Rev Bud Robinson His Life And Ministry:

The Nazarene Messenger ,1907 *Holy Jumpers* William Kostlevy,2010-05-19 In this groundbreaking book William Kostlevy presents a fascinating study of the Metropolitan Church Association MCA a religious community founded in Chicago in the early 1890s The MCA was one of the most controversial societies of the era Its members were called jumpers because of their acrobatic worship style and Burning Bushers after their caustic periodical the Burning Bush They objected to the concept of private property rejected elite denominations and professed an alternative radical vision of Christianity using modern music and folk art to spread their message A product of the holiness revival of the late nineteenth century and a catalyst for Pentecostalism the MCA played a vital role in the twentieth century growth of evangelical Christianity yet it has long been ignored in studies of American radicalism of communal societies and even of holiness and Pentecostal Christianity Kostlevy rectifies this omission providing a valuable new context for understanding the origins of Pentecostalism He investigates the internal struggles of the Holiness Movement showing how radically divergent theological currents came to dominate a major segment of the American evangelical community He also shows how deeply the MCA impacted the lives of twentieth century evangelists Bud Robinson and Seth C Rees self designated first woman bishop Alma White and Pentecostal evangelists A G Garr and Glenn Cook As *Holy Jumpers* demonstrates Holiness Christians and the MCA in particular played a profoundly formative role in the development of modern evangelical and Pentecostal Christianity **Much Alive at Ninety-Five** Philip L. Green,2013-08 Let this book help you to know that A crisis does not need to destroy you Worry wrinkles diminish with a clear conscience Friendships are worth all they cost A good attitude opens many doors Cherished memories add spice to life Smiles do what wrinkles cannot do Forgiveness creates a healthy body and soul What you say to yourself can make or break you Your body is a gift worthy of good care The upward look brings a Divine Helper he here brings together lessons from his prayer of dominant desire He has answered many a call from church and community with a humble Here am I send me I cannot think of anyone regardless of age or station who will not be enlightened and inspired by reading this book I am honored to recommend it Rev O Gerald Trigg PhD What leaves an impression are the experiences of a man with an underlying happy heart ever glad to be of service to God and others Philip Green Jr I wrote this book at my age because I felt led to do so This book has much to say about what God has done through me Philip Green Sr [The Christian Science Journal](#) ,1903 [Pioneer Days of the Holiness Movement in the Southwest](#) C. B. Jernigan,1919 [Michigan Christian Advocate](#) ,1893 **Ken Sumrall and Church Foundational Network** Terry D. Shiver,2015-12-04 This is the first extensive examination of the life of Ken Sumrall and his firm belief in the modern day apostolic restoration movement It presents Sumrall s journey from his Baptist beginnings through his experience of the baptism of the Holy Spirit through his learning struggles with Liberty Fellowship of Churches and Ministers and into his birthing of Church Foundational Network It represents Sumrall in his own light while dealing with his paradigm changes concerning church government the heart of

which revolved around the restoration of modern day apostles Godly government was grounded in godly relationships with one s apostle whom Sumrall understood as a spiritual father For Sumrall the best biblical government for the New Testament church today is a theocracy Instead of a centralized hierarchical church government Sumrall advanced a decentralized network of churches connected relationally This volume contains the major influences upon Sumrall s thinking and the progress of his comprehension of the life of the church as family Moreover it engages some of the apprehensions that have surfaced over the present day apostolic movement and provides insights of the direction and survivability of the movement
