The discovery that Marchmont is home to the Resonants, men and women gifted with the ability to read and control the minds of others, has badly shaken the people of Canderis. For while they value their own Seekers, humans who empathically bond with the catlike ghatti to read truth, they are deathly afraid of the rogue Resonants known as Gleaners. And their fears are well founded for one faction of Gleaners has for years preyed upon the innocent and defenseless.
