## Return To War:

The War of Return Adi Schwartz, Einat Wilf, 2020-04-28 Two prominent Israeli liberals argue that for the conflict between Israel and the Palestinians to end with peace Palestinians must come to terms with the fact that there will be no right of return In 1948 seven hundred thousand Palestinians were forced out of their homes by the first Arab Israeli War More than seventy years later most of their houses are long gone but millions of their descendants are still registered as refugees with many living in refugee camps This group unlike countless others that were displaced in the aftermath of World War II and other conflicts has remained unsettled demanding to settle in the state of Israel Their belief in a right of return is one of the largest obstacles to successful diplomacy and lasting peace in the region In The War of Return Adi Schwartz and Einat Wilf both liberal Israelis supportive of a two state solution reveal the origins of the idea of a right of return and explain how UNRWA the very agency charged with finding a solution for the refugees gave in to Palestinian Arab and international political pressure to create a permanent refugee problem They argue that this Palestinian demand for a right of return has no legal or moral basis and make an impassioned plea for the US the UN and the EU to recognize this fact for the good of Israelis and Palestinians alike A runaway bestseller in Israel the first English translation of The War of Return is certain to spark lively debate throughout America and abroad

and Feminist Bodies begins with the politics and aesthetics of Afrofuturism which sets the stage for the dialogue around contemporary feminism that runs through the collection With a paradigm of remix as linguistic play and reconfiguration the chapters confront the question of narrative codes and conventions These new formats are crucial to rewriting the relationship between hegemonic and resistant texts     *The Income Tax Law, the War-profits and Excess-profits Tax Law, the Estate Tax Law, the Capital-stock Tax Law, and General and Administrative Provisions Relating Thereto* Barry Mohun,1919
