of early Greek exploration and city founding along the coasts of the Western Mediterranean reconceptualizes the role of myth in ancient societies and revitalizes our understanding of ethnicity in antiquity Malkin shows how the figure of Odysseus became a proto colonial hero whose influence transcended the Greek speaking world The return

myths constituted a generative mythology giving rise to oral poems stories iconographic imagery rituals historiographical interpretation and the articulation of ethnic identities Reassessing the role of Homer and alternative return myths the book argues for the active historical function of myth and collective representations and traces their changing roles through a spectrum of colonial perceptions from the proto colonial through justifications of expansion and annexation and up to decolonization

Return to Ithaca Pamela Middleton Murray,1980 *Tales from the Odyssey: Return to Ithaca - Book #5* Mary Pope Osborne,2004-10-01 Retells part of Homer s Odyssey in which Odysseus with the help of the goddess Athena plans to get revenge on those who have plagued his wife and son during his absence Reprint *The Trojan War and Its Aftermath: Four Epic Poems Retold* David Bruce,2024-04-01 The Trojan War and Its Aftermath Four Epic Poems Retold by David Bruce is a captivating retelling of the timeless tales surrounding the legendary conflict of the Trojan War and its far reaching consequences Drawing from ancient sources such as Homer s Iliad and Odyssey as well as other classical works Bruce weaves together a rich tapestry of myths heroes and gods to create a compelling narrative that brings the ancient world to life Through vivid prose and meticulous attention to detail Bruce guides readers through the epic events of the Trojan War from the famed duel between Achilles and Hector to the cunning stratagems of Odysseus and the tragic fall of Troy Along the way he introduces readers to a host of unforgettable characters from the valorous warriors to the cunning goddesses each with their own motivations and desires But Bruce s narrative doesn t end with the fall of Troy instead he explores the aftermath of the war and its impact on the heroes and heroines who survived From the trials of Odysseus as he struggles to find his way home to the tragic fate of the Trojan women Bruce delves deep into the human drama and emotional resonance of these timeless stories revealing the enduring power of myth to illuminate the human condition

The Raft of Odysseus Carol Dougherty,2001 The Raft of Odysseus looks at the fascinating intersection of traditional myth with an ethnographically viewed Homeric world Carol Dougherty argues that the resourcefulness of Odysseus as an adventurer on perilous seas served as an example to Homer s society which also had to adjust in inventive ways to turbulent conditions The fantastic adventures of Odysseus act as a prism for the experiences of Homer s own listeners traders seafarers storytellers soldiers and give us a glimpse into their own world of hopes and fears 500 years after the Iliadic events were supposed to have happened
