Returning To The Civil War:

Returning Wars' Wounded, Injured, and Ill Nathan D. Ainspan Ph.D., Walter E. Penk, 2008-09-30 Thousands of American service members are returning from their tours of duty with physical and or psychological disabilities Many if not most of these service members will need at least some assistance to adapt to their disabilities and learn how to reintegrate back into civilian life Also impacted will be the spouse friends employers family members counselors and community members of each veteran with a disability The veterans may not be aware of the ways in which their disabilities are impacting them nor knowledgeable about the resources available to help them cope In addition many such individuals feel isolated and reluctant to acknowledge their difficulties or ask for assistance The volume compiles and summarizes the information disabled veterans and those with whom they interact will be interested in knowing and using It describes how disabilities can impact an individual physically psychologically and spiritually It also provides a context of these disabilities to reassure the readers that they are not alone in the thoughts feelings and pain and that others have experienced the same problems and found solutions The work provides guidance on different forms of treatment that may help the veteran and includes a list of contact information for local VA centers peer to peer counseling services and other programs services and individuals available frequently for free for veterans and their families Brief biographies of disabled veterans and case studies of the ways they reintegrated back into civilian society provide support and perspective In addition to aiding veterans the book will serve as a useful reference source for librarians and other information providers **The Return of the State** Graeme

Garrard, 2022-01-01 A vigorous and timely defense of the state as a force for good For decades now wealth and power have been shifting from states to markets This experiment has been a failure for all but a privileged few But this trend is beginning to reverse accelerated by the COVID 19 pandemic which has seen the state play the most direct and positive role in citizens everyday lives in living memory Graeme Garrard makes a powerful case for the state as our only realistic hope of countering the rising power of multinational corporations organized crime and international organizations that will always put their own interests first Today the state is essential to the health and welfare of everyone except the rich and powerful Yet it is being rolled back and whittled away leaving the well being of most of us at the mercy of unaccountable private powers that are increasingly free from external control As Garrard shows the state is the only realistic way of promoting the public good in our time Writology: The Return: Volume IV of the Writologist Series (economy style) H.A. Calahan, 2016-11-13 Welcome to the third installment of the Writology series The Return Writology takes you the reader on a journey of chronological and evolutionary writing Volume IV The Return collected in this book contains all the junior year high school works of the author There is a self imposed journal collection and many informational essays All of which lay the ground work for Volume V FinalMarks As with previous volumes the author provides original artwork and commentary along the way There is a bonus never before seen Civil War Sketch Diary based on a mock Civil War battle experienced by the school circa 1996 1997 It

concludes as do all previous volumes with an exercise appendix based on either original assignments or the creations themselves The journey started bashfully with time warps and love ants It was continued with a petition many letters and a RainBear Geologic findings and impressionism continue the journey the journey continues now **Return to Kahiki** Kealani Cook,2018-01-25 An important new analysis of Native Hawaiian efforts to construct relationships with other Oceanic peoples as missionaries diplomats and tourists The Return of Geopolitics Albert J. Bergesen,Christian Suter,2018 With globalization fading and geopolitics on the rise this volume analyzes globalization geopolitical cycles accompanied by rising and falling economic military hegemonies and the Chinese concept of Tianxia as an equivalent of the idea of hegemony along with a theory of pre emptive hegemonic decline Geopolitical movements are also discussed including state seeking movements since the 16th century Kurdish struggles in Turkey African terrorist groups and the Russian intellectual movement called Eurasianism Finally there is a discussion of the geopolitics of the Anthropocene and the rise of Astropolitical theory Return in Post-Colonial Writing ,2021-11-15 For writers and academics prominent in the field of the New Literatures in English today the notion of return explodes into rich semantic difference to reveal the diversity of preoccupations underlying the use of the common tongue From the Caribbean to Australia Guyana to South Africa India to Great Britain literary political and personal history collaborate in the poetic metamorphosis of an otherwise everyday experience Now a state of being now a reading rich with cross cultural age return draws from the collective memory invokes revenants digs up forgotten history quests for roots Just as it creates a dialogue with the past textual or real it negotiates turning points and perpetuates reversals It reclaims territory tradition and language in its yearning for home Fraught with the tensions arising from awareness of the impossibility of return from the exhilarations of imaginary fictional return even from the glimmering hope of a possible return its contemplation can also lead to appreciation of the infinite re turn re newal and re creation that is the beauty of human experience Discussion ranges from revenant supernaturalism in West Indian literature and the exploration of return in Australian African and Indo Anglian fiction to Caribbean poetry South African praise poets and West African drama Writers treated include Ama Ata Aidoo Edward Kamau Brathwaite Jean D Costa Bessie Head Matsemela Manaka Salman Rushdie Derek Walcott and Patrick White The personal biographical dimension of physical return is encompassed via the examination of the life and works of such writers as Es kia Mphahlele and Wole Soyinka and through autobiographical reflections The essays stories and poetry in this collection challenge patterns of conditioned reading and call for a multilayered polylogue with reality **Return to the Middle Kingdom** Yuan-tsung Chen,2008 The author chronicles three generations of her late husband s family all of who fought against the injustices they encountered in their homeland of China Return to Twin Peaks Jeffrey Andrew Weinstock,Catherine Spooner,2015-11-17 Return to Twin Peaks offers new critical considerations and approaches to the Twin Peaks series as well as reflections on its significance and legacy With texts that analyze the ways in which readers and viewers endow texts with meaning in light of historically

situated and culturally shared emphases and interpretive strategies this volume showcases the ways in which new theoretical paradigms can reinvigorate and enrich understanding of what Twin Peaks was and what it has become since it went off the air in 1991

The Tradition of Return Jeffrey M. Perl,2014-07-14 Jeffrey Perl presents in this book a comprehensive reassessment of modernism and an effort to enrich our understanding of the direction literary culture has taken since the Renaissance Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 King Arthur's Modern Return Debra N.

Mancoff,2014-04-23 The Arthurian legend closes with a promise On a distant day when his country calls the king will return His lost realm will be regained and his shattered dream of an ideal world will at last be realized This collection of original essays explores the issue of return in the modern Arthurian legend With an Introduction by noted scholar Raymond H Thompson and 13 essays by authors from the fields of literature art history film history and folklore this collection reveals the flexibility of the legend Just as the modern legend takes the form current to its generation the myth of return generates a new legend with each telling As these authors show return can come in the form of a noble king or a Caribbean immigrant with the mystery of an art theft or a dying boy's dream The Oxford Handbook of Refugee and Forced Migration Studies

Elena Fiddian-Qasmiyeh,Gil Loescher,Katy Long,Nando Sigona,2014-06-12 Refugee and Forced Migration Studies has grown from being a concern of a relatively small number of scholars and policy researchers in the 1980s to a global field of interest with thousands of students worldwide studying displacement either from traditional disciplinary perspectives or as a core component of newer programmes across the Humanities and Social and Political Sciences Today the field encompasses both rigorous academic research which may or may not ultimately inform policy and practice as well as action research focused on advocating in favour of refugees needs and rights This authoritative Handbook critically evaluates the birth and development of Refugee and Forced Migration Studies and analyses the key contemporary and future challenges faced by academics and practitioners working with and for forcibly displaced populations around the world The 52 state of the art chapters written by leading academics practitioners and policymakers working in universities research centres think tanks NGOs and international organizations provide a comprehensive and cutting edge overview of the key intellectual political social and institutional challenges arising from mass displacement in the world today The chapters vividly illustrate the vibrant and engaging debates that characterize this rapidly expanding field of research and practice **Racing's Return from the Brink**

James C. Nicholson,2025-06-24 At the dawn of the twentieth century American horse racing clung to a precarious existence A wave of antigambling legislation threatened to destroy the industry until one extraordinary Thoroughbred

gelding dubbed the Miracle Horse by the media helped steer it away from extinction In *Racing's Return from the Brink* James C Nicholson tells the story of Old Rosebud within the context of the volatile cultural and political environment of the early 1900s Named for a brand of bourbon produced by his owners family distillery Old Rosebud set a track record when he won the 1914 Kentucky Derby by eight lengths After sustaining an injury in his next race Old Rosebud was sidelined for years before returning to the track ultimately recording forty wins in a career that lasted until 1922 Meanwhile opportune promotion from certain pillars of the Thoroughbred racing community sold policymakers and the public on the notion that horse racing was vital to US security at a time when the Mexican Revolution and World War I were still fresh in Americans minds Though his fame has since faded Old Rosebud was one of the most talented racehorses of his era and was once among the most recognizable names in US sports *Racing's Return from the Brink* is the first book to examine this critical period in American Thoroughbred racing history and one of the sport's forgotten superstars

The Returning Hero Simon Hornblower, Giulia Biffis, 2018-09-04 A recurring and significant theme in ancient Greek literature is that of returns and returning chiefly but by no means only of mythical Greek heroes from Troy One main and certainly the most marked ancient Greek word for return is *nostos* plural *nostoi* from which is derived the English *nostalgia* *Nostos* related traditions were important ingredients of colonial foundation myths and the theme runs through both ancient Greek prose and poetry from Homer's *Odyssey* to Lykophron's *Alexandria* also leaving traces in the historical record through the archaeological and epigraphical commemoration of *nostoi* which played a central part in defining Greek ethnicity and crystallizing personal and communal identities This volume offers a truly interdisciplinary exploration of the concept of *nostos* in ancient Greek culture which draws on its contributors expertise in ancient Greek and Roman history literature archaeology and religion The chapters examine both literary and material evidence in order to achieve a better understanding of the nature of Greek settlement in the Mediterranean zone and of

sometimes equivocal Greek and Roman perceptions of home displacement and returning The special problems and vocabulary of exile are explored in the long Introduction which offers an incisive yet accessible overview of the volume s key themes and sets its range of contributions clearly in context while two chapters are concerned in different ways with emotions and personal identity making use of the theoretical tool of place attachment another demonstrates that failed nostoi can be more interesting than successful examples Evidential absence can be as important and illuminating as presence and mythical women underrepresented in this regard feature extensively in several chapters which open up a range of new perspectives on nostos
