Your Family Reunion George G. Morgan,2001-06-13 This book is a guide for organizing a successful and exciting family reunion from a casual backyard barbecue to a week long deluxe cruise No matter whether this is your first family reunion or your tenth the keys to a successful event are to plan and organize a structure for it get the people together and provide opportunities for a variety of memory making activities Among the topics covered are getting started with the organization process determining how to finance the event and work with vendors deciding where and when to hold it and creating a simple and effective record keeping system *Growing up in Jena, Before the Jena Six* Murray K. Douglas,2019-11-11 This book is about my growing up in a small town during the 50 s and 60 s attending segregated schools and having to endure some of the demeaning things that came with being colored in the segregated southern town of Jena Louisiana *Family Reunion* Eric Selby,2008 For decades Ethel Davis Hopper known by everyone around town as a poison dripper and a control freak has hosted family reunions in her little slice of beautiful northern Vermont for what has burgeoned into five generations of Davis and Hopper offspring This year s reunion will be different though she s planning to host her own living funeral The extended family described by Ethel s favorite granddaughter as people who cluster themselves in three factions like bunches of Sunnis Shias and Kurds plans to gather at Ethel s dream home overlooking the quaint village despite their confusion as to what the longtime organizer has in store for them Even the far flung and estranged Hopper clan intends to show up this year

mostly because they wouldn't miss the old harridan's send off to the world. As the reunion approaches, this richly textured, dark yet comic novel reveals generations of family secrets and the inbred dysfunction that accompanies that history, much of it told through the journals of Ethel's late husband, Lyle. In her finest melodrama to date, Ethel serves up guilt trips, barbs, and a self-serving revisionist view of life with her loving husband to her long-suffering offspring. Come and see how much fun a Family Reunion can be. Our own families will seem tame by comparison.
