Stage It and Stream It John Patrick Bray, 2023-06-01 Playwrights have always demonstrated an incredible adaptability able to nimbly adjust to new circumstances and media This was never in greater evidence than during the coronavirus pandemic when with venues shuttered and stages darkened writers and performers across the world scrambled to sustain the art of theater via remote video Even today it is clear that the experiences of 2020 21 have dramatically altered the landscape of theatermaking as artists continually refine and deploy the lessons learned during a period of seat of the pants experimentation This groundbreaking anthology brings together new works from both emerging and established playwrights to explore the rich opportunities afforded by streaming theater They reveal a range of styles and approaches to storytelling encompass both traditional and experimental plays from solo pieces to large cast dramas and take place within single settings multiple settings or even in a utopian nowhere Throughout these selections all help to bring playwriting fully into our new era embodying the sense of magic that comes from simple moments of human connection even when we cannot be together Includes plays by the following Audrey Cefaly Joyce Miller J Merrill Motz Arlene Hutton Greg Lam Vince Gatton Lindsay Adams Sharece M Sellem Mrinalini Kamath Brendan Powers and Rachel Burttram Dana Hall Aly Kantor Kitt Lavoie Jenny Lyn Bader Ivam Cabral and Rodolfo Garc a V zquez Michael Hagins Trey Tatum with Jordan Trovillion Colette Mazunik Tory Parker Eric Eidson and Lauren Lynch Eidson Reva Stone Blair Fornwald, Seema Goel, 2021 The Silence of the Sword Dennis Knotts, 2019-06-27 It happened without warning Millions were torn from their peaceful sleep as the Song of Morning cut off in mid sentence The voice of Logos the Talking Sword was forever silenced as the Curse came upon the Lands of the Adoni The Sword would still sing but the ears of all those in the Lands of the Adoni would be forever deaf to the songs of worship and praise Asseem left the Council of Ancients came to live among the gnomes and eventually found the lost Garden of Tangar in his efforts to lift the Curse Through it all the Adoni continued to work behind the scenes preparing the world for the coming Battle of Es Soh en that would resolve forever the issue of who owned the Lands of the Adoni This is the story of one man Singer as he serves the Adoni to prepare the Chosen Kingdom for the coming battle It is a story that will cover many lifetimes and he will be able to live them all since he has eaten of the Tree of Unending Life **Euphoria and Dystopia** Sarah Cook, Sara Diamond, 2020-05-29 Euphoria and Dystopia The Banff New Media Institute Dialogues is a compendium of some of the most important thinking about art and technology to have taken place in the last few decades at the international level Based on the research of the Banff New Media Institute BNMI from 1995 to 2005 the book celebrates the belief that the creative sector artists and cultural industries in collaboration with scientists social scientists and

Kiss of the Yogini David Gordon White, 2006-07-07 For those who wonder what relation actual Tantric practices bear to the Tantric sex currently being marketed so successfully in the West David Gordon White has a simple answer there is none Sweeping away centuries of misunderstandings and misrepresentations White returns to original texts images and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day *Kiss of the Yogini* focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra sexualized ritual practices especially as expressed in the medieval Kaula rites Such practices centered on the exchange of powerful transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis It was only by drinking the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods By focusing on sexual rituals White resituates South Asian Tantra in its precolonial form at the center of religious social and political life arguing that Tantra was the mainstream and that in many ways it continues to influence contemporary Hinduism even if reformist misunderstandings relegate it to a marginal position *Kiss of the Yogini* contains White's own translations from over a dozen Tantras that have never before been translated into any European language It will prove to be the definitive work for persons seeking to understand Tantra and the crucial role it has played in South Asian history society culture and religion

Play Between Worlds T. L. Taylor, 2009-02-13 A study of Everquest that provides a snapshot of multiplayer gaming culture questions the truism that computer games are isolating and alienating and offers insights into broader issues of work and play gender identity technology and commercial culture In *Play Between Worlds* T L Taylor examines multiplayer gaming life as it is lived on the borders in the gaps as players slip in and out of complex social networks that cross online and offline space Taylor questions the common assumption that playing computer games is an isolating and alienating activity indulged in by solitary teenage boys Massively multiplayer online games MMOGs in which thousands of players participate in a virtual game world in real time are in fact actively designed for sociability Games like the popular Everquest she argues are fundamentally social spaces Taylor's detailed look at Everquest offers a snapshot of multiplayer culture Drawing on her own experience as an Everquest

player as a female Gnome Necromancer including her attendance at an Everquest Fan Faire with its blurring of online and offline life and extensive research Taylor not only shows us something about games but raises broader cultural issues She considers power gamers who play in ways that seem closer to work and examines our underlying notions of what constitutes play and why play sometimes feels like work and may even be painful repetitive and boring She looks at the women who play Everquest and finds they don't fit the narrow stereotype of women gamers which may cast into doubt our standardized and preconceived ideas of femininity And she explores the questions of who owns game space what happens when emergent player culture confronts the major corporation behind the game
