The Crossing of the Visible Jean-Luc Marion, 2004 Ranging across artists from Raphael to Rothko Caravaggio to Pollock The Crossing of the Visible offers both a critique of contemporary accounts of the visual and a constructive alternative According to Marion the proper response to the nihilism of postmodernity is not iconoclasm but rather a radically iconic account of the visual and the arts which opens them to the invisible

A Call to Return Dan Alan Rodriguez, 2015-01-29 A Call to Return Restoring the Roots of Our

Relationship with Jesus explores the depths of the Scriptures to excavate, refine and lift up its words of power, revealing deep truths that will radically change the lives of believers. By tapping into this rich vein of biblical insight, Dan Alan Rodriguez offers Christians the insights to enable them to set out upon paths of discipleship that follow Jesus closely and that lead to profound experiences of His presence and power. Drawing upon the author's study of first-century Judaism and Christianity and resting upon a diverse array of sources steeped in the foundational texts of these traditions, the twelve chapters of *A Call to Return* address a series of interlocking topics: a prophetic call to return, the revival of lawlessness, the revival purpose and preexistence of God's commandments, the church's commandments and their connections to faith, grace and good works, the association of works of the law to Jewish tradition and ceremony, holiness, the fear of the Lord, each believer as a temple of the holy and the meaning of loving the Lord Jesus. If you have a sense that Jesus's message and ministry are calling you to embark upon a walk with Him that might take you away from all in Christianity that requires no accountability or responsibility before God, then *A Call to Return: Restoring the Roots of Our Relationship with Jesus* is the right book for you to read. It will give you the keys for understanding and responding to the Lord's call to return to Him and to follow where He leads. *The Return of the Kingdom* Stephen G. Dempster, 2024-03-19 In this ESBT volume, Stephen Dempster traces the themes of kingship and kingdom throughout Scripture, illuminating the challenges, pain and ultimate hope that the Bible offers. The story of God's kingship is ultimately the fulfillment of a promise to defeat sin and death and to establish a world of peace and justice. **Return to Jesus** Pastor Curt Moore, 2011-09-07 We hear it said and preached constantly: to live like Jesus, to be like Jesus. We are challenged to live for Jesus and not be conformed to the ways of the world. But what does it really mean to live in such a way? What does it mean to serve God through Jesus Christ? If you think it is moral living, only you'd be wrong. If you think it's doing good deeds alone, you'd be wrong. Maybe you truly do not know what it means to live like Jesus, to be like Jesus. *RETURN TO JESUS: A Vision of Self-Giving Love* will teach you to live as Christ lived and to be like Christ. It is a call to renewal for the Christian church and to enhance your daily walk in Christ. It will take you on a journey through the Scripture and give you the tools to live in the self-giving love which Jesus lived and taught. Unlike many other books on love, *RETURN TO JESUS* sets forth a Scripture foundation and basis for following Jesus in living a life of agape or self-giving love. It also chronicles the author's journey to this realization of truth that was there in Scripture all along. The reader will come to see that love is not just a word to be bandied about but is agape. This is the self-giving love which Jesus not only lived and taught but is the basis for all God's laws and messages from Scripture. There will be renewed vision as you begin to understand the purpose that our Heavenly Father desired for your life from the beginning. Thus, you will become a more effective witness for Jesus as you learn to live your life as he did. *RETURN TO JESUS* will teach you the fullness of the agape message and will forever change your view of what it means to be a Christian. For some, it will be an affirmation of something that has been stirring in their Spirit which they have not been able to fully understand or put into words. For others, it will be a completely

different understanding of walking daily in Christ For everyone who receives and begins to live out this message their life in Christ will never be the same Below is an excerpt from the book that will give you an idea of the message which lies within

God Philip McCarty,2004-11 What is God like Come join Philip McCarty as he enters an art gallery containing only one picture God through His word has painted an unbelievable portrait of Himself Like any masterpiece there are different textures layers and angles that need to be explored and scrutinized Beginning with the physical characteristics of God Spirit Trinity Self Existence Everywhere Present All Knowing Almighty The author then moves to the moral attributes Holy Just Love Mercy True He finishes with some of the characteristics that blend both the physical and moral Wise Sovereign Unchangeable Along the way you will find out how God has drawn you Whether you have attended church all your life or just wanting to take a peek at this God thing you will find something of interest in each chapter This book purposefully stays away from the Christian jargon and church speak and defines every important term used If you have never read a book about God then let this be your first

The Return of Christ Robin Corner,2022-02-03 At the time of writing covid 19 is raging around the world and fears of global warming war economic collapse and famine are widespread But is it possible that these things are signs of the long awaited return of Jesus Christ as prophesied in the Bible For the first time in history the Christian Gospel is being

taught in every nation on earth Large numbers of people are becoming Christians in India China other parts of Asia Africa and South America even as in traditionally Christian countries many are leaving the church And if Christ returns as promised what will that look like What will be happening on earth Robin was aware of many theories so decided to research the issue himself initially just by reading what the Bible has to say on it In this book he looks at beliefs held over the centuries He examines the scriptures and draws some surprising answers from many often overlooked simple passages If you are new to this topic you will find the book fascinating And if you have studied it for years be prepared to be surprised and challenged

Return to the Garden of Eden Thaddeus Kedziora,2015-08-06 Return to the Garden of Eden is dedicated to refuting the unbiblical error of Replacement Theology which supposes that God has spiritually replaced Israel with the Church The problem with this understanding is if God replaced Israel who was promised an everlasting possession of land then what good is His promise of an everlasting salvation to the Church This book concentrates on the multitude of verses in scripture which indicate that the national restoration of Israel is an absolute imperative It demonstrates that Israels existence today was not only predicted but necessary for Christ to return to earth just as He said He would This book illuminates the fact that Israel being a nation in our time is a miracle to be witnessed by we Christians and a comfort and encouragement that God always keeps his word literally not allegorically
