## Returning A Spiritual Journey:

**Returning** Dan Wakefield,1997-04-30 Dan Wakefield was a successful writer of novels nonfiction and screenplays when he awoke to a private life that was disintegrating in alcohol depression and isolation He fled Hollywood for Boston where he reclaimed a faith he had thought he was too sophisticated to embrace In this moving memoir Wakefield returns to his religious roots and his early life his Indiana boyhood his tumultuous student days and his growth as a writer *Returning Home* William J. Webb,1993-01-01 The text of 2 Cor 6 14 7 1 commonly called the fragment has been the focus of much debate due largely to its enigmatic presence within the context of 2 14 7 4 This work forges a new line of research on the problem of contextual disruption through an examination of the Old Testament traditions used within the fragment their source redactional focus and theology Next a similar traditions study is pursued in the current literary context of 2 14 7 4 A surprising degree of continuity between the fragment and its context is discovered in the use of Old Testament traditions particularly those relating to new covenant and second exodus exilic return traditions From this investigation a contextual hypothesis is proposed along with a critique of competing contextual theories The book concludes with two appendices which apply the contextual hypothesis to the crucial interpretative issue in 6 14a Although the author s contextual hypothesis is not dependent upon any one interpretative solution in 6 14a it nonetheless offers some fresh insight into the questions of who the unbelievers are and what the unequal yoke is **Returning to the Healing Oasis** Sharon Moon,2006 *Returning to Intimacy to Rebuild and Restore Hearts to Christ* Priscilla Young,2022-11-03 Priscilla s book *Returning to Intimacy to Rebuild and Restore Hearts to Christ* is about how she got so caught up in works for God that she forgot how to spend that intimate time that He so desired with her Holy Spirit took her through a time of spiritual training and rest to humble herself as a child at the master s feet This meant putting all else aside and allowing Holy Spirit to teach her how to once again pray with heartfelt prayers by spending time in His presence communicating only with Him and most of all returning her intimately with her First Love By God s direction *Returning to Intimacy to Rebuild and Restore Hearts to Christ* is the lesson plan He walked Priscilla through so that she could show others how to become intimate with Him once again This book is dedicated to all the men and women in prison who are searching to know the heart of God once again and have a burning desire to return to intimacy with Him *Spiritual Formation as the Hero's Journey in John of Ruusbroec* Robert Pelfrey,2022-04-07 This book examines the theology of spiritual formation developed by fourteenth century Flemish mystic John of Ruusbroec arguing that his formational path clearly and consistently displays the characteristics of the archetypal narrative structure of the hero s journey To start with a hermeneutical dialogue between scholars of the hero s journey and Ruusbroec is established employing the work of Hans Georg Gadamer The author then examines the stages and tropes of the hero s journey according to Vladimir Propp Joseph Campbell Northrop Frye Ren Girard Dean Miller and others exploring the parallels in Ruusbroec s writing and theology of spiritual formation The book follows Ruusbroec s story of answering the

divine call journeying inward and experiencing the trials of spiritual transformation attaining the treasure of divine union and returning in loving service to others Finally the ramifications of the argument for the interpretation and application of other mystical and heroic narratives are considered Offering a new perspective on John of Ruusbroec mystical theology and the hero s journey as a spiritual quest this volume will be of interest to scholars of mysticism theology formative spirituality narrative theory and religious literature of the Low Countries

**Returning Home** Elisa Silverman,2015-11-01 Next year in Jerusalem This is how every Passover seder seh dehr ends Every year Jews hold this special meal where they retell the story of the Israelites escaping slavery in Egypt crossing the desert and building their own nation The exclamation symbolizes the yearning of the Jews to return to their ancient homeland lost to them nearly two thousand years ago From the earliest days of aliyah which describes the process of Jews returning to Israel through today the new arrivals have had many different reasons for coming to Israel The first pioneers were motivated to build a modern Jewish state on their historic land In many cases they were fleeing anti semitism or were expelled from their birth country because of it In other cases major national upheavals created a general chaos and instability they wanted to leave Other immigrants have no need for rescue but leave their birth countries to fulfill their dream of living a Jewish life in the Jewish homeland Even for those Jews leaving their birth countries in distress they have a choice as well Many of the Russian Jews fleeing Russia in the late 19th century decided to immigrate to the United States instead of Israel Of the nearly one million Jews who fled their homes in Arab countries around two thirds of them chose to come to Israel while others went to France Canada or the United States So every Jew making aliyah has chosen to live in Israel Each one has their own unique set of circumstances and wishes that brought them to the little country Here are just a few of their stories
